AGREEMENT

THIS AGREEMENT is entered into as of the 1st day of July, 2016, between the 61st JUDICIAL DISTRICT COURT (hereinafter referred to as the “Employer” or the “Court”), and GRAND RAPIDS EMPLOYEES INDEPENDENT UNION (hereinafter referred to as the "Union.") It is the intent and purpose of this Agreement to assure sound and mutually beneficial working and economic relationships between the parties hereto, to provide an orderly and peaceful means of resolving any misunderstandings or differences which may arise, and set forth herein the basic and full agreement between the parties concerning rates of pay, wages, hours of employment and other conditions of employment.

RECOGNITION

Section 1.0. Recognition. Pursuant to and in accordance with all applicable provisions of Act 379 of the Public Acts of 1965 the Court recognizes the Union as the exclusive collective bargaining unit for those employees in the defined bargaining unit for the purpose of collective bargaining with respect to rates of pay, wages, hours of employment and other conditions of employment. The Court will not during the term of this Agreement aid, promote or assist in any way any labor group or organization seeking to represent the employees.

The bargaining unit consists of all employees, except those designated as excluded, holding positions in the classifications shown in Appendix A or which may hereafter be added thereto or changed as hereinafter provided.

Section 1.1. Definitions. For purposes of the recognition granted the Union and for purposes of this Agreement, the following definitions shall be applicable:

a. **Full-Time Employee:** A full-time employee is an employee who is working at least forty (40) hours a week on a regular basis in a job classified by the Court as permanent.

b. **Regular Part-Time Employee:** A regular part-time employee is an employee who is working less than forty (40) hours but at least twelve (12) hours per week on a regular schedule at a job classified by the Court as permanent.

The Court shall advise the Union at least seven (7) days prior to the effective date of the change in status of any employee.

Section 1.2. Seasonal Employees. The Court agrees that it will not make a series of seasonal hires for the purpose of filling the permanent bargaining unit position provided for in the budget. It is expressly understood that nothing contained in this Agreement will limit the rights of to hire seasonal employees in connection with various social action, intern, or the Court governmentally assisted programs, nor limit the rights of the Court to make seasonal hires to fill positions temporarily opened as a result of a leave of absence, sick leave, vacation or similar reasons. Before seasonal employees are hired by the Court during a time when one (1) or more bargaining unit members are laid off from employment by the Court, representatives of the
Court and the Union will meet for the purpose of reviewing the Court's decision to make seasonal hires and reviewing suggested alternatives made by the Union.

**Section 1.3. Distribution of Agreement.** The Court will post a copy of this Agreement on its internal website within a reasonable period of time following its execution.

**UNION RIGHTS**

**Section 2.0. Collective Bargaining Committee.** The bargaining committee of the Union will include not more than four (4) bargaining unit members who are employees of the 61st Judicial District Court. If more than one (1) member is selected for the Committee from any single department of the Court, if the needs of the service require, the Court may refuse permission for more than one (1) member from the Department to be absent at the same time. It may also include non-employee representatives of the Union, not more than four (4) in number. The Union will give to the Court in writing the names of its employee representatives on the bargaining committee on or before January 1 immediately prior to the expiration of the Agreement. Permanent substitutions made in the Union bargaining committee shall be promptly reported to the Court. Employee members of the bargaining committee will be paid by the Court for time spent in negotiations with the Court but only for the straight-time hours they would otherwise have worked on their regular work schedule. For the purpose of computing overtime, time spent in negotiations shall be considered as hours worked to the extent of the regular work schedule hours which otherwise would have been worked by the Committee person.

**Section 2.1. Special Conferences.** The Court and the Union agree to meet and confer on matters of interest upon the written request of either party. The written request shall state the nature of the matters to be discussed and the reason(s) for requesting the meeting. Discussion shall be limited to matters set forth in the request, but it is understood that these special meetings shall not be used to renegotiate this Agreement. Special meetings shall be held within ten (10) working days of the receipt of the written request and shall be held between 8:00 a.m. and 4:00 p.m. at a time and place designated by the Court. Each party shall be represented by not more than four (4) persons at special meetings, unless otherwise agreed upon by the parties. The Union representatives may meet at a place designated by the Court, on the Court's property, for a period not to exceed one-half (1/2) hour immediately preceding a meeting for which a written request has been made. Employee representatives of the Union at special meetings will be paid by the Court for time spent in special meetings but only for the straight-time hours they would otherwise have worked on their regular work schedule. For the purpose of computing overtime, time spent in special meetings shall be considered as hours worked to the extent of the regular work schedule hours which they otherwise would have worked. The "Special Meeting and Grievance Pass for Union Officials" Form shall be used by a Union representative in order for the employee to be released from his/her regular work station with pay to attend a special meeting with the Court, provided the Court wishes to use such form.

**Section 2.2. Stewards.** Employees within the bargaining unit shall be represented by a Chief Steward and Stewards in areas of the Court employment in the number and manner set forth in Appendix B, with one of the Stewards designated as the Chief Steward. The Union shall furnish the Court a list every March and September of the names of the Chief Steward and the Stewards.
and their assigned areas and shall keep the list current at all times. When requested by an
aggrieved employee, a Steward shall be scheduled as soon as possible to investigate any alleged
or actual grievance in their assigned area of responsibility and to assist in its presentation
(including reducing the grievance to writing if necessary). The Steward shall be allowed
reasonable time therefore during working hours without loss of time or pay, upon notification
and approval of their immediate supervisor outside the bargaining unit. When an employee
presents his or her own grievance without intervention of a Union Steward, the Steward shall be
given an opportunity to be present and shall be allowed the time therefore, paid at his or her
regular rate, upon notification and approval of his/her immediate supervisor outside of the
bargaining unit. Union business, other than that cited above, shall be conducted so as not to
interfere with the work assignment of Stewards or any other employees, and only with the
permission of the Court. In the event the regularly assigned Steward is not available, a Steward
from another area or the Chief Steward or Executive Steward (President, 1st Vice President, or
2nd Vice President) may act on their behalf. If a disciplinary matter arises involving the Chief
Steward, the Union’s Executive Steward may represent the Chief Steward. The Steward or Chief
Steward shall be allowed reasonable time, paid at his or her regular rate, during his or her
regularly scheduled workday, to confer with the Court on matters affecting the administration of
this Agreement, upon notification and approval of his/her immediate supervisor outside of the
bargaining unit.

Section 2.3. Non-Employee Union Representative. A non-employee Union representative
may consult with employees in assembly areas before the start of each work shift or after the end
thereof.

Section 2.4. Identification of GREIU Representatives. The Court’s Administrator shall be
informed in writing of the names of the GREIU officers and any changes therein, within a
reasonable time after their selection or election.

Section 2.5. No Strike. The Union and employees agree that during the life of this Agreement
they will not cause, encourage, participate in or support any strike against the Court or any
slowdown or other interruption of or interference with the normal functions of the Court.
Violation of this paragraph shall be grounds for disciplinary action up to and including
discharge. Any employee who is accused of violating this provision and denies such alleged
violation may appeal to the grievance procedure. Upon a finding of fact that the employee did
violate the provisions of this article, the disciplinary action imposed by the Court shall not be
disturbed.

UNION SECURITY

Section 3.0. Checkoff. Upon written authorization from an employee covered by this
Agreement, the Court will deduct Union dues from the employee's pay on each payday.

Section 3.1. Remittance of Dues to Financial Officers. Deductions shall be remitted to such
address as shall be designated, to the designated officer of The Grand Rapids Employees
Independent Union, with an alphabetical list of names of all employees from whom deductions
have been made no later than ten (10) days following the date of which they were deducted.
The Employer shall additionally indicate the amounts deducted and notify the financial officer
of the Union of the names of the employees who, through a change in their employment status, are no longer subject to deductions and further advise said financial officer by submission of an alphabetical list of all new hires since the date of submission of the previous remittance of dues. The Union agrees to refund to the employee any amount improperly deducted by the Court and to limit the Court's liability to the remittance of dues actually deducted from the employee's pay.

