ARTICLE 1. RECOGNITION

The City of Grand Rapids ("Employer") agrees to recognize the Association of Public Administrators of Grand Rapids ("Association") as the exclusive bargaining representative for those employees holding positions in the unit certified by the Michigan Employment Relations Commission (MERC) in Case #R90 K-249. The Association constitutes the management and supervision support for the Employer. The Employer values the members' roles in carrying out their various managerial responsibilities including but not limited to effectively budgeting, prioritizing, and directing the operations of the Employer.

ARTICLE 2. DUES CHECK-OFF

- A. The Employer agrees to make dues/fees deductions from employees provided that the Employer has on file a current authorization signed by the employee directing the deduction of such Association dues/fees. The Employer will promptly remit these dues/fees to the Association.
- B. The Association agrees to provide the Employer with its properly authorized dues/fees structure. The Association also agrees to indemnify and hold the Employer harmless from any liability or damages which arise out of or relate to the deduction of dues/fees pursuant to this provision (including any attorney's fees expended in the defense of such claims).

ARTICLE 3. MANAGEMENT RIGHTS

The Employer retains all legal rights and responsibilities granted to it under state, federal, and local laws, ordinances, or charters to operate the city and to manage its work force, except as expressly modified by the terms of this Agreement. The Employer's management rights include but are not limited to the right to discipline or discharge for just cause and/or the right to contract or subcontract work when it is not feasible or economical for city employees to perform such work. The Association will be given at least thirty (30) days advance notice if such proposed contracting or subcontracting would result in the displacement of an Association member.

ARTICLE 4. ASSOCIATION RIGHTS & SECURITY

- A. Collective bargaining negotiations will generally be scheduled during the regular business day without a loss of pay for up to six (6) employees on the Association's bargaining team. However, such negotiation time shall not be considered hours worked for any other purpose and shall not result in any entitlement to overtime compensation.
- B. An Association representative and the grievant shall be allowed reasonable release time with pay to prepare for and attend any scheduled grievance conferences with the Labor Relations office. However, such release time shall not be considered hours worked for any other purpose and shall not result in any entitlement to overtime compensation.
- C. The Association Chairperson/designee, Contract Committee representative, and the grievant shall be allowed release time with pay to attend scheduled arbitration or Civil Service Board hearings. The Association Chairperson/designee will be allowed one (1) day release time with pay to prepare for each scheduled arbitration case. However, such release time shall not be considered hours worked for any other purpose and shall not

result in any entitlement to overtime compensation.

- D. In any situation where non-permanent employees or contract personnel are hired in any department or division where Association employees are currently laid off/displaced, the Employer and the Association shall meet upon request by the Association and confer for the purpose of reviewing possible alternatives. The intent of this provision is to seek alternatives that are more economical and/or feasible to reduce or eliminate the expense of utilizing non-permanent employees or contract personnel. It is expressly understood that this provision shall not be interpreted to prevent the Employer from hiring or continuing to utilize non-permanent employees or contract personnel in the event the parties are unable to mutually agree upon a more economical and/or feasible arrangement.

ARTICLE 5. GRIEVANCE PROCEDURE

- A. A grievance is defined as any disagreement between the parties over the interpretation or application of the terms or provisions of this Agreement.
- B. In cases not involving suspension or discharge, the Association may request a fact finding meeting prior to initiating the grievance process. A request must be submitted within fifteen (15) working days after the employee(s) knew or should have known of the alleged violation. If requested, a meeting shall be scheduled by the Labor Relations office including the employee(s), a Labor Relations representative, Association representatives (not to exceed three [3]), and appropriate management representatives. The purpose of the fact finding meeting shall be to discuss the issues in dispute, identify the facts, and attempt to resolve the matter prior to initiating a written grievance.

If the matter remains unresolved at the conclusion of the fact finding meeting, the Association may present a written grievance within fifteen (15) working days following the date of the meeting to the Labor Relations office. The written grievance shall contain the information as outlined in Section C of this Article.

- C. Any employee may process a grievance by presenting a signed, written statement to the Labor Relations office briefly stating the facts of the alleged dispute, the specific involved provisions of the Agreement, and the requested remedy. At the employee's request, the Association representative may assist in the preparation of the grievance and affix his/her signature to such grievance. In those cases where a fact finding meeting was not held in accordance with Section B, the grievance must be presented within fifteen (15) working days after the employee knew or should have known of the alleged violation.

The Association itself may process a grievance which claims that a right given to the Association under the provisions of the labor agreement is alleged to have been violated. A written statement signed by a duly authorized representative of the Association shall be submitted to the Labor Relations office briefly stating the facts of the alleged dispute, the specific involved provisions of the Agreement, and the requested remedy. In those cases where a fact finding meeting was not held in accordance with Section B, the grievance must be presented within fifteen (15) working days after the Association knew or should have known of the alleged violation.

- D. The Labor Relations office shall schedule a meeting to discuss the grievance within fifteen (15) working days after receipt of the grievance. A written response will be submitted to the Association and the grievant within ten (10) working days after the grievance conference.

E. If the Association is not satisfied with the Employer's response, the Association may process the grievance as follows:

1. Grievances involving classification, suspension, demotion, discharge, layoff and/or recall may be presented to the Civil Service Board. Notice of the grievance appeal to the Civil Service Board shall be made within thirty (30) days after the pre-arbitration conference referenced in item #4 below. Said appeal will be scheduled as soon as practical at the earliest regular meeting of the Board. A decision by a majority of the Board shall be final and binding on the employee(s), the Association, and the Employer.
2. All other grievances may be submitted to arbitration by notice to the Labor Relations office of intent to arbitrate within thirty (30) days after receipt of the Employer's answer. The Association may elect to submit grievances on suspension, demotion, discharge or layoff/recall to arbitration, but this shall be the Association's and the employee's exclusive remedy.
3. The grievant and/or the Association may amend a grievance at any step of the grievance procedure up through the pre-arbitration conference by deletion or addition of Articles of the Agreement as supported by evidence presented during the grievance procedure.
4. After the Employer receives the Association's notice of intent to arbitrate or intent to appeal to the Civil Service Board, the parties shall meet within forty-five (45) days and attempt to resolve the dispute. However, if the matter cannot be resolved, the parties shall attempt to mutually select an arbitrator from the list of pre-approved arbitrators identified below. A pre-arbitration conference will then be held forty-five (45) days prior to the arbitration hearing or Civil Service Board hearing to exchange evidence, identify disputed issues and witnesses, and stipulate facts. Only that evidence so exchanged may be submitted to arbitration unless agreed otherwise.
5. The arbitrator shall be mutually selected from the following list of pre-approved arbitrators:

Theodore St. Antoine	David Grissom	Patrick McDonald
Peter Jason	Kathryn VanDagens	Joseph P. Girolamo

The arbitrator shall be limited to the interpretation and application of the express terms of the Agreement and shall have no power to add, delete, or alter the terms of this Agreement. The decision of the arbitrator shall be final and binding on the employee(s), the Association, and the Employer. Fees and expenses of the arbitrator shall be shared equally by the Association and the Employer unless otherwise directed by the arbitrator. Cancellation fees shall be shared equally by the parties. Each party is responsible for its own costs regarding witnesses and other individuals it requests to attend the arbitration.

F. A grievance not processed or answered in a timely manner shall be considered resolved on the basis of the last timely answer or demand.

G. Election of Remedies

If proceedings involving any matter which is or might be alleged as a grievance are instituted in any administrative action before a government board or agency or in any court, then such administrative or judicial procedures shall be the sole remedy, and grounds for

a grievance under this Agreement shall no longer exist.

