

# Recreational Cannabis Affidavit of MIVEDA Compliance

Applicant: \_\_\_\_\_

Address: \_\_\_\_\_

This document is for use by a medical cannabis establishment that received MIVEDA prioritization points during the Special Land Use application process and is seeking an initial or renewal Cannabis Related Municipal License (CRML) during the 3-year mandatory MIVEDA compliance period.

**Instructions:** Identify which voluntary conditions were offered in the “Local Economy” section of the original MIVEDA form by circling “yes” or “no” in the “OFFERED” column below. For each row where you circled “yes” in the “OFFERED” column, indicate whether the applicant was compliant with the voluntary condition during the 12-month period ending with the most recent quarter end (March 31, June 30, September 30, or December 31) by circling “yes” or “no” in the “COMPLIANT” column. For all voluntarily-offered conditions where you circled “yes” in the “OFFERED” column, provide the documents noted in the corresponding section under “Documentation” below, regardless of whether the applicant is compliant.

**1) Compliance Verification**

OFFERED? (circle one)	COMPLIANT? (circle one if included)	VOLUNTARILY-OFFERED CONDITION THAT WAS INCLUDED IN PROJECT:
YES / NO	YES / NO	A. Commitment to hire 15% of employees or more who are City of Grand Rapids residents, working more than 30 hours/week
YES / NO	YES / NO	B. Commitment to 24% or more of Micro LBE Participation
YES / NO	YES / NO	C. Commitment to hire minimum of 30 employees, working more than 30 hours per week.

The City will compare these selections to the original MIVEDA form to verify consistency with the voluntary conditions that were offered.

**2) Documentation** (include the documents corresponding to the voluntary conditions offered in the original MIVEDA form)

- A. Business tax records that demonstrate percent employees as city or non-city residents. (As a reminder, if the applicant previously offered condition A, the original MIVEDA form included the applicant’s consent to the City obtaining employee residency income tax percentages from the Income Tax Department.)
- B. Documentation of Micro LBE participation in accordance with City policies.
- C. Business records that demonstrate number of employees. (As a reminder, if the applicant previously offered condition C, the original MIVEDA form included the applicant’s consent to the City obtaining withholding information from Income Tax Department to verify number of employees.)