**Section 3.2. Indemnification.** The Union will indemnify and hold the Court harmless against any claims made and against suit instituted against it on account of the application of this Article.

**MANAGEMENT RIGHTS**

**Section 4.0. Management Rights.** The Union recognizes that the prerogatives of the Court to operate and manage its affairs in all respects in accordance with its responsibility and the powers or authority which the Court has not officially abridged, delegated, or modified by this Agreement are retained by the Court. These Management Rights include, but are not limited to, the following:

Utilization of personnel, methods, and processes and manner of performing work; to manage and direct the work force; to hire, schedule, promote, transfer, assign, train or retrain employees in positions with the Court; to suspend, demote, discharge, or take other appropriate action against the employees for just cause.

To determine the size and composition of the work force, to eliminate or discontinue any job or classification and to lay off employees; to establish job qualifications for hiring and acceptable standards of job performance; to establish work rules, rules of conduct and safety.

To schedule work and overtime as required in the manner most advantageous to the Court. The Court will attempt to afford overtime assignments equally, insofar as practical, among employees who normally perform the work within a classification and department.

The Court, in exercising these functions, will not discriminate against any employee because of his or her membership in the Union.

**Section 4.1. Subcontracting.** The right of contracting or subcontracting is vested in the Court. Such right shall not be exercised for the sole purpose or intention of undermining the Union nor for the sole purpose or intention of discriminating against any of its members. No employee's job will be abolished through subcontracting without giving the Union thirty (30) days advance notice and only when it is not feasible or economical for Court employees to perform such work. During the thirty (30) day notice period, representatives of the Court and the Union will meet for the purpose of reviewing the Court's analysis of the feasibility or economics of the case and to give the Union an opportunity to make a proposal for adjustments of the contract to eliminate the need for such subcontracting.
SENIORITY

Section 5.0. Seniority. Seniority shall mean the status attained by length of continuous service with the Court since the employee’s last date of hire, provided, however that employees hired after July 1, 2007 as regular part-time employees will only accrue one half month of seniority for each month or portion of a month that they work as a regular part-time employee. A part-time employee who becomes full time shall have their accumulated part-time seniority credited on the full time seniority list provided that it is capped at one year of seniority. Seniority for all purposes under this Agreement shall include continuous service time with the City of Grand Rapids for those employees of record employed before January 1, 1989. Any individual employed on or after January 1, 1989, who has prior continuous service with the City of Grand Rapids shall have such service time credited only for the purpose of establishing seniority or service credit for time measured fringe benefits, such as vacation and sick leave accumulation and accrual, pension and longevity but not for purposes of layoff, recall, promotions and transfers, acting assignment or preference for vacation time off. Seniority shall begin with the last day of entering service of the Courts except as provided above. Two (2) or more persons who enter the service on the same day shall have their relative seniority determined by the person with the highest last four digits of their social security number having the greater seniority. The Court maintains a seniority list that shall be available to all employees through the Court's computer system and a copy provided to the Chief Steward when changes are made.

Section 5.1. Superseniority. In the event of layoffs, the designated Stewards shall be retained in positions in their respective areas of representation and the Chief Steward shall be retained in a position in Court service regardless of their respective positions on the seniority list so long as there is a position to be filled in their respective areas of service in the case of the Stewards or in the Court's service in the case of the Chief Steward which such Steward or Chief Steward has the ability to perform. It is the intention of this provision that Stewards and the Chief Steward will have only a right to remain in their respective areas of representation so long as there is work available which they can perform and not a right to occupy any specific position. If such person has the ability to perform the duties of more than one (1) position, he/she will be assigned to a position in a pay range as close to his/her present pay range as possible.

Section 5.2. Probationary Period. Employees hired in the unit shall be considered as probationary employees for the first six (6) months of their active employment as a full time or part time employee. The Court may increase the probationary period by an additional three (3) months with the written agreement of the Union. Employees who have not completed their probationary period may be disciplined, laid off, recalled, terminated or discharged at the Court’s discretion without regard to the provisions of this Agreement and without recourse to the Grievance Procedure. The Union shall represent probationary employees for the purposes of collective bargaining as to all other conditions of employment set forth in this Agreement. When an employee finishes the probationary period, they shall be entered on the seniority list of the unit. There shall be no seniority among probationary employees.

Section 5.3. Loss of Seniority.

a. Discharge if not reversed.
b. **Resignation.** An employee who is absent for three (3) consecutive normally scheduled workdays, without notifying his/her Departmental supervisor or the Court Administrator's Office of a valid reason for such absence, and who has no legitimate reason for not giving such notification of his/her absence, may be considered as having resigned.

c. **Unexcused failure to return to work when recalled from layoff, as set forth in the recall procedure.**

d. **Unexcused failure to return to work after expiration of a formal leave of absence.**

e. **Retirement.**

f. **Layoff for a continuous period of six (6) months or the length of an employee's seniority, whichever is greater.** Any employee recalled after a period of layoff of two years or more to a job where there have been substantial changes of job duties since the layoff may be subject to an evaluation by the Court to determine if they meet the minimum job qualifications of the job to which they have been recalled. Any decision of the Court to deny recall shall be subject to the grievance procedure.

**Section 5.4. Seniority Lists.** The Court shall maintain seniority lists of employees by departments, arranged in alphabetical order, showing the employee name, address, job title, department or division, and date of hire. The Court shall furnish a copy of any revised seniority list to the Chief Steward whenever changes are made to the seniority list.

**Section 5.5. Application of Seniority.** Seniority shall apply for purposes of vacation, layoff and recall, acting assignments, promotions and transfers, as otherwise provided in this Agreement.

**Section 5.6. Seniority Upon Promotion.** Any bargaining unit employee who transfers, demotes, or promotes to a non-bargaining unit position within the Court and returns to the bargaining unit shall return without any accumulated unit seniority except for the purpose of applying seniority to time measured benefits, such as vacation accumulation, pension and longevity in which case a person’s seniority shall be measured by an employee’s total service with the Court.

**WAGES/FRINGE BENEFITS**

**Section 6.0. Wages.** Wages for employees covered by this Agreement shall be in accordance with the schedule set forth in Appendix A.

**Section 6.1. Shift Differential.** For the purpose of this Section, the second shift is defined as any work period commencing between the hours of 1:59 p.m. and 9:59 p.m. The third shift is defined as any work period commencing between the hours of 9:59 p.m. and 4:59 a.m. The following shift differentials shall apply to full time employees: $.65/hour - 2nd shift; $.70/hour - 3rd shift.
Section 6.2. Pay Changes.

1. **Purpose.** The following provisions shall govern the assignment of pay steps to employees of the Court.

2. **Definitions for Purpose of this Article.**

   a. *Promotion* shall mean a change in employment to a position class which has a higher maximum salary.

   b. *Demotion* shall mean a change in employment to a position class which has a lower maximum salary.

   c. *Transfer* shall mean a change in employment to another position in any class which has the same maximum salary and similar duties and qualifications.

   d. *Reclassification* shall mean the changing of a position from one class to another based on the duties involved.

   e. *Salary Step Increase* shall mean an increase in compensation to the next higher step in the same pay range.

   f. *Acting Assignment* shall mean an assignment for a limited time to a position class as determined by the needs of the service; such assignment not involving promotion or change of status, notwithstanding any provision or rule to the contrary.

3. **Anniversary Dates For Salary Step Increases.**

   a. **Establishment**

      (i) *Original Employment and Re-employment.* The date one (1) year after completion of the probation period and the corresponding date each year thereafter.

      (ii) *Promotion.* The date one (1) year after completion of the trial period and the corresponding date each year thereafter.

      (iii) *Transfer.* The anniversary date remains unchanged.