ARTICLE 6. DISCIPLINE

- A. The Employer shall furnish the employee and the Association with a written copy of any disciplinary action within a reasonable period of time, but no later than seven (7) calendar days of the date the action is taken.
- B. If requested, the Employer agrees to provide an employee with an Association representative for any investigatory meeting that could result in disciplinary action. At the start of the meeting, the Employer shall fully advise the employee of the nature of the disciplinary investigation and that the investigation could result in disciplinary action. If an employee requests that an Association representative be present during the meeting, no questioning shall commence until the representative is present.
- C. If the Employer has reason to warn or reprimand an employee, they shall do so in a professional manner.
- D. An employee appearing in a hearing before the City Manager pursuant to the City Charter shall be entitled to an Association representative upon request. In response to such request, the Association representative shall be allowed reasonable time to attend the hearing without loss of time or pay.
- E. In imposing any discipline on a current charge, Management will not take into account any prior infractions that occurred more than three (3) years previous, provided that no further disciplinary action has occurred during the three (3) year period. However, disciplinary actions for sexual harassment infractions shall remain on the employee's record for a period of six (6) years and will be taken into account if another infraction of that nature occurs during that six (6) year period.
- F. When an employee provides false information during an investigatory interview which pertains materially to the nature of the complaint being investigated, the parties agree that such violation shall be considered proper cause for summary discharge. In such cases, the Arbitrator shall be limited to a determination of the facts only and shall have no authority to modify the discipline imposed if the facts support the violation. Additionally, the City agrees to handle investigatory interviews as outlined in the December 16, 2012 memorandum from the Labor Relations Manager to the City Manager.

ARTICLE 7. NO STRIKE

The Association and its members recognize that strikes by public sector employees are illegal in the state of Michigan. The Association agrees not to call or support in any manner a strike by its members. The Association's members agree not to engage in a strike and to faithfully fulfill their duties and responsibilities as assigned even in the event of a strike or picket by any other employees, organizations, or individuals.

ARTICLE 8. NO DISCRIMINATION

The Employer and the Association recognize and agree to abide by their legal obligations not to discriminate based on race, color, creed, religion, national origin, ancestry, age, gender, disability, height, weight, marital status, veteran status, sexual orientation or gender identity. The parties

also agree that they will not discriminate against any employee because of his/her membership in or refusal to join the Association.

ARTICLE 9. CIVIL SERVICE BOARD RULES

To the extent that they are not in conflict with other provisions of this Agreement, the existing Grand Rapids Civil Service Board Rules, Administrative Regulations and Procedures together with any amendments subsequently adopted and approved by the Civil Service Board are incorporated by reference into this Agreement. Notwithstanding this provision, the Association agrees that the Civil Service Board will place all Association classifications into the "non-competitive" group of classified positions (effective January 1, 1997).

Notwithstanding the provisions of Civil Service Board Rule 503.0(a), ties in classification seniority shall be broken on the basis of total permanent, continuous employment time with the Employer.

Political appointees who are not subject to the Civil Service Board rules continue to serve at the pleasure of the appointing official.

ARTICLE 10. NEW OR CHANGED JOBS

An employee may request a review of his/her position no more than once every three (3) years.

In the event the City Manager or Designee makes a final decision to reclassify a position or makes a budget substitution, the Employer will notify the Association and meet and confer about the decision upon request of the Association. Notification will be provided to the Association as soon as possible after the decision is made.

If the Employer created a new position within the Association or if the responsibilities of a job within the Association are significantly changed during the duration of this Agreement, the parties shall meet to discuss the appropriate salary range. If the parties cannot agree, the matter may be appealed to the Civil Service Board for resolution. The Association and the Employer acknowledge that if a dispute exists as to whether a new or changed job should be in or out of the bargaining unit, such dispute shall be resolved by the Michigan Employment Relations Commission.

In the event that a permanent employee occupies a position that is reclassified, the reclassified position will be filled first from qualified applicants represented by the Association. In the event there is no qualified applicant represented by the Association, the position may be filled by qualified non-Association applicants. However, in the event that a permanent employee occupies a position that is reclassified as a result of a classification study requested by the employee, the affected employee shall have the right of first refusal to the reclassified position unless management determines that such employee is not qualified. Upon request of the employee, management will confirm in writing its reasons for determining said employee is not qualified.

ARTICLE 11. WAGES

- A. Wages for employees covered by this Agreement shall be in accordance with the schedule set forth in Appendices B and C.
- B. The shift differential for eligible employees shall be as follows:

60¢ per hour for second shift.
65¢ per hour for third shift.

The 2nd shift is defined as any work period commencing between the hours of 1:59 PM and 9:59 PM. The 3rd shift is defined as any work period commencing between the hours of 9:59 PM and 4:59 AM.

- C. An annual stipend of \$1,000 will be paid to two (2) Association employees who serve for a full year on the confined spaces rescue team at the Lake Plant.
- D. Effective January 1, 2002, all new hires who have a checking account shall be required as a condition of employment to enroll in direct deposit.

ARTICLE 12. PAY CHANGES

A. Purpose

The following provisions shall govern the assignment of pay steps to employees covered by this Agreement.

B. Definitions

1. **Promotion** means a change in employment to a classification which has a higher maximum salary.
2. **Demotion** means a change in employment to a classification which has a lower maximum salary. An employee whose request for a voluntary demotion is granted shall have the change designated as a **voluntary demotion**.
3. **Transfer** means a change in employment to another position in any classification which has the same maximum salary and similar duties and qualifications.
4. **Reclassification** means the changing of a position from one (1) classification to another based on the duties involved.
5. **Salary Step Increase** means an increase in compensation to the next higher step in the same pay range.
6. **Acting Assignment** means an assignment for a limited time to a classification determined by the needs of the service with such assignment not involving promotion or change of status, notwithstanding any provision or rule to the contrary.

C. Anniversary Dates

1. Establishment
 - a. **Original Employment and Re-employment:** the date one (1) year after completion of the probationary period and the corresponding date each year thereafter.
 - b. **Promotion:** the date one (1) year after completion of the probationary period and the corresponding date each year thereafter.

- c. **Transfer:** the anniversary date remains unchanged.
- d. **Demotion:** the date six (6) months after the effective date thereof and the corresponding date each year thereafter.
- e. **Reclassification:** the date (6) months after the effective date thereof and the corresponding date each year thereafter.

2. Postponement of Anniversary Date

Layoff, formal leave of absence, or other separations from the payroll in excess of sixty (60) days shall postpone the anniversary date for the total period of separation; however, time previously served toward the next anniversary date shall be credited when the employee returns to the payroll.

D. Compensation Determination

- 1. **Original Employment and Re-employment:** Employees shall be employed at the lowest step for their classification unless the City Manager determines that the needs of the service require that compensation be fixed at a higher salary step.
- 2. **End of Probation:** The employee's salary automatically increases to the next higher step at the end of his/her probationary period, provided the employee is not at the maximum salary step of his/her range.

3. **Anniversary Date**

- a. Prior to the occurrence of each anniversary date, every employee who has not already obtained his/her highest salary step shall be considered for a salary step increase on such date. Such consideration shall be made by the employee's supervisors. The City Manager may elect to award a double step increase in cases of demonstrated superior performance.
- b. Each consideration found to be in good order by the Director of Human Resources shall be referred to the City Manager or his/her designated representative for final determination.
- c. Pay increases on anniversary dates shall not be based merely on the passage of time, but rather shall be given if the employee's work has been satisfactory relative to the requirements of his/her position.

An employee's performance shall be evaluated annually; however, any performance deficiency shall be brought to the attention of the employee and documented in writing within thirty (30) days of the occurrence. A copy of the documentation shall be given to the employee.

- d. In the event a pay increase is not given on an anniversary date, such increase may be given prior to the next anniversary date if the employee's work performance increases to a satisfactory level relative to the requirements of his/her position.
- 4. **Promotion or Upward Reclassification:** Employees who are promoted or whose positions are reclassified to a classification in a higher pay range shall

initially be paid at a salary step determined by the City Manager.