      (iv) *Demotion.* The date six (6) months after the effective date thereof and the corresponding date each year thereafter.

      (v) *Reclassification.* The date six (6) months after the effective date thereof and the corresponding date in each year thereafter.
b. **Postponement of Anniversary Date.** Layoff, formal leave of absence or other separations from the payroll in excess of sixty (60) days shall postpone the anniversary date for the total period of separation, but time previously served toward the next anniversary date shall be credited when employees return to the payroll.

4. **Compensation Determinations.**

a. **Original Employment and Re-employment.** Employees shall be employed at the lowest step for their position class, unless the Chief Judge/Court Administrator determines that the needs of the service require that compensation be fixed at a higher salary step.

b. **End of Probation.** The employee's salary automatically increases to the next higher step at the end of the probationary period.

c. **Anniversary Date.**

(i) Prior to the occurrence of each anniversary date, every employee who has not already obtained his/her highest salary step shall be considered for a salary step increase on such date. Such consideration shall be made by the employee's supervisor.

(ii) Each consideration found to be in good order by the employee's supervisor shall be referred to the Chief Judge/Court Administrator for final determination.

(iii) Pay increases on anniversary dates shall not be based merely on the passage of time but, rather, shall be given based on merit relative to the requirements of the position. Employee performance shall be evaluated semi-annually; however, performance deficiency shall be brought to the attention of the employee as noted by the supervisor and documented. Merit increases shall not be denied except for proper cause.

(iv) In the event a pay increase is not given on an anniversary date, such increase may be given prior to the next anniversary date if the employee's work performance increases to a satisfactory level relative to the requirements of the positions. Accordingly, an employee shall be evaluated every three months and a satisfactory rating shall entitle an employee to the step increase.

d. **Promotion or Upward Reclassification.** Employees who are promoted or whose positions are reclassified to a class in a higher pay range shall initially be paid either (1) at the first salary step in such range which is
higher than the salary received immediately before such promotion or reclassification or (2) twenty cents ($ .20) per hour over their former rate, whichever is greater. Promoted or upwardly reclassified employees shall be eligible for a step increase six (6) months after date of promotion or upward reclassification.

c. **Working Out of Classification.** If filling a position on an acting basis becomes necessary, employees within the Department or Division affected will be given first preference for the position, then other Court employees will be given preference. Where consistent with the needs of the service, the acting assignment shall be offered to the most senior qualified employee in the appropriate classification in the department, as determined by the Court. If an employee works on acting assignment to a higher position class pursuant to a written order from the Court, the employee shall be paid either (1) at the first salary step in the acting assignment range which is higher than the employee’s current salary or (2) one dollar ($1.00) per hour over their former rate, whichever is greater, for all hours so worked, computed to the nearest full hour.

When an employee is regularly assigned for a part of his or her time to work that falls in another classification, the nature of the work and the amount of time on such assignment will be a proper consideration in establishing the classification to the position. If a formal training program to upgrade employees’ skills is put into effect, those employees who apply and qualify for such training will be paid at the rate of their regular job during such training period, and it is understood that the training program will not be utilized by the Court as a means to subvert the intent of the acting assignment provisions of this Section.

f. **Transfers.** An employee who is transferred shall initially be paid at the same salary step in effect immediately before such transfer.

g. **Demotion and Downward Reclassification.** An employee who is demoted or whose position is reclassified to a class in a lower pay range shall initially be paid at the same salary step in the range for the lower position which had been received in the higher position, unless the Chief Judge shall determine that it be in the best interest of the Court to assign a higher authorized salary step or unless he or she previously held a higher step in the lower class in which case he or she shall be at the higher salary step.

5. **Effective Date of Changes in Compensation.** All changes in compensation shall be effective on the day of the change.

**Section 6.3. Parking.** The Court will provide parking at the DeVos Center Ramp for GREIU employees who work at the 61st District Court and who drive their personal automobile to work on a daily basis at no cost to employees. In the event that location is closed, temporarily
inaccessible, or the daily parking demand is projected to exceed capacity, parking will then be provided for these employees at another lot. Prior notice will be given to the employees under such circumstances. For those employees who only commute with personal vehicles occasionally, arrangement will be made for the provision of temporary parking passes. Any employee who has occasionally used their personal vehicle to commute may at any time request and receive the restoration of full parking privileges. In order to encourage the use of public transit and car-pooling, employees eligible to receive parking paid at Court expense who elect not to have a parking card will be paid a parking incentive in the amount of 70% of the cost of the employee access card paid to Parking Services. Employees may add or drop parking card privileges on July 1, October 1, January 1 and April 1 of each year upon written request and Court Administrator approval.

Section 6.4. Bonding. Should the Employer require any employee to give bond, cash bond shall not be compulsory, and any premium involved shall be paid by the Employer.

Section 6.5. Tuition Reimbursement. Each employee in the bargaining unit will be eligible to receive reimbursement for the costs of college tuition in accordance with the following provisions:

a. The employee must receive a final course grade of a "C" or better or must pass the course if there is no grade given. Courses for reimbursement must be approved by the Court in advance.

b. Only tuition costs are subject to being reimbursed (e.g., books and lab fees would not be reimbursed.

c. Each employee may be entitled to receive reimbursement for up to 4 courses per fiscal year, maximum of $300 reimbursement for any course, subject to availability of funds.

d. Each request for tuition reimbursement shall be submitted to the Court Administrator along with a brief explanation as to how the course will benefit the employee in his/her employment with the Court.

Each request shall be considered on its merits and no request shall be unreasonably denied; except that limited availability of funds may cause some requests to be denied because funds are not available.

Section 6.6. Overtime. Purpose. The following provision shall govern compensation for overtime to employees of the Court.

1. Employees Covered.

a. Employees holding the positions listed in Appendix A are eligible for overtime compensation.
2. Definitions.

a. Normal workday and work week. The normal workday for full-time employees shall be eight (8) hours per day (not including lunch periods), five (5) consecutive days per week. The normal work week for all full-time employees shall be forty (40) hours per week, Monday through Friday, unless scheduled otherwise in accordance with Paragraph b. of this Section.

b. If work schedules are to be changed for more than five (5) consecutive workdays and the need for such change is known to the Court for more than seventy-two (72) hours in advance, openings on such work schedules shall be posted for at least twenty-four (24) hours and shall be filled on the basis of seniority within the classification within a department.

c. Overtime. Overtime shall consist of authorized work in excess of the normal number of hours in any scheduled work week/day, not including meal periods. Overtime shall be calculated rounded to the nearest tenth of an hour.

d. All overtime shall be authorized by a Court Supervisor. Employees so assigned shall work such overtime unless excused by a Court Supervisor. The Court will attempt to equalize overtime within a Department/Division among the respective classifications during the life of this Agreement.

a. Overtime shall be paid at one and one-half (1½) times the employee's hourly rate.

b. For the purpose of computing overtime, an employee absent on authorized sick leave with pay, jury leave with pay, holiday or vacation shall be considered to have worked his or her normal work shifts during such absence. Employees absent on unpaid leave shall not be considered to have worked during such absence.

c. (1) At the request of any employee eligible for overtime pay indicated to the supervisor at the time the overtime is worked, the supervisor may provide that, in lieu of payment for overtime, the employee be allowed time off with pay at the rate of one and one-half (1½) hours for each hour worked over the normal number of hours in his/her scheduled work week; provided that the employee has worked at least one-half (½) hour of continuous overtime, and provided further that any overtime worked during the lunch period must be initiated by the Court in order to qualify for compensatory time off. An employee may accumulate up to a maximum of one hundred twenty (120) hours in a calendar year. Compensatory time can only be accrued and utilized in one tenth (1/10) of an hour increments. Any accumulated compensatory time not used or paid out within the calendar year in which it was accrued will be paid to an employee at the employee's regular hourly rate as of December 31, provided that upon request an employee may carry
over up to forty (40) hours of compensatory time into the next calendar year.

(2) Any such time off shall be taken at a time mutually agreed upon by the employee and his/her supervisor. All compensatory time earned during a calendar year must be used within the calendar year.

(3) Employees may request payment of earned compensatory time at any time during the calendar year. Payment will be based on the rate of pay in effect at the time of the request and will be processed with the next regular payroll cycle. Any accumulated compensatory time not used or paid out within the calendar year in which it was accrued will be paid to an employee at the employee's regular hourly rate as of December 31.

(4) This compensatory time provision will be administered in accordance with State and Federal law.

Section 6.7. Call Back Pay. An employee called to work at a time other than his or her scheduled work shift shall be credited with a minimum of four (4) hours at his or her regular hourly rate, or with the actual hours worked at one and one-half (1½) times his or her hourly rate, whichever is the greater, unless such time shall be continuous with his or her scheduled work in which case the employee shall be paid at his or her overtime rate. This provision shall apply to those employees who have completed their regularly scheduled work week and are required to report to work for work on Saturday.

Section 6.8. Bargaining Unit Work. Supervisory personnel outside of the bargaining unit shall not, except in emergency situations, or for instruction purposes, perform overtime work normally performed by employees covered by this Agreement if they gain thereby any benefit in the form of compensatory time off or overtime pay. In the event that it is found that supervisory personnel are regularly performing work which is normally assigned to bargaining unit personnel, the Court will make every effort to correct the situation as quickly as possible. These provisions will not apply to emergency or instructional situations.

Section 6.9. Saturday or Sunday Work. An employee shall be paid one and one-half (1½) times his/her hourly rate for all hours worked on Saturday and Sunday, except for employees whose regular work schedule includes Saturday and Sunday.

Section 6.10. Rest Period. The Court will endeavor to provide employees a fifteen (15) minute break period during the approximate middle of the first half of their workday and a fifteen (15) minute break period during the approximate middle of second half of their workday. All break periods will be scheduled by the Court so as to not interfere with the prompt and efficient service to the Court and the public. Break periods may not normally be taken adjacent to the end of an employee's work day or adjacent to a meal period.

Section 6.11. Use of Personal Vehicles for Work Purposes. Employees properly authorized and directed by the Court to use their personal automobiles in the performance of Court business
shall be paid in accordance with the City of Grand Rapids Administrative Policy No. 69-03, (Section F – Personal Vehicle Mileage), as it may be amended from time to time by the City, for such use.

PENSION

Section 7.0. Pension Plan. The Pension Plan presently in effect for Court Employees under the provisions of City of Grand Rapids Pension Ordinance Article 1 (General Pension System Sections 1.190-1.230), Article 4 (Supplemental Allowance Benefit Sections 1.290-1.294), Article 6 (Thirteenth Check Pension Supplement – General Pension System Sections 1.302-1.319) and Article 7 (Medicare Supplement Trust Fund Section 1.320), as the same may be lawfully changed from time to time by the City of Grand Rapids in accordance with this section, shall be continued for the life of this Agreement. Amendments to the Pension Ordinance may be made and approved by the City Commission only to the extent that such amendments do not modify or diminish in any way and are not in conflict with the benefit levels or retirement options contained in the pension plan. The Union shall be notified of any proposed City Commission amendment(s) at least thirty (30) days prior to the submission to the City Commission, and the parties shall meet and confer regarding such amendment(s) upon request from the Union. A dispute regarding whether an amendment to the Pension Ordinance modifies or diminishes in any way or is in conflict with the benefit levels or retirement options contained in the pension plan is subject to the grievance and arbitration provisions of this Agreement, but all other disputes regarding the Pension Plan such as the payment of benefits under its provisions are to be resolved in accordance with the provisions of that Pension Plan and are not subject to the grievance and arbitration provisions of this Agreement.

Under this pension plan, the retirement benefit for normal retirement is an allowance equal to the employee's final average salary multiplied by the sum of (a) two and seven tenths percent (2.7%) times the employee’s period of credited service through June 30, 2012 to the nearest one-twelfth year and (b) one and eight tenths percent (1.8%) times the employee’s period of credited service after June 30, 2012 to the nearest one-twelfth year, up to a maximum multiplier of 97.5% for those hired prior to 1/1/2005 and 94.5% for those employees hired on or after 1/1/2005.

An employee’s final average salary is determined by an average of the employee’s three (3) highest calendar years of compensation during their years of employment while a member of the retirement plan, with the employee’s compensation calculated as the employee’s rate of salary including longevity pay and vacation pay, but excluding overtime pay, holiday pay and other fringe benefits. Normal retirement benefits are available at age 62 with 10 or more years of service or at any age with 30 or more years of service. Early retirement benefits, non-duty disability retirement benefits and duty disability retirement benefits are available to employees who meet the requirements for those retirements. All employees contribute 3.89% of their gross pay to the retirement plan, unless they have elected to have a higher multiplier for years of service on or after July 1, 2012. A complete summary of the benefits available under the Pension Plan is available through the City Retirement Office.

A 1% non-compounding pension escalator after four (4) years of retirement shall be applied to all employees who retire after March 24, 2009. The 13th check shall be eliminated for all
employees who retire after March 24, 2009, but those retirees would be considered as eligible
retirees for purposes of determining how the 13th check is calculated and distributed.

Section 7.1. Purchase of Service. Effective December 1998, an employee may purchase up to
twenty-four (24) additional months of credited service in increments of one (1) month by
contributing a percentage of the member's annual rate of compensation at the time of such
purchase. Any such period of purchased credited service shall be recognized solely for the
purpose of computing the member's life allowance as provided in Section 1.205 of the General
Pension System and not for determining eligibility for a benefit or for any other purpose. The
purchase rate, expressed as a percentage of compensation, shall be the age and service cost
component of the normal cost as determined by the system's actuary.

Section 7.2. Defined Contribution Retirement Plan. Employees hired on or after August 31,
2011 shall be placed in a DC Plan with an employer contribution level of six percent (6.00%) and
an employee contribution level of six percent (6.00%).

VACATIONS

Section 8.0. Vacation Allowance

a. An employee with less than five (5) years of continuous service shall earn eleven-
twelfths (11/12) of a workday of vacation for each calendar month of service to a
maximum of eleven (11) workdays per year.

b. Each new employee who has successfully completed the entrance probationary
period shall be credited with one (1) vacation day which may be used any time
thereafter.

c. On the first day of each calendar year following completion of the fifth (5th)
through nineteenth (19th) year of continuous service, an employee may accrue an
additional day (cumulatively each year) of vacation so that on January 1st following
the nineteenth (19th) year of continuous service an employee may be eligible for a
total of twenty-six (26) workdays of vacation, as follows:

d. An employee shall become eligible for one-twelfth (1/12) of the appropriate vacation allowance under subparagraph "a", "b", and "c" above each calendar month in which he or she works twelve (12) or more days.

Section 8.1. Vacation Definition

a. Service shall mean any period of time for which an employee receives wages.

b. Vacation Day shall mean a period of time equal to eight (8) hours of one (1) regularly scheduled normal workday.

c. Work Week shall mean a period of time equal to forty (40) hours or the normal number of hours worked by an employee during a regular work schedule.

d. Continuous Service shall mean service, as defined by "a" above, uninterrupted by resignation or discharge.