5. **Increase upon Assignment to Temporary Acting Assignment Duty:** When the exigencies of the service require the acting assignment of an employee to the duties of a higher classification, the City Manager may order the payment of a rate of compensation within the range allocated to such higher classification.

Payment for such acting assignment shall commence from the 1st day of the acting assignment when acting assignments last 10 days or longer. In those cases where the acting assignment exceeds six (6) months, the employee shall be placed at the next higher step commencing the seventh (7th) month unless the employee is at the highest pay step within the acting assignment classification. The employee may request removal from an acting assignment that exceeds six (6) months.

If an employee is on acting assignment more than twelve (12) months, the City agrees to meet with the APAGR and discuss the potential of creating a permanent position.

Effective July 1, 2016, the City agrees to move the employee to the next pay step higher after 12 months of acting assignment and the probationary period runs in accordance with Civil Service Rules.

6. **Transfers:** An employee who is transferred shall initially be paid at the same salary step he/she was on immediately before such transfer.
7. **Demotion and Downward Reclassification:** An employee who is demoted or whose position is reclassified to a classification in a lower pay range shall initially be paid at the same salary step in the lower pay range at which he/she was at in the higher pay range. As exceptions to these provisions, the City Manager may authorize a higher salary step; or if the employee previously held a higher step in the lower classification, he/she shall be paid at the higher salary step.
8. **Effective Date of Changes in Compensation:** All changes in compensation shall be effective as of the date indicated on the payroll advice form.

2. Overtime shall consist of authorized work in excess of the normal number of hours in any scheduled work day or any work week, not including meal periods. Overtime and any other payment for time worked shall be paid to the nearest one-tenth (1/10) of an hour.
3. All overtime shall be authorized by a responsible supervisor or director of a division or department.
4. Time worked in excess of the normal work week for the purpose of adjusting so-called swing shifts in a three-shift operation shall not constitute overtime.

C. Method of Compensating for Overtime Work

1. Overtime shall be paid at one and one-half (1½) times the employee's hourly rate.
2. For the purpose of computing overtime, an employee absent on authorized sick leave with pay, jury leave with pay, holiday, or vacation shall be considered to have worked his/her normal work shifts during such absence. Employees absent on unpaid leave shall not be considered to have worked during such absence.

D. Compensatory Time

1. Employees shall be provided with the opportunity to accrue compensatory time in lieu of cash payment for overtime worked.
2. Compensatory time shall be earned at 1½ times the number of overtime hours worked.
3. Employees shall have the right to select the method of overtime reimbursement (cash payment or earned compensatory time) at the time the overtime is worked or by the end of the payroll period in which the overtime was worked. The employee's selection shall not be altered at a subsequent date unless by mutual agreement with his/her supervisor.

7. Compensatory time shall not be deferred beyond June 30th of the fiscal year in which it was earned. Employees will be paid off as soon as administratively possible for any unused compensatory time by this date. This change resulted in payment not being made for unused compensatory time as of December 31, 2008. Instead compensatory time earned during the period of January 1, 2008 through

June 30, 2009 and not used will be paid off as soon as administratively possible following June 30, 2009.

8. Compensatory time shall not be substituted for requested vacation time unless approved by the employee's supervisor.
9. The City agrees to participate in a joint committee consisting of three members from the APAGR and three members from Management to discuss flexible work schedules, telecommuting arrangements, mobility options, and the government center MOU.

ARTICLE 14. VACATION

A. Definitions

1. Service is defined as any period of time for which an employee receives wages (excluding income maintenance payments).
2. Vacation day is that period of time equal to eight (8) hours or one (1) regularly scheduled normal work day.
3. Continuous service is service as defined in item #1 above that is uninterrupted by resignation or discharge.

B. Vacation Allowance

1. During the initial calendar year of employment, employees shall be immediately credited with an amount of vacation leave based on the monthly earned rate of eight (8) hours times the number of months remaining in the calendar year from the date of employment. (This monthly earned rate is arrived at by dividing the maximum vacation hours that can be credited for the first year by the number of months in a year ($96 \div 12 = 8$). On the first day of the calendar year following the date of employment, an employee shall be credited with twelve (12) work days of vacation leave.
2. On the first day of each calendar year following the completion of an employee's second (2nd) through sixteenth (16th) year of continuous service, an employee may cumulatively accrue one (1) additional day of vacation until a maximum total of twenty-seven (27) work days is reached.
3. An employee becomes eligible for one-twelfth (1/12) of his/her vacation allowance, under items #1 and #2 above, each calendar month in which he/she works twelve (12) or more days.
4. Employees who have established vacation allotments approved by the City Manager shall be credited with such allotment annually. On the first day of each calendar year following the completion of the employee's second (2nd) year of employment, an employee may cumulatively accrue one (1) additional day of vacation until a maximum total of twenty-seven (27) work days is reached.

C. Use of Vacation

1. Vacation will be scheduled with due regard for employee preference and service needs.
2. Employees shall be allowed to maintain a maximum accumulation of forty (40) days of vacation from one fiscal year to another. Any earned vacation in excess of forty (40) days shall be considered void; however, an employee may maintain a balance of sixty-eight (68) days between the period of 1/1 and 11/30.

An employee who is in jeopardy of losing their vacation days by November 30th of any given year may at their sole discretion elect to convert up to forty (40) hours of vacation into sick leave hours. The Employee must give written notice to their supervisor and to Human Resources of such election by November 30th. However, the employee shall be limited to a maximum conversion of one hundred twenty (120) hours during their tenure with the Employer within the Association.

3. Upon termination or death, an employee will be paid in full for all unused vacation hours (including those hours accrued but not yet credited to his/her vacation leave bank) at his/her rate of pay at the time of termination or death.

For an employee currently serving in an Executive Level group classification, this payoff amount will be made to an existing or a newly created 401(A) account unless used on a pre-tax basis to purchase pension credit. For an employee who'd previously served in a classification that was part of the Executive Level group and had established a 401(A) account as a result of such, this payoff amount will be made to that existing 401(A) account. The payoff requirements listed in this paragraph do not apply to other Association employees.

E. Supplemental Vacation Leave

1. At his/her discretion, the City Manager may authorize supplemental vacation leave for employees in the executive level group (see designated classifications in Appendix A).
 2. Supplemental vacation leave is leave granted in addition to the vacation an employee regularly earns as a result of length of service. For any individual, the total vacation credits in a given year, including regular vacation leave and supplemental vacation leave, is limited to a maximum of twenty-seven (27) days per calendar year. Supplemental vacation leave is to be used only when all regular vacation leave has been exhausted.
 3. Requests for supplemental vacation leave must be submitted in writing to the City Manager and should include both the length and scheduling of regular vacation leave and the dates for which supplemental vacation leave is being requested.
1. The City Manager will notify the City Comptroller and the Director of Human Resources of supplemental vacation leave which is authorized. Supplemental vacation leave may be taken following notification to the City Comptroller by the City Manager.
 2. Supplemental vacation leave which is unused expires at the end of the calendar year for which it was authorized and cannot be extended.
 3. At employment termination, an individual is not compensated for supplemental vacation leave.

F. Advanced Placement – Vacation Schedule

The City Manager may provide advanced placement in the vacation schedule for newly hired employees in the Association notwithstanding the provisions of the Article.

G. Vacation Sell-Back Program

In October of each year, an eligible employee may sell back up to 120 hours of his/her vacation for $\frac{2}{3}$ of its value if he/she has more than 80 hours in his/her vacation bank. After the sell-back process is completed, the eligible employee must have a minimum balance of 80 hours in his/her vacation bank.

The employee can elect for the payment to be made to his/her 457 deferred compensation account or it may be paid out in the first paycheck in December.