Section 8.2. Use of Vacation

a. The Court allows employees to submit written vacation requests for the next calendar year (January 5 through the following January 4) before October 31 of the immediately preceding year. During this advance vacation scheduling period, employees may request vacation time in periods of one or more complete weeks, and advanced vacations will be approved with due regard for seniority, employee preference, and needs of the service. If there are submitted vacation requests remaining after each employee has been allowed the opportunity to select one vacation period of one or more complete weeks, those vacation requests will be approved with due regard for seniority, employee preference, and needs of the service. Subsequent vacation requests must be in writing and should be submitted by the employee as far in advance of the period requested as possible. The Court will consider non-priority blocked vacation requests that are timely submitted in the order received, but reserves the right to refuse to allow an employee to take vacation at the time requested if such vacation would interfere with the efficient
operation of the Court. Vacations must be approved in writing by the Department Supervisor in advance no later than the workday before such vacation time is to be used. Exceptions may be made in emergency situations, or upon approval of the Court Administrator or Chief Judge. Vacation time may not be used in lieu of sick leave when an employee has sick leave available.

b. Employees shall be allowed to maintain a maximum accumulation of forty (40) days of vacation from one fiscal year to another. Any earned vacation in excess of forty (40) days shall be considered void, provided, however, that any employee may maintain a balance of 60 days between the period of January 1 and November 30.

c. A general paid holiday which occurs during a vacation period may be added thereto or to accrued vacation days.

d. Cash payment in lieu of unused vacation shall be made only upon termination of employment. Upon terminations, the employee shall be paid in full to the nearest one-half (½) day for all unused vacation up to a maximum of sixty (60) workdays provided that in the event termination is caused by the death of the employee the maximum payment limitation shall not apply.

Section 8.3. Vacation Buy-Back Program. A maximum of (3) three weeks can be sold back at two-third (2/3) value in the month of November. Employees who choose this option must maintain a minimum balance of 80 hours of vacation time after November 30.

GRIEVANCE PROCEDURE

Section 9.0. Grievance Definition. A grievance is any dispute, controversy or difference between the Court and a bargaining unit employee or employees on any issues with respect to, on account of or concerning the meaning, interpretation or application of this Agreement or any terms or provisions thereof. This shall not be interpreted to include arbitration concerning renegotiation of the Agreement or its parts. A grievance shall refer to the specific provision or provisions of the Agreement alleged to have been violated. Any grievance not conforming to the provisions of this paragraph shall be denied. At any step, the Court or the Union shall have the discretion to consolidate or combine multiple grievances relating to a single incident.

Section 9.1. Grievance Time Limits. The time limits established in the grievance procedure shall be followed by the parties hereto. If the time procedure is not followed by the Union or the employees represented by the Union, the grievance shall be considered settled on the basis of the Court’s last disposition. If the time procedure is not followed by the Court, the grievance shall automatically advance to the next step within Section 9.2, excluding arbitration. The time limits established in the grievance procedure may be extended by the mutual agreement of the parties provided the extension is reduced to writing and the period of extension is specified. Saturdays, Sundays and holidays recognized under this Agreement shall not be counted as working days under the time procedures established in the grievance procedure. All other days shall be considered to be working days, even if a particular employee does not actually work on that day.
Section 9.2. Grievance Procedure. Grievances will be processed in the following manner and within the stated time limits.

Step 1. Any potential grievance may be discussed verbally by the potential grievant and the Steward with the Supervisor and the Court Administrator. If the matter is not resolved in such discussion, it may be initiated as a grievance in Step 1a.

Step 1a. The grievance shall be reduced to writing, be signed by the aggrieved employee or group of employees and by the Steward, and be presented to the Department or Division Head within fifteen (15) working days of its occurrence, not including the day of occurrence. The grievance shall be prepared in detail and be dated. The Department or Division Head will reply to the grievance in writing within ten (10) working days of the date of the presentation of the written grievance, not including the day of presentation.

Step 2a. If the grievance is not settled at Step 1, the written grievance shall be presented to the Court Administrator within seven (7) working days after the Department Head's response is given, not including the day the response is given. The grievance shall be presented along with all pertinent correspondence to date. Within ten (10) working days of such presentation, not including the day of presentation, the Court Administrator shall meet with no more than three (3) representatives of the Union, one (1) of whom must be an aggrieved employee, provided that if the grievance is filed by more than one (1) employee, the Union may have present its representatives and aggrieved employees equal in number to Court representatives attending the meeting, not less than three (3). The Court Administrator will reply to the grievance in writing within ten (10) working days after the date of such meeting. Such reply will be given to the Steward either personally or by mail postmarked no later than the last day specified herein for such reply.

Step 2b. The Union may initiate its grievances at this Step 2 of the grievance procedure and must process them through Step 2 before they are taken to Step 3. A Union grievance is one in which a right given by this Agreement to the Union as such is alleged to have been violated or is one in which the employee's immediate supervisor did not take the action complained of or is one in which the action complained of represents Court policy. Such grievances must be initiated in writing within ten (10) working days of their occurrence, not including the day of occurrence. Within ten (10) working days of such presentation, the Court Administrator shall meet with no more than three representatives of the Union to discuss the grievance. The Court Administrator shall reply to the grievance in writing within ten (10) working days of such meeting, not including the day of presentation. If not settled by such answer, the grievance may be appealed to Step 3.

Step 3. Arbitration.

a. The Union may request arbitration of any unresolved grievance which is arbitrable by delivering a written request to arbitrate to the Court Administrator within forty-five (45) calendar days following the receipt of the Court's written disposition in Step 2 of the grievance procedure. If the Court fails to answer a
grievance within the time limits set forth in Step 2 of the grievance procedure, the Union may request arbitration by delivering a written request to arbitrate to the Court Administrator not later than forty-five (45) calendar days following the date the Court's written Step 2 disposition was due. If the Union does not request arbitration within the time limits established herein, the grievance shall be considered settled on the basis of the Court's last disposition.

The Court and the Union will arrange for a pre-arbitration conference within five (5) working days after the timely submission of a request to arbitrate. The purpose of the pre-arbitration conference shall be to attempt to resolve the dispute. If the matter cannot be resolved, the parties shall first attempt to mutually select an arbitrator to resolve the dispute. If the parties are unable to mutually agree upon an arbitrator, the Union shall request the Federal Mediation and Conciliation Service to provide a panel of seven arbitrators. If the Union does not submit a Demand for Arbitration with the FMCS within the time limits established herein, the grievance shall be considered settled on the basis of the Court’s last disposition.

The arbitrator shall be selected from the panel submitted by FMCS by each party alternately striking the name of an arbitrator. The Union shall strike the first name from the first panel of arbitrators and the parties shall alternate making the first strike in subsequent arbitrations. After six arbitrators have been struck, the remaining individual shall serve as the arbitrator. Should the parties mutually determine that any panel of arbitrators is unsatisfactory, that panel may be rejected and another requested.

b. The arbitration shall be conducted in accordance with the rules of the Federal Mediation and Conciliation Service (FMCS). The power of the arbitrator shall be limited to the interpretation and application of the express terms of this Agreement and shall have no power to alter, add to, subtract from or otherwise modify the terms of this Agreement as written. His decision on grievances within his/her jurisdiction shall be final and binding on the employee or employees involved, the Union and the Court.

c. The fees and expenses of the arbitrator shall be paid by the party which loses the appeal to arbitration except as the arbitrator directs otherwise. Each party shall fully bear its costs regarding witnesses and any other persons it requests to attend the arbitration. The Chief Steward may attend the arbitration hearing and such will not cause him/her to lose time or pay.

d. The grievant has the option to proceed to the Chief Judge in lieu of arbitration to satisfy Step 3 of the Grievance Procedure. The Chief Judge's decision shall also be binding on all parties.

**Section 9.3. Election of Remedies.** It is expressly understood and agreed that taking an appeal to the Arbitrator or Chief Judge constitutes an election of remedies and a waiver of any and all rights of the appealing party and any person or persons he, she or it represents to litigate or
otherwise contest the appealed subject matter in any court, administrative agency, or other forum.

Section 9.4. Payment of Back Pay Claims. Back wages and fringe benefits shall be paid to any employee upon a finding that said employee is entitled thereto, in such amounts as may be determined through the grievance procedure. No claim for back pay or wages and fringe benefits shall exceed the amount of pay or wages and fringe benefits the employee would otherwise have earned at his/her regular pay or wage rate and fringe benefits. Any such award shall be decreased by unemployment compensation during the recognized entitlement period. In addition, any such award may be reduced by income received from other employment, provided that the earnings from such a supplemental job held by the employee at the time of the disciplinary lost time shall be disregarded to the extent of the employee’s normal earnings from that job immediately prior to the disciplinary time off. Grievances concerning suspension or discharge shall initially be presented at Step 2a within seven (7) working days of the imposition of the disciplinary action.

DISCHARGE AND DISCIPLINE

Section 10.0. Discipline. In cases of discharge or discipline, a representative of the Court shall give prompt notice thereof to the employee and the employee's Steward or the Chief Steward. Such notice shall be confirmed in writing within three (3) working days following the day of discharge or imposition of discipline, excluding Saturdays, Sundays, holidays and the day of occurrence. In cases of letters of warning, such letters shall be given to the employee affected and a copy thereof to such employee's Steward or the Chief Steward. The affected employee will be allowed to discuss his/her discharge or discipline with his or her Steward. In the case of discharge or suspension, the Court will make available a room where the employee may discuss the matter with the Steward before being required to leave the Employer's property. The time allowed for such purpose shall not exceed a reasonable time as determined by the Court.

Section 10.1. Notice of Discipline.

a. In imposing any discipline on a current charge, the Court will not take into account any prior infractions which occurred more than two (2) years previously, provided the employee is not subjected to disciplinary action (excluding letters of warning), during the two (2) year period, nor impose discipline on an employee for falsification of his employment application after a period of two (2) years from his/her date of hire. In the event an employee completes two (2) years of service without a disciplinary action, letters of warning and/or suspension over two (2) years old shall be permanently removed from his/her personnel file upon request of the Court Administrator.

b. Every employee shall be entitled to and shall receive a copy of any and all notices or complaints filed by an employee, supervisor or any other Court officer or Department or Division Head in the employee's personnel record which relates to, is or may be made the basis for disciplinary action up to and including discharge of such employee by the Court.
Section 10.2. Reprimands. If the Court has the reason to warn or reprimand an employee, it shall be done in a manner that is consistent with good employee relationship principles.

Section 10.3. Drug and Alcohol Tests. The Court shall have the right to require an employee to be tested for the presence of alcohol or drugs if it has reasonable cause to believe that the Employee is under the influence of alcohol or drugs.

Section 10.4. Rules of Conduct. Rules of conduct dealing with job related activity by Court employees have existed for years, and will continue in effect. However, it is also recognized that since the Court is both a public institution and an agency whose personnel administer the civil and criminal laws, the conduct of its staff is also important for the proper operation of the Court. At a minimum, this means that Court personnel can be expected to observe the law at all times and that violation of the law constitutes unacceptable conduct by those whose duty it is to administer it. To that end, it is understood that the fact of conviction of either a felony or of a non-traffic misdemeanor which involves theft, fraud or dishonesty (including issuance of non-sufficient fund checks), an assaultive or sex offense, malicious destruction of property or possession or trafficking in drugs or controlled substances constitutes just cause for disciplinary action by the Court up to and including discharge.

LAYOFF AND RECALL

Section 11.0. Layoff Definition. Layoff shall mean the separation of employees from the active work force due to lack of work or funds or to abolition of positions because of changes in organization. Except as provided below, the layoff of permanent employees in any Department or Division shall be in inverse order of seniority in the position classes affected. Temporary and probationary employees shall be laid off before any permanent employees.

Section 11.1. Demotion or Transfer in Lieu of Layoff. Except as provided below, an employee subject to layoff who so requests within three (3) days after receipt of notice of layoff, shall in lieu of layoff under Section 11.0 be demoted or transferred by the Court in accordance with his or her seniority to an equal or lower paying position in the bargaining unit which he or she is able to perform and qualified to fill, in the following order of priority, provided however, that such employee has more seniority than the employee being displaced:

a. The least senior employee in the employee's classification. If none, then:

b. The least senior employee in the next lower classification. If none, then:

c. The least senior employee in the second lower classification.

d. This process shall be repeated until no further displacement is possible.

The Court shall have the exclusive right to determine such person's ability and qualifications to fill a position with recourse to the grievance or other appeals procedure. The Court shall determine such person's ability and qualifications to fill a position by administering such tests as it may deem appropriate. It is understood, however, that an employee shall be deemed to be
qualified to fill all classifications in a job series (i.e., Clerk-Typist, Deputy Court Clerk I, II, III and IV; Court Recorder, and Court Bailiff I, II and III) which are below his/her present job classification.

It is also understood that a Court Recorder who is not re-appointed by a newly elected Judge will be treated as if that individual had been laid off and may be demoted in lieu of layoff.

If an employee (other than a Court Recorder) is demoted or transferred in lieu of layoff and his or her regular classification subsequently becomes available, he or she shall thereupon be promoted or transferred back to his/her regular classification.

Section 11.2. Exceptions to Seniority. The Chief Judge may approve deviations from seniority in layoffs or demotions in lieu of layoff when seniority alone would result in retaining employees who are physically or mentally unable to perform the full scope of their duties or unable to maintain a satisfactory level of performance in the Department or Division affected. In such cases, the affected employees shall be given written notice of the determination and the reasons therefore.

Section 11.3. Notice of Layoff. The Court will endeavor to provide employees to be laid off indefinitely with at least thirty (30) calendar days advance notification, but employees to be indefinitely laid off must be given at least ten (10) calendar days prior notice except in situations beyond the control of the Court.

Section 11.4. Recall from Layoff.

a. Employees to be recalled from layoff shall be given a minimum of ten (10) calendar days to respond after notice has been sent by certified mail to their last known address.

b. Employees who decline recall or who, in the absence of extenuating circumstances, fail to respond as directed within the time allowed, shall be presumed to have resigned and their names shall be removed from seniority and preferred eligible lists.

c. Names shall remain on the recall list for six (6) months or the length of their seniority, whichever is greater, unless removed as provided. Employees shall be recalled from layoff or shall be restored to positions from which demoted before any other persons are selected for employment or promotion in those classes; provided, however, they have the ability and qualifications therefore as determined by the Court or as provided in Section 11.1 above.

Section 11.5. Layoff Compensation. Under the Michigan Employment Security Act for public employees, the Court has elected to become a reimbursing employer for unemployment compensation. The Michigan Employment Security Commission will review all applications for unemployment compensation and those individuals eligible under the Act will be paid their benefits directly from the State, in accordance with the MES Act.
PROMOTIONS/VACANCIES

Section 12.0. Vacancies. When the Court elects to fill a newly created or vacant position(s) within the bargaining unit, the position(s) shall be posted for a period of at least seven (7) workdays and advertised externally in such a manner as considered appropriate by the Court. The internal posting will set forth the title, salary range, and the requirements for the position and shall be posted in each Department/Division. Interested employees shall apply in writing within the seven (7) workday posting period. Although not required, the Court may administer any written or oral test it considers necessary or appropriate to evaluate applicants. The Court, however, shall not be required to release scores and rankings. All applicants, internal and external, will be assessed based upon the Employer’s assessment of the best qualified candidate for the position, provided, however, that qualified lateral applicants from the same classification will normally be given preference before selection of an individual from for promotion from another classification or for the selection of an external candidate. An applicant who has more seniority than the individual selected for the vacancy will, upon request made in writing, be given a statement of the reason(s) why the applicant was not selected, provided however it is understood that the Court's decision and selection and the reasons given therefore are not subject to challenge in the grievance and arbitration procedure. A copy of the list of applicants will be sent to the Chief Steward along with the name of the person who was awarded the position.