ARTICLE 15. HOLIDAYS

2. **Service** is defined as any period of time for which an employee receives wages (excluding income maintenance payments).
3. **Supplemental Employment** is defined as a compensated off-duty job including

self-employment which may provide sick leave benefits, health and accident insurance, workers' compensation, or any combination thereof.

B. Regular Use

The regular use of sick leave entitles an employee to use his/her accumulated sick leave for any absence necessitated by illness of the employee, an employee's minor child, his/her spouse, his/her parent or by off-duty employee injury not incurred in supplemental employment upon approval by his/her department or division director.

C. Sick Leave Accumulation

1. An employee accumulates one-half ($\frac{1}{2}$) day of sick leave for each calendar month of service in which he/she is paid twelve (12) or more complete days.
2. Unused sick leave days shall accumulate from year to year to an unlimited amount.

D. Family Bank

A family bank provision will be devised to deal with special circumstances.

E. Recording Use of Sick Leave

Sick leave shall be charged to the nearest one-tenth ($\frac{1}{10}$) hour. Effective August 20, 2002, the language which stated that "sick leave shall not be charged when an employee is required to be absent less than two (2) hours in order to keep a doctor or dentist appointment" shall not apply.

F. Other Uses

1. An employee is entitled to take up to two (2) days bereavement leave (paid leave without charge to sick leave) upon the death of any member of his/her immediate family. For the purpose of this provision only, immediate family includes son-in-law and daughter-in-law.
2. An employee is entitled to use up to three (3) days of his/her accumulated paid sick leave for any absence necessitated by serious injury, acute critical illness requiring emergency medical treatment, or death of any member of his/her immediate family upon application approved by his/her department or division director. Extension of time will be permitted in exceptional circumstances upon application approved by the City Manager.
3. An employee is entitled to use his/her accumulated paid sick leave in lieu of vacation for illness or injury while on vacation upon application approved by his/her department or division director. Such use is subject to substantiation as hereinafter provided.

G. Excluded Uses

Paid sick leave will not be authorized for the following:

1. Personal injury incurred in supplemental employment.
2. If an employee is found to have performed any work while on sick leave. The term "any work" does not include such work activity in and around the home of the

employee that is not detrimental to the illness or injury causing the absence as determined by the City's physician.

H. Substantiation

An employee will be required to substantiate the use of sick leave by such reasonable means as his/her department or division director may require. Intentional falsification of any sick leave affidavit or fraudulent use of sick leave will be grounds for disciplinary action up to and including discharge.

I. Physical Examination

An employee on authorized absence for more than ten (10) working days due to illness or for any period due to injury shall return to duty only after an examination and release for work by the City's physician.

J. Unpaid Sick Leave

K. Pay for Unused Sick Leave

Unused accumulated sick leave will be paid to employees who resign, retire, or are permanently laid off with ten (10) years or more of continuous service. For retiring employees, the sick leave pay-off schedule is as follows:

2. 91 through 180 days at the rate of \$2 per day x the employee's years of continuous service.
3. 181+ days at the rate of \$3 per day x the employee's years of continuous service.

Employees who resign are paid at one-half (½) the rates listed above.

L. Conversion of Unused Sick Leave to Pension Credited Service

As an alternative to the tiered \$1, \$2, and \$3 per day payment for unused sick leave (provided under Section J above), an employee may elect to convert unused sick leave to up to one (1) year of credited service under the City of Grand Rapids General Retirement System as provided herein. An employee shall not be paid for any remaining hours of sick leave under Section J above after converting to the maximum of one (1) year of credited service.

Employees who participate in the City of Grand Rapids General Retirement System who retire or separate with a deferred retirement with ten (10) or more years of continuous service may elect to receive pension service credit for unused sick leave. Two Thousand Eighty (2,080) hours of sick leave shall be required to achieve one (1) year of pension service credit. Lesser amounts shall be converted on a pro-rated basis as determined by the Retirement Systems office. Any such additional credited service received upon

conversion of unused sick leave upon retirement or separation with a deferred retirement under these provisions shall be used solely for the purpose of computing the member's life allowance and shall be subject to the percentage caps of Article 22, Section B.

M. Notification

An employee who expects to be absent on sick leave must notify his/her department prior to the start of his/her scheduled shift as promptly as practical depending on the circumstances. Failure to do so may result in denial of his/her claim for paid sick leave. The employee will report his/her status every third working day of absence unless hospitalized.

A department director may request in his/her budget a professional development allocation to be used at his/her discretion for professional development purposes. The requested allocation may be expended for any professional development purpose unless otherwise restricted by the City Manager, as in the case of travel bans or freezes.

ARTICLE 20. SEVERANCE PAY PACKAGE

In the event an employee covered by the provisions of this Agreement is involuntarily terminated, laid off, or separated from the service for reasons other than an age and service retirement, the City Manager may provide a severance package for the employee. To be eligible for the severance package, the employee is required to execute a severance agreement relinquishing claim to all future re-employment rights and a waiver of all claims against the Employer. With the execution of such an agreement, the City Manager, after consultation with the Mayor and the chairperson of the Fiscal Committee, may provide a severance package with a value not to exceed the total compensation the employee would have earned in six (6) months. Alternately, at the City Manager's discretion, he/she is authorized to provide a benefit package not to exceed three (3) months of total compensation for those employees separating from the service in a manner provided for in this subsection. The City Manager is authorized to negotiate the terms of the severance agreement within the limitations provided for in this paragraph and to execute the severance agreement on behalf of the City.

ARTICLE 21. PENSION

A. Employees covered by this Agreement are provided a pension under the City of Grand Rapids General Retirement System. Such plan came into effect October 1, 1939. The pension plan as amended herein shall be continued for the life of this Agreement subject to the following paragraph:

Amendments to the pension plan may be made and approved by the City

Commission only to the extent that such amendments do not modify or diminish in any way and are not in conflict with the benefit levels or retirement options contained in the pension plan as of December 31, 2002, as modified by any provisions set forth hereafter in this Article. The Association will be notified of any proposed City Commission amendment(s) at least thirty (30) days prior to the submission to the City Commission, and the parties shall meet and confer regarding such amendment(s) upon request from the Association.

- B. Effective January 1, 1997, the benefits payable under the City of Grand Rapids General Retirement System is based on the factoring of years of service x average final wage x 2.5% to arrive at the pension amount. A covered employee is required to make a 3.28% of wage contribution toward his/her pension. An employee's contribution into the pension system shall terminate after 39 years of service.

Effective January 1, 2003, the pension multiplier factor will increase from 2.5% to 2.6%. Effective January 1, 2005, the pension multiplier factor will increase from 2.6% to 2.7%. There will be a 97.5% cap for employees hired prior to January 1, 2005, and a cap of 94.5% for employees hired on or after January 1, 2005.

Effective January 1, 2005, the employee pension contribution rate will increase by .71% to make the contribution rate 3.99%.

Effective June 1, 2011, existing employees will have the opportunity to choose one of the following three (3) options:

- Maintain a 2.7% multiplier and contribute an additional 5.27% of base wages.
- Elect a 2.5% multiplier and contribute an additional 4.02% of base wages.
- Elect a 2.2% multiplier and contribute an additional 2.35% of base wages.

The selected option will take effect in the pay period beginning June 12, 2011.

Newly hired employees into the Association on or after June 1, 2011, will have a 2.0% multiplier and contribute 6.15% of their base wages.

Employees in the Officer's Option Defined Contribution Plan (401A) will have the City's contribution reduced to 12% with a minimum employee contribution of 6% of base wages and a maximum of 9% of base wages.

- C. Employees can purchase up to two (2) years of credited service at the full contribution costs (constituting both the employee and employer costs) based on the actuarially determined formulated cost at the time of purchase.
- D. If an employee is otherwise eligible for a pension benefit but dies prior to retiring, the designated beneficiary will receive a benefit not actuarially reduced based on the deceased employee's age at the time of his/her death.
- E. Additional information regarding eligibility may be obtained from the "The Grand Rapids General City Employee Pension Plan Booklet." The complete Plan is in the Pension Ordinance of the City. Copies of the ordinance are obtainable from the City Clerk. Questions related to the Pension System should be referred to the Pension Office.