Section 12.1. New or Changed Job. Existing classifications and job descriptions may be changed during the term of this Agreement, but only after written notice of intended change is given to the Union and, if requested within ten (10) days thereafter, a special meeting is held thereon. New positions may be established and the salary range determined by the Court in accordance with Court Budget requirements. The parties will negotiate as to whether or not new or changed positions should be included in the bargaining unit. Failing agreement, the matter shall be resolved through determination by the Michigan Employment Relations Commission. If any bargaining unit job is changed or newly created, the rate of pay shall be subject to negotiation by the parties.

Section 12.2. New Job Probationary Period. Court employees who have completed their initial probationary period and who are promoted will be required to serve a trial period of six (6) months. During that trial period, the employee's performance shall be evaluated at the end of three (3) months and the appointment shall become final if a final evaluation at the end of the six (6) month trial period is satisfactory. If the six-month evaluation shows that the employee's performance is not satisfactory, the employee shall be returned to his/her previous position. During the first month of the trial period, the employee may elect to return to his/her previous position. After the first month, the employee may return to his/her prior position only upon approval of the Court.

4. The parties agree that the sick leave provisions of Section 13.0 of the Labor Agreement between the Court and the Union shall not apply in the following circumstance. No benefits shall be paid to any employee claiming said benefits if the employee is found to have performed any work while on sick leave. For purposes of this stipulation, the term "any work" shall not include such work activity in and around the home of the employee when said work is not detrimental to recovery from the illness or injury causing the absence as determined by the City Physician.
F. **Substantiation.** An employee shall provide such medical substantiation for use of sick leave as may be required by his/her Department Head. Intentional falsification of any sick leave affidavit or fraudulent use of sick leave shall be grounds for disciplinary action up to and including discharge.

G. **Physical Examination.** An employee on authorized absence for more than ten (10) days due to illness or for any period due to injury shall return to duty only after an examination and release for work by the Court Physician. In the event of a dispute, the question shall be subject to the grievance procedure and the grievance shall be presented at the Step 3 level.

H. **Pay for Unused Sick Leave.** Unused accumulated sick leave shall be paid to employees who resign or retire with ten (10) years or more of continuous service, to a maximum of ninety (90) days at the rate of One Dollar ($1.00) per day times the years of continuous service for employees retiring, and at the rate of Fifty Cents ($0.50) per day times the years of continuous service for persons resigning.

As an alternative to the One Dollar ($1.00) per day payment for unused sick leave above, an employee may elect to convert unused sick leave to up to one (1) year of credited service under the City of Grand Rapids General Retirement System as provided herein. An employee shall not be paid for any remaining hours of sick leave under the payoff provisions above after converting to the maximum of one (1) year of credited service.

Employees who participate in the City of Grand Rapids General Retirement System who retire or separate with a deferred retirement with ten (10) or more years of continuous service may elect to receive pension service credit for unused sick leave. Two thousand and eighty (2080) hours of sick leave shall be required to achieve one (1) year of pension service credit. Lesser amounts shall be converted on a pro-rated basis as determined by the retirement systems office. Any such additional credited service received upon conversion if unused sick leave upon retirement or separation with a deferred retirement under these provisions shall be used solely for the purpose of computing the member’s life allowance and shall be subject to the percentage caps of Section 7.0.

I. **Notification.** An employee who expects to be absent on sick leave must personally notify his/her Department Supervisor or the office of the Court Administrator as promptly as practical, depending on the circumstances, not later than the beginning of his/her scheduled shift. Failure to do so may result in denial of his/her claim for paid sick leave. The employee shall report his or her status every third working day of absence unless hospitalized.

J. **Conversion of Sick Leave to Paid Personal Leave.** On January 1st of each calendar year, employees with five (5) or more years of continuous service with the Court are eligible to convert accumulated paid sick leave to paid personal leave in accordance with the following:
1. At the end of each calendar year, the sick leave balances of all employees with five (5) or more years of service will be checked to determine if the following minimum sick leave accrual requirements for conversion of paid sick leave to paid personal leave have been satisfied:

(a) Employees with at least five (5) but less than ten (10) years of continuous service with the Court must have at least three hundred and sixty (360) hours of accumulated paid sick leave in their accrual bank as of the immediately preceding December 31st to be eligible to convert any paid sick leave to paid personal leave.

(b) Employees with ten (10) or more years of continuous service with the Court must have at least seven hundred twenty (720) hours accumulated paid sick leave in their accrual bank as of the immediately preceding December 31st to be eligible to convert any paid sick leave to paid personal leave.

2. If an eligible employee’s sick leave accrual balance meets the required standards, the amount of paid sick leave necessary to bring the employee’s personal leave bank balance to forty (40) hours will be converted into paid personal leave. For purposes of this conversion, a day of paid sick leave will convert to eight (8) hours of paid personal leave.

3. Unused personal leave at the end of the calendar year shall remain in the employee’s paid personal leave bank. If there is any paid personal leave remaining in the employee’s paid personal leave bank at the time of separation from employment or at a time when an employee is appointed to a position which is not eligible for such a benefit, the unused paid personal leave hours will be reconverted to paid sick leave. Any payoff of reconverted paid sick leave hours shall be made in accordance with the provisions of Section 13.0(H) above.

Section 13.1. Donated Vacation or Compensatory Time. Should an employee covered by this Agreement become physically or mentally handicapped to the extent he or she cannot perform his or her regular job, the Court will make every effort to place the employee in a position that he or she is physically and mentally able to perform; in so doing, the Court will attempt to place the employee in a position as close as possible to his or her previous wage level. On an individual basis, employees within the bargaining unit may donate accrued compensatory or vacation time to another employee in the unit if (a) the recipient or a member of his/her immediate family (as defined in Section 13.0 A 1) is sick, or in the case of death of an immediate family member, and (b) all of the recipient's accumulated sick, compensatory and vacation time has been exhausted (or, in the case of vacation time, its use has not previously been approved by the recipient's supervisor). Time so donated shall be considered as time used and, in the case where the hourly rates of the donor and recipient are different, the dollar value of the time donated shall be adjusted to the nearest quarter hour.
Section 13.2. Jury Duty/Witness Leave. Employees shall be given leave of absence with pay for working time lost when called to serve on jury duty or if subpoenaed to give testimony involving their official capacity or work with the Court. Such employees shall be paid at their regular rate for all working time lost up to forty (40) hours per week. In consideration of receiving their regular pay, employees shall assign to the Court all remuneration received for jury duty or as witness fees during the same period, excluding mileage.

Section 13.3. Unpaid Personal Leave of Absence. The Court may in its discretion grant an employee a personal leave of absence without pay for reasons not covered by the FMLA for a period not to exceed thirty (30) calendar days. Requests for personal leave shall be in writing, signed by the employee, and given to the Court Administrator. Such requests shall state the reason for the leave. An extension of personal leave of absence may be granted by the Employer in its discretion, provided the extension is requested prior to the termination of the original leave period. No personal leave of absence may be granted for a period in excess of six (6) consecutive calendar months. No request for a personal leave of absence shall be considered approved unless such approval is in writing signed by the Court Administrator. Employees are eligible to use up to three (3) days each calendar year as unpaid leave without specification of the reason, provided that the Court Administrator or designated representative considers that staffing will allow the individual to be off work on the requested day.

Section 13.4. Military Leave. The reemployment of military service veterans shall be in accordance with the applicable statutes in effect at the time of the reemployment.

Section 13.5. Worker's Compensation Reimbursement. The Court shall, for a period not to exceed twenty-six (26) weeks, supplement without charge to sick leave or vacation, Worker's Compensation for employees injured on the job by the difference between Worker's Compensation and their normal weekly earnings, excluding overtime. The supplement shall be determined in such a manner that insures that an employee's worker's compensation and supplement when combined shall not exceed his or her allowable take home pay. In the event an employee receives sick leave compensation and subsequently such employee is awarded Worker's Compensation for the same period of time, the employee shall reimburse the Court for such amounts received as sick leave compensation and the Court shall credit the employee's sick leave account with the number of days so used as sick leave.