G. Thirteenth Check Pension Supplement

A supplement to a general pension benefit currently received by retirees under the City of Grand Rapids General Retirement System may occur annually in the form of a thirteenth pension check during the month of January. The issuance of said check will depend upon the availability of an accumulation of fifty percent (50%) of the actuarially determined net annual book value investment returns in excess of eight percent (8%) from Benefit Reserve Funds. The amount available for distribution in any given year will be the average of the last five (5) years' accumulation. This supplement remains in effect for employees who retired prior to October 21, 2008.

A one percent (1%) non-compounding pension escalator after four (4) years of retirement shall be applied to all employees who retire on or after October 21, 2008, and the 13th check will be eliminated for all employees who retire on or after October 21, 2008. However, those retirees would be considered as eligible retirees for purposes of determining how the 13th check is calculated and distributed.

G. Officers' Option

In lieu of the benefits under the General Pension System, executive level group employees may participate in the 401(a) Plan with the International City Management Association (ICMA) Retirement Corporation Deferred Compensation Plan. The 401(a) Plan is a "money purchase" plan that requires a 6% of salary contribution from the employee and a 14% contribution from the Employer. Benefits are based on the accumulated cash value of the combined contributions as determined by investments made on behalf of the employee by ICMA. The Officer's Option plan was closed to new hires effective July 1, 2011.

H. Medicare Supplemental Trust Fund

Employees under this agreement retiring after January 1, 1990, who receive a monthly benefit as a result of having retired after that date and who receive a Medicare benefit under federal law as a result of having reached age 65 and their eligible beneficiaries as determined by the Joint Committee over the Medicare Supplement Trust Fund are entitled to receive a pro-rated supplement amount from the Association's funds in the Medicare Supplement Trust Fund as determined by the Association's representative(s) on the Medical Supplement Trust Fund Joint Committee. The sole purpose of such fund disbursement shall be to supplement and help reduce the cost of the premium for the health insurance cost to the eligible retired employee.

The Employer shall contribute .7% of the annual salary rate in quarterly payments to the trust fund for those employees covered by the General Retirement System or the Officer's Option and who will be eligible for Medicare coverage after retirement.

The above language is subject to the provisions of Chapter 7-Pension and Retirement Benefits, Article 7-Medicare Supplement Trust Fund, Section 1.323 of the City Code.

ARTICLE 22. DEFERRED COMPENSATION

1. The City of Grand Rapids is the plan sponsor of a group health care plan covering certain hospitalization, surgical, medical, dental, and optical expenses for active City employees and their eligible dependents. Active City employees and their eligible dependents participate in this group health care plan. A summary of the coverage available through the City's group health care plan is contained in the Plan Booklet. The specific terms and conditions governing the group insurance program are set forth in detail in the Plan Document created by the City as the same may be changed from time to time. The Employer maintains the right to name the administrative agent, provided that there will be no changes in the present negotiated benefit levels of the Health Care Plan during the life of this agreement.

2. Effective pay period starting November 30, 2008, the following benefits and co-payments became effective:
 - a. Doctor's office visit: \$20 co-pay
 - b. Chiropractic services: \$20 co-pay (co-pay applies to all consultations and subsequent adjustments and treatments)
 - c. Behavioral health office visits: \$20 co-pay
 - d. Over-the-Counter Drug Option: Employees are required to receive an over-the-counter drug equivalent for drugs in the over-the-counter program for the first prescription. If the over-the-counter prescription is determined to be ineffective by the prescribing physician and the physician prescribes the brand name or generic drug as "dispense as written", the coverage will provide the drug with the appropriate deductible.
 - e. Proton Pump Inhibitor Drugs: An annual cap of \$600 on payments by the City of Grand Rapids for Proton Pump Inhibitor (PPI) drugs prescribed as either brand name or generic equivalents. The over-the-counter (OTC) program shall remain in effect and no employee co-payments shall be required for the OTC proton pump inhibitor drugs dispensed under that program. However, if the annual \$600 cap on proton pump inhibitor drugs dispensed in a manner other than under the OTC program is reached, the applicable co-pay shall thereafter be doubled (i.e., the \$20.00 co-pay for the brand shall be increased to \$40.00 and the \$10.00 co-pay for generic shall be increased to \$20.00) during the remaining annual period. The City shall continue to pay its portion of the cost for the PPI drug prescription less the increased co-pay by the employee.
 - f. Dependent Coverage: Employees' dependent coverage shall comply with the age provisions of the affordable care act (ACA) or whatever coverage is negotiated between the parties.
 - g. Health Care Spousal coverage: An employee's dependent coverage shall require that if a working spouse has health care coverage through his/her employer, coverage provided by his/her employer would be primary while the City's plan would be secondary.

Effective January 1, 2015 the following changes will be made to the health care plan:

Annual Deductible	\$150
Co-insurance	80%/20% (all services)
Maximum out of pocket	\$850 (all services)

Tier Two	\$20 brand
Specialty Drugs	As outlined in the supplemental agreement
Mail Order Maintenance	\$50 Brand only with a 90 day supply

Usual, Customary, and Reasonable (UCR) charges. Usual, Customary, and reasonable shall be determined by FAIR Health Inc., or the successor industry standard. Usual, customary, and reasonable provisions will apply to non-hospital services. The 90th percentile will be used to calculate how much to pay for out-of-network services. The City agrees to work with the Union on addressing the issue of usual, customary and reasonable with members who receive services out of state and are unable to find any in-network providers in their area. In-network is already deemed to be UCR.

3. Active employees shall be eligible to participate in the Health Care Plan effective no later than the effective date of hire.
4. Employees shall share in the cost of their health care coverage by paying a health care premium contribution each bi-weekly pay period on a pre-tax basis. The employee health care premium contribution payment is 20% of the City's actuarially estimated annual health care cost as applied without regard to the category of coverage. The City's actuarially estimated annual health care cost is based upon the blended rate for all active employees and pre-65 retirees. In the fall of each year, the City receives an actuarial report that contains two separate calculations: the first is a calculation of the estimated cost to provide health care coverage to its active employees, pre-65 retirees, and their eligible dependents for the upcoming year, and the second is a calculation of the estimated cost to provide health care coverage to the retirees 65 and older and their eligible dependents for the upcoming year. These estimated cost figures are utilized for health care contribution purposes effective on the first pay day on or after January 1 of the upcoming calendar year. Employees shall be required to pay 1/26th of their percentage portion of the annual health care cost each bi-weekly pay period.

Beginning with the rate change that shall be effective in January 2012, the rate established by the actuary shall be adjusted to account for any over or under funding from prior years. The over or under funding amounts experienced for the prior fiscal year ending June 30th shall be recognized over the subsequent three years (i.e. three year smoothing of actual to estimate true up).

Effective January 1, 2019, the health care employee premium sharing rates will include tiered rates of single/double/family.

5. High Deductible Health Insurance Plan
This benefit is outlined in the memorandum of understanding between the parties.
6. Wellness Plan
This benefit is outlined in the memorandum of understanding between the parties.

Those City contributions are to be matched with mandatory employee contributions. The City and employee contributions are to be made into a tax favored medical savings account sponsored by the City through bi-weekly deposits. The RHSA is currently administered by the Municipal Employees' Retirement System of Michigan (MERS) and has various investment options.

Employee contributions and City contributions to the RHSA shall begin after the employee passes his/her initial six (6) month probationary period, and increased as follows:

- After six (6) months of employment, the City shall contribute \$750 annually and the employee shall contribute \$375 annually;
- After completing one (1) year of employment, the City shall contribute \$1,500 annually and the employee shall contribute \$750 annually;

Separation from employment prior to becoming vested or achieving eight (8) years of continuous service shall result in entitlement to the ongoing employee contributions and any accumulated interest accrued upon those employee contributions. Upon eligible separation from employment or retirement, the medical savings account shall become available to pay post-employment medical expenses including retiree health care insurance premiums.

2. Retiree Health Savings Account (RHSA) – Mandatory Conversion for Employees with Less Than 8 Years of Credited Service

Employees hired before October 21, 2008 who are not vested in the General Retirement System with at least eight (8) years of credited service as of December 31, 2008 shall be mandatorily converted to a Retiree Health Care Savings Account (RHSA). The City shall make an initial contribution to the account which is calculated as follows:

The greater of

- The actuarially determined present value of the accrued benefits under the City's prior retiree health care system which provided benefits between the ages of sixty-two (62) and sixty-four (64) inclusive for those retirees who had vested in the General Retirement System multiplied by ninety percent (90%). That amount is then multiplied by a percentage determined by reducing 100% by one-half of one percent (.5%) for each month the employee is below age sixty-two (62);

Or,

- The actuarially determined present value of the accrued benefits under the City's prior retiree health care system which provided benefits between the ages of sixty-two (62) and sixty-four (64) inclusive for those retirees who had vested in the General Retirement System multiplied by ninety percent (90%). That amount is then multiplied by a percentage determined by dividing the number of months of credited service as of October 21, 2008 by three hundred and sixty (360) months.

Additionally, the City of Grand Rapids shall fund a Retiree Health Savings Account through ongoing contributions during the employee's active employment. Those City contributions are to be matched with mandatory employee contributions. The City and employee contributions are to be made into a tax favored medical savings account sponsored by the City through bi-weekly deposits. The RHSA is currently administered by the Municipal Employees' Retirement System of Michigan (MERS) and has various investment options.

During the period from October 21, 2008 through April 21, 2009 the employee contribution (normally \$1,000 annually) shall be waived and the City contribution shall be \$1,750 annually. During the period from April 22, 2009 through December 31, 2009, the employee contribution (normally \$1,000 annually) shall be \$500 annually and the City contribution shall be \$1,750 annually. Beginning January 1, 2010 the employee contribution shall be \$1,100 annually and the City contribution shall be \$2000 annually.

Employees who are mandatorily converted to a RHSA shall vest in the City initial contribution, the City's ongoing contributions and any accumulated interest accrued upon those contributions at the time he/she is mandatorily converted.

The City of Grand Rapids is the plan sponsor of a group health care plan covering certain hospitalization, surgical, medical, dental, and optical expenses for retired City employees and their eligible dependents. 264 months	88.0%

The earned percentages listed above apply to the City's portion of the earned benefit and do not reflect the retiree premium sharing percentage which may be applicable. In the case of an employee retiring with at least eight (8) years of credited service and at least age sixty-two (62) under the General Retirement System, those employees shall be considered to have earned one hundred percent (100%). Likewise, if an employee is disabled and retired pursuant to the disability provisions of the applicable pension ordinance, he/she shall be considered to have earned one hundred percent (100%).

In the event the retiree dies after retirement between age fifty-five (55) and sixty-four (64) inclusive, the spouse and/or dependents, if any, shall continue to be provided coverage under the City sponsored group health care plan at the earned rate until such time as the retiree would have reached age sixty-five (65). The spouse and/or dependents are defined and understood to be those persons who are the spouse and/or dependents of the retiree as defined in the Summary Plan Document at the time the officer or employee retires. If the surviving spouse should remarry, or become covered under the health care benefits of another employer, coverage entitlement under the City sponsored health care plan shall end.

Active employees who retire on or before March 31, 2010 shall not be required to pay the premium sharing contribution for the pre-65 retiree health insurance plan.

4. Voluntary Conversion to a Retiree Health Savings Account

Employees who are eligible to be provided coverage under the City sponsored group health care plan upon retirement (as provided in subsection 3. above) may elect to voluntarily convert to a Retiree Health Savings Account (RHSA). Such election must be exercised on or before September 11, 2009. If the employee elects to voluntarily convert to an RHSA, the City shall make an initial contribution to a tax favored medical savings account sponsored by the City as follows:

The greater of

- The actuarially determined present value of the accrued benefits under the City's prior retiree health care system which provided benefits between the ages of sixty-two (62) and sixty-four (64) inclusive multiplied by ninety percent (90%). That amount is then multiplied by a percentage determined by reducing 100% by one-half of one percent (.5%) for each month the employee is below age sixty-two (62).

Or,

- Five percent (5%) of the actuarially determined present value of the accrued benefits under the City's prior retiree health care system which provided benefits between the ages of sixty-two (62) and sixty-four (64) inclusive.

Ongoing contributions for employees who are eligible to be provided coverage under the City sponsored group health care plan upon retirement (as provided in subsection 3 above) and who elect to voluntarily convert to a Retiree Health Savings Account (RHSA) shall be \$1,000 annually by the employee and \$1,750 annually by the City. Employees who voluntarily convert to a RHSA shall vest in the City's initial contribution, the City's ongoing contributions, and any accumulated interest accrued upon those contributions at the time he/she is voluntarily converted.

5. Deferred Retirement

Employees who separate from employment with the City, on or after October 21, 2008, and who at the time of leaving City employment do not begin receiving a retirement benefit payment from his/her applicable defined benefit retirement plan (either from the General Pension System or a 401A plan) are not eligible to continue to participate in the City sponsored group health care plan except as provided under COBRA, and are not eligible for any City contribution towards retiree health care costs. Deferred retirees who do not begin withdrawing from his/her individual account may not reenter the City health care plan at a later date.

6. Service and Disability Retirees

Employees who retire as service retirees or disability retirees are eligible to continue to participate in the City of Grand Rapids group health care plan, as the same may be changed from time to time, until they reach age 65. Eligible service or disability retirees who decline to participate in the City's health care plan shall not be eligible to re-enter the City's health care plan at a later date. A service retiree is an individual who immediately upon leaving active City employment is eligible for and begins receiving a retirement allowance for Age and Service Retirement (Section 1.203), Early Retirement (Section 1.208), or Special Early Retirement (Section 1.209), but does not include an individual receiving a retirement allowance for a Deferred Retirement (Section 1.209.3). A service retiree also includes an individual enrolled in the Officers' Option Plan (Section 1.283) who at the time of leaving city employment begins receiving payments from that 401(A) plan. A disability retiree is an individual who immediately upon leaving active city employment is eligible for and begins receiving a retirement allowance for Non-Duty Disability Retirement (Section 1.209.1) or Duty Disability Retirement (Section 1.209.3).

7. In the event the retiree dies after retirement between the ages of fifty-five (55) and sixty-four (64) inclusive, the dependents, if any, will continue to have hospitalization insurance premium paid by the Employer until such time as the retiree would have reached age sixty-five (65). Dependents are defined and understood to be those persons who are dependents of the retiree, as defined in the insurance program at the time of retirement.

8. If a member who retires after January 1, 1997 dies before attaining age sixty-five (65), the Employer shall provide insurance coverage at its cost, for the member's dependents until such time as the member would have reached sixty-five (65) years of age. In addition, such coverage will also be provided if an active employee had reached twenty (20) years of service at the time of his/her death.

9. The minimum age qualification for coverage under this benefit is reduced to age fifty (50) if the retiree is retiring with thirty (30) or more years of service with the Employer. The minimum age qualification for coverage under this benefit is waived if the employee is disabled and retired pursuant to the disability provisions of the pension ordinance.

10. The current age for Medicare coverage eligibility is sixty-five (65). The parties agree upon request of the other party to reopen this agreement to negotiate changes to this provision in the event that the Medicare eligibility age is modified or if any replacement national retiree health care coverage is adopted.

C. Death Benefit Payment Plan

1. The Death Benefit Payment Plan provides a cash payment to the beneficiary/beneficiaries of any employee whose death does not result from an injury arising out of and in the course of his/her employment with the Employer. Said benefit shall be payable to the beneficiary/beneficiaries of the employee's choice as designated on the "Designation of Beneficiary" form which shall be provided by the Employer and shall be kept on file in the Human Resources office. Employees shall have the right to change the beneficiary/ beneficiaries at any time during their employment with the Employer by executing a "Change of Beneficiary" form as provided by the Employer. In case an employee dies and is not survived by a designated beneficiary, or fails to execute a "Designation of Beneficiary" form, said death benefits shall be payable to the administrator or executor of the estate of the deceased employee.

All rights to such death benefits shall terminate upon termination of employment by reason of discharge, retirement, resignation or layoff. Termination of employment shall be deemed to occur when an employee ceases to be employed by the Employer, except that any employee who is granted a leave of absence for reasons covered under the Family Medical Leave Act, will nevertheless be considered still employed. Termination of employment shall not be deemed to include an employee who is under suspension for disciplinary reasons or an employee who shall have been unlawfully dismissed.

The amount payable under the Death Benefit Payment Plan shall be \$50,000.

2. In the event an employee dies and the employee's death occurs as a result of personal injury arising out of and in the course of his/her employment with the Employer and the amount of benefits which would be payable under the Workers Compensation Act would amount to less than the death benefit, the Employer shall make a lump sum cash payment equal to the difference between the amount of the death benefit and the total Workers Compensation benefits, to the employee's beneficiary/beneficiaries designated on the "Designation of Beneficiary" form provided by the Employer, or in the absence of execution of said form, to the administrator or executor of the employee's estate.

For the purpose of determining the lump sum cash payment payable under the provisions of this section, the Employer shall compute the "total Workers' Compensation benefits" as of the date of the employee's injury under the circumstances and considering the number of dependents at that time. The "total Workers' Compensation benefits" shall be computed to include:

- a. The total weekly benefits provided by the Workers' Compensation Act multiplied by the number of weeks payable;
- b. Medical expenses payable;
- c. Burial expenses payable; and,
- d. disability payments which have been paid or have become due for injury which is the proximate cause of death.

Provisions of this section C2 shall not be affected in any way by an election by the dependents of a deceased employee to receive Duty Disability Benefits under the provisions of the City Code in lieu of benefits under the Workers' Compensation

Act.

3. No benefits shall be payable under this section unless written application for such benefits is filed with the Employer by the beneficiary or beneficiaries of the deceased employee designated on the "Designation of Beneficiary" form or by the administrator or executor of the estate of the said deceased employee within one (1) year after the employee's death or within one (1) year after the beneficiary, beneficiaries, administrator or executor of the estate shall have knowledge or reasonably should have knowledge of their right to make such a claim, whichever occurs later.
4. In the event that the beneficiary, beneficiaries or the estate of the deceased employee shall be paid benefits under subsection "1" hereof and compensation or benefits are subsequently paid or awarded for the same death to any person or persons under the Duty Disability Provision of the City Code or as a result of any proceeding instituted under the Workers' Compensation Act against the Employer, the beneficiary, beneficiaries or estate of the deceased employee, as the case may be, shall be liable and shall repay to the Employer the amount equal to the compensation or Duty Disability Benefits which are paid or awarded up to the sum of the death benefit.
5. In the event that an employee dies within two (2) years after coverage is extended to the employee under section C above, and it is determined that the employee's death was due to suicide, no benefits shall be payable to any party or parties under this section.
6. No determination, presumption, or finding made by the Employer in the application of any of the provisions of section C above shall be binding upon the Employer in any proceeding of the Workers Compensation Act nor shall the same be an admission of liability under said Act.
7. No action at law or inequity shall be brought by any person or persons to recover under any provisions of this section prior to the expiration of ninety (90) days after application for benefits and proof of death has been filed with the Employer pursuant to subsection "3".

D. Health Insurance Opt-Out Program

1. Association employees who are eligible for health insurance provided by another health insurance carrier and can provide proof of such coverage may elect to opt out of the Employer's insurance coverage. Health care opt out payments will continue unless prohibited by the Affordable Care Act (ACA) or it would create a financial penalty to the City under the terms of the ACA. If eliminated, the affected employees will be allowed an opportunity to enroll in the Employer's health care plan.
2. The health care opt out payment is \$150 per month. This amount will be used for any City authorized deferred compensation programs (ICMA 457 Plan).
3. This election shall take place annually. Emergency opt in shall be provided if the employee loses his/her eligibility for the alternate coverage. Upon submitting appropriate proof of loss of coverage, the employee shall be able to resume the Employer's insurance coverage.
4. Every individual employed by the Employer must be covered by health insurance.

5. Opt-out program annual enrollment is in December of every year.

ARTICLE 24. INCOME MAINTENANCE PLAN

- A. The Income Maintenance Plan provides permanent Association employees with an income allowance equal to 75% of their regularly assigned salary for a period of one (1) full year in the event of an illness or disability which prevents the employee from being at his/her regular employment with the Employer.
- B. The Income Maintenance Allowance begins for the employee at such time as he/she has exhausted all of his/her accrued sick leave and vacation benefits. Employees shall remain on the Employer's payroll and continue to have insurance premiums and retirement plans funded by the Employer in the manner outlined in Articles 22, 23, and 24 above. Employees shall not accrue vacation or sick leave credits.
- C. In the event the employee receives monies as a result of Workers' Compensation Law payments or as a result of payments made pursuant to the provisions of the Michigan No Fault Automobile Insurance Law, the income allowance will be reduced by an amount which will result in the employee receiving not more than one hundred percent (100%) of his/her regularly assigned salary during the period of illness or disability.
- D. All decisions relative to the degree of illness or disability of any employee, and whether or not the employee should or should not be at work will be made by the City's Physician, subject to appellate review by the City Manager. A decision made by the City Manager will be final and not subject to further review.
- E. An employee who returns to work after being absent on the income maintenance plan for more than six (6) months shall be ineligible to request implementation of the plan for the next six (6) months following his/her return.

ARTICLE 25. SHIFT PREFERENCE

- A. Where applicable, an employee may request the reason why he/she was denied his/her preferred shift assignment. Upon the employee's request, a meeting shall be held with the supervisor, Labor Relations, the employee, and his/her Association representative.
- B. Whenever possible, the Employer shall provide reasonable advance notice of at least 48 hours to an employee whose work schedule must be changed due to needs of service reasons. If a concern from an affected employee arises about the frequency of such changes, the Association may request a Special Conference according to Article 31 to discuss the concerns.

ARTICLE 26. SENIORITY

- A. Member List

The Employer shall maintain a current list of all employees covered by this Agreement. The Chairperson of the Association shall be provided with an updated list during the first quarter of the fiscal year.

B. Original Appointment

All original appointments shall be probationary and subject to a probationary period of six (6) months after appointment. At any time during the probationary period, the City Manager may rescind the appointment of an employee whose performance does not meet the required work standards. Any probationary employee who is so removed shall have no right to appeal such action to the Civil Service Board or Article 5-Grievance Procedure.

C. Layoff and Recall

Accrual of seniority shall be credited from the date that the employee became a member of the Association or at the time that the employee was hired into a position that is now covered under this Agreement, whichever is greater.

Two (2) or more persons who have the same seniority date within the Association shall have their seniority determined by totaling the last four (4) digits of the employee's social security number. The employee whose total results in the greater sum will be deemed to have the greater seniority.

D. Superseniority

1. In the event of layoff, elected board members of the Association (no more than five [5] as selected by the Association's Board) shall be retained in positions covered by this Agreement, regardless of their seniority, as long as they are able to perform the essential duties required of such positions. If an employee is placed in a position in a lower pay range, their current rate of pay shall be maintained until such time as the pay rate for the position in which they have been placed increases to the pay rate of the position from which they were displaced.
2. If an elected board member is not retained in a position covered by this Agreement, they will have preference for being called back, regardless of their seniority, in any position covered by this Agreement, provided they are able to perform the essential duties required of such position.

ARTICLE 27. WORKERS' COMPENSATION SUPPLEMENTAL BENEFITS

- A. Workers' Compensation is provided for employees injured on the job.
- B. Supplemental payments totaling the difference between the Workers' Compensation payment and an employee's normal weekly earnings, excluding overtime, will be provided for a period not to exceed twenty-six (26) weeks without charge to sick leave or vacation. The supplement shall be determined in such a manner that insures that an employee's Workers' Compensation and supplement when combined shall not exceed his/her regular allowable take home pay.
- C. Employees who receive sick leave compensation and who are subsequently awarded Workers' Compensation payments for the same period of time must reimburse the Employer for such amounts received as sick leave compensation. Reimbursement can be carried out through:
 1. Offsetting of the workers' compensation award received by the employee;

2. Deductions from the employee's regular wages (over a period of time and at such amounts that are mutually acceptable between the employer and the employee); or
3. A lump sum payment from the employee to the employer if approved by the employee.

Upon completion of full reimbursement, the employee's sick leave account will be credited with the equivalent number of days of sick leave. The repayment shall be at the after-tax value of the sick leave.

ARTICLE 28. INDEMNIFICATION AND DEFENSE FOR ENVIRONMENTAL ACTIVITIES

- A. The following provisions apply to conduct involving the disposal of Hazardous Material from any Employer site or compliance with any Environmental Law. However, these provisions will only apply to the conduct of an officer or employee who had a reasonable basis for believing that he or she was acting properly and within the scope of his or her authority.
 1. Whenever a claim is made or a civil action is commenced against an officer or employee of the Employer for injuries to persons or property caused by negligence of the officer or employee while in the course of employment and while acting within the scope of his or her authority, the Employer shall pay for, engage, or furnish the services of an attorney to advise the officer or employee as to the claim and to appear for and represent the officer or employee in the action. The Employer may compromise, settle, and pay the claim before or after the commencement of a civil action. Whenever a judgment for damages is awarded against an officer or employee of the Employer as a result of a civil action for personal injuries or property damage caused by the officer or employee while in the course of employment and while acting within the scope of his or her authority, the Employer shall indemnify the officer or employee or pay, settle, or compromise the judgment.
 2. When a criminal action is commenced against an officer or employee of the Employer based upon the conduct of the officer or employee in the course of employment, if the employee or officer had a reasonable basis for believing that he or she was acting properly and within the scope of his or her authority at the time of the alleged conduct, the Employer shall pay for, engage, or furnish the services of an attorney to advise the officer or employee as to the action, and to appear for and represent the officer or employee in the action.
 3. Definitions
 - a. The term "Hazardous Material" means any material or substance defined or which becomes defined as a hazardous substance, hazardous material, toxic material or hazardous waste under any Environmental Law; or containing radioactive, flammable, explosive or biological material, the presence of which requires investigation or remediation under any Environmental Law.
 - b. The term "Environmental Law" means any applicable federal, state, or local environmental, health, safety, or sanitation statute, law, regulation, ordinance, judgment, ruling, interpretation and order, or regulatory or administrative authority with respect thereto, including but without limiting the generality of the foregoing, all requirements of the Comprehensive

Environmental Response, Compensation, and Liability Act, as amended (42 USC 9601, et. seq.) and the Michigan Environmental Response Act, as amended, (MCLA 299.601 et. seq.).

4. The Employer will provide each employee with legal counsel for acts in the course of his/her employment which give rise to a cause of action under any civil or criminal action. The foregoing shall not apply to any cause of action arising out of (1) ultra vires [unauthorized acts]; (2) gross negligence or willful misconduct; (3) actions taken while under the influence of intoxicating liquor or controlled substances; or (4) workers' compensation claims, grievances, or other claims made against the Employer. The Employer will determine on a case-by-case basis whether or not to provide such counsel.

ARTICLE 29. SPECIAL CONFERENCE

- A. The Employer and the Association agree to meet and confer on matters of interest upon the written request of either party. The written request shall state the nature of the issues to be discussed and the reason(s) for requesting the conference. Discussion shall be limited in scope to the matters set forth in the request. The conference shall not be used to renegotiate provisions of this Agreement. Special conferences shall be held within fifteen (15) work days of receipt of the request. Each party shall be represented by not more than four (4) persons unless otherwise mutually agreed upon. A written summary of the conference discussion will be prepared by the Employer's representative and provided to the Association following the meeting.
- B. Employee representatives of the Association attending special conferences will be paid for time spent in special conferences, but only for straight time hours they would otherwise have worked on their regular schedule.
- C. Release of Association representatives to attend special conferences shall be arranged by the Labor Relations office.

ARTICLE 30. PARKING

- A. Access to free parking space in designated areas will be provided. Employees working in the government center complex will be provided priority access to parking in the Employer facility located at 300 Monroe NW. In the event this location is closed, temporarily inaccessible, or the daily parking demand is projected to exceed 500 spaces, parking will then be provided for these employees at another lot. Prior notice will be given to the employees under such circumstances.
- B. The City shall provide a payment to employees in the amount of 70% of the cost of the employee parking access card to Parking Services if the employee elects not to have a parking card to encourage the use of public transit, car-pooling, etc.

ARTICLE 31. WORK LIFE POLICY

The parties agree to arrange for interested representatives to serve on and encourage the important work of the Work Life Strategic Planning Committee.

ARTICLE 32. MEMORANDUMS OF UNDERSTANDING

A. IRS Flexible Benefit Plan (Child Care and Elderly Care Account)

The parties agree to implement an IRS Section 125 Flexible Benefit Plan that allows employees to establish a child care and/or an elderly care account on a pre-tax basis. The parties also agreed to discuss possible inclusion of other benefit deductions which may be legally allowable and feasible (no cost to the Employer) as provided for under the capability of the new computer system.

B. Health Insurance for Military Activated Employees

Health insurance for military activated employees shall be provided as outlined in Administrative Policy 14-1.

ARTICLE 33. MAINTENANCE OF STANDARDS

The conditions of employment as they exist at the time this Agreement is signed shall be maintained to the extent not inconsistent with the specific terms of this Agreement. All benefits applicable to the Association members that were contained in the Management Compensation and Fringe Benefits Handbook as of December 31, 1998, have been incorporated into this Agreement.

ARTICLE 34. SUPPLEMENTAL AGREEMENTS

All supplemental agreements modifying, clarifying, deleting from, or adding to the terms and conditions of employment provided under this Agreement are subject to being reduced to writing and must be signed by the duly authorized representatives of the Association and the Employer.

ARTICLE 35. CONTRACT REOPENER

The Association has the right to open this agreement upon request to engage in collective bargaining negotiations regarding active employee health care benefit levels, retiree health care benefit levels, fringe benefit levels, pension benefits, and wages in the event that the city imposes or negotiates a voluntary settlement, or reaches agreement as a result of an Act 312 award with another City bargaining unit regarding these issues that are more favorable than those provided in this voluntary Settlement. The reopener would not be applicable if the imposed changes or voluntary settlement or Act 312 award as a total package is equivalent to this voluntary settlement.

ARTICLE 36. DURATION/TERMINATION

This Agreement shall become effective July 1, 2016, and shall continue in full force and effect through June 30, 2019. The Agreement shall be automatically renewed annually thereafter unless either party gives written notice at least sixty (60) days prior to the expiration date or any anniversary date thereafter of a desire to modify or terminate the Agreement.

In witness whereof, the parties have caused this Agreement to be executed by their duly authorized representatives this 7th of December, 2016.