Section 13.6. Family and Medical Leave. Employees who have been employed for at least 12 months and have been employed for at least 1,250 hours of service during the immediately preceding 12 month period are eligible for leaves of absence for any one, or more, of the following reasons:

(a) The birth of a son or daughter, and to care for the newborn child;
(b) The placement with the employee of a son or daughter for adoption or foster care;
(c) To care for the employee's spouse, son, daughter, or parent with a serious health condition; and
(d) Because of a serious health condition that makes the employee unable to perform the functions of his or her job.

An eligible employee is entitled to a total of 12 workweeks of leave during a “rolling” 12-month period measured backward from the date an employee uses any leave. Ordinarily, unless complications arise, the common cold, the flu, ear aches, upset stomach, minor ulcers, headaches other than migraine, routine dental or orthodontia problems and periodontal disease are examples of conditions that do not meet the definition of a serious health condition and do not qualify for FMLA leave. The provisions of this section are supplemented by the Court’s Family and Medical Leave policy, and are further explained by the Family and Medical Leave Act of 1993 (FMLA) and the regulations promulgated under that act. Disputes regarding rights under the FMLA are to be resolved in accordance with the statutory procedure and are not subject to the grievance and arbitration procedures of this Agreement.

Section 13.7. Non-Duty Disability Leave. After completion of FMLA leave requested because of a serious health condition that made the employee unable to perform the functions of their job, a disability leave of absence will be granted to employees who are unable to work because of a non-work related injury, illness, pregnancy or other disability, subject to the right of the Court to require a physician’s certificate establishing to the satisfaction of the Court that the employee is incapacitated from the safe performance of work due to illness, injury, or other disability. A disability leave shall be with pay and benefits until such time as the employee has exhausted all accrued paid sick leave benefits and thereafter shall be without pay or benefits. This disability leave will continue for the period of the employee’s disability; provided, however, that an employee may not be on a disability leave for a period of more than six (6) consecutive months, including time spent on FMLA leave, or the length of their seniority, whichever is lesser. Extension of the leave may be granted by the Court in its discretion for an additional six (6) months in instances where the employee has a reasonable likelihood of being able to return during this period. The Court may request at any time, as a condition of continuance of a disability leave of absence, proof of a continuing disability. In situations where the employee’s physical or mental condition raises a question as to the employee’s capacity to perform the job, the Court may require a medical examination by a physician chosen by the Court at the Court’s expense and, if appropriate, shall require the employee to take a leave of absence under this Section. Employees who are anticipating a leave of absence under this Section may be required to present a physician’s certificate recommending that the employee continue at work and in all cases the employee’s attendance and job responsibilities must be satisfactorily maintained. Employees are required to notify the Court of any condition which will require a leave of absence under this Section together with the anticipated date for commencement of such leave. This notice shall be given to the Court by the employee as soon as the employee is first aware of the condition. All employees returning to work from a disability leave of absence must present a physician’s certificate satisfactory to the Court indicating the employee is physically or mentally able to return to work.
Section 13.8. Union Leave. The Court will grant a total of up to five (5) workdays of leave of absence with pay per year for members of the Union to attend functions of the Union, provided such leave is requested in advance and the needs of the service will not be adversely affected by such absence. Such days shall be accumulative for the life of this Agreement, and any balance shall be carried over to a successor Agreement, to a maximum of seven (7) days (56 hours).

Section 13.9. Return From Leave of Absence. When an employee returns from a leave of absence, he/she shall be returned to the position that was held at the time the leave was granted. Employees shall retain, but not accrue, seniority while on any leave of absence (except military) provided the leave is in excess of sixty (60) days.

Section 13.10. Humanitarian Transfer. Should an employee covered by this Agreement become physically or mentally handicapped to the extent they cannot perform their regular job, the Court will make every effort to place the employee in a position that employee is physically and mentally able to perform; in so doing, the Court will attempt to place the employee in a position as close as possible to their previous wage level.

Section 14.3. Holiday Pay Eligibility. In addition to holiday pay, employees required to work on a recognized holiday shall be paid one and one half times their regular rate of pay for all time worked on the holiday. INSURANCE

Section 15.0. Health Care Insurance. The City of Grand Rapids is the plan sponsor of a group health care plan covering certain hospitalization, surgical, medical, dental and optical expenses for City employees and their eligible dependents. Court employees and their eligible dependents participate in this group health care plan. A summary of the coverage available through the City’s group health care plan is contained in the Plan Booklet. The specific terms and conditions governing the group insurance program are set forth in detail in the Plan Document created by the City as the same may be changed from time to time.

Full-time employees are eligible to participate in the group insurance program no earlier than the first (1st) day of the premium month following thirty (30) days of employment with the Court in a full-time position. Employees electing to participate in the group health care plan shall complete the applicable forms.

Section 15.1. Employee Health Care Plan Contribution. Employees share in the cost of their health care coverage by paying a health care premium contribution each two-week pay period on a pre-tax basis. The employee health care premium contribution payment is 20.0% of the City’s actuarially estimated annual health care cost as applied with regard to the category of coverage (i.e. single employee, employee and one dependent, employee and two or more dependents) on a pretax basis. The City’s actuarially estimated annual health care cost is based upon the blended rate for all active employees and retirees who have not become eligible for Medicare or similar national health insurance benefits. In the fall of each year, the City receives an actuarial report that contains two separate calculations. The first calculation (which is to be used to set the rate of active and retiree premium sharing contributions) is the estimated cost to provide health care coverage to its active employees, retirees who have not become eligible for Medicare or similar national health insurance benefits, and their eligible dependents for the upcoming calendar year. The second calculation, which does not affect the rate of the active and retiree premium sharing contribution and which is included hereby solely for reference) is the estimated cost to provide health care coverage to the retirees who are age 65 and older, or who have become eligible for Medicare or other similar national health insurance benefits and their eligible dependents for the upcoming calendar year. These estimated cost figures are utilized for health care contribution purposes effective on the first pay day on or after January 1st of the upcoming calendar year. Employees shall be required to pay 1/26th of their percentage portion of the annual health care cost each pay period.

Section 15.2. Retiree Health Care Coverage. The City of Grand Rapids is the plan sponsor of a group health care plan covering certain hospitalization, surgical, medical, dental and optical expenses for retired City and Court employees and their eligible dependents. Retired Court employees and their eligible dependents participate in this group health care plan. A summary of
the coverage available through the City’s group health care plan is contained in the Summary Plan Document (For the City of Grand Rapids Unified Health Care Plan).

A. **Defined Benefit Retiree Health Care** for employees hired before March 24, 2009 who were vested in the City’s General Pension System on or before June 15, 2009 and did not elect to convert to the Defined Contribution Retiree Health Care program. Employees who have met the vesting requirements of the City defined benefit pension system on or before June 15, 2009 and did not elect to voluntarily convert to the defined contribution retiree health care program shall continue to be covered in the City’s Defined Benefit retiree health care system, prior to becoming eligible for Medicare or similar national health care benefits, under the following terms and conditions:

1. **Eligibility for Employer contribution to health insurance plan.** The City will pay the hospitalization premium for the retiree and his/her dependents from the time the employee retires and until the time such retiree becomes eligible for Medicare or similar national health insurance provided that: 1) the employee retires with thirty (30) years of service and is at least 50 years old; or 2) the employee is at least 62 years old and has eight (8) years of service; or 3) the employee is disabled pursuant to the provisions of the pension ordinance.

If a member who retires after January 1, 1997, under the above provisions dies prior to becoming eligible for Medicare or similar national health insurance benefits, the City shall provide insurance coverage at its cost for the member’s dependents until such time as the member would become eligible for Medicare or similar national health insurance benefits. In addition, such coverage will also be provided if an active employee had reached 20 years of service at the time of his/her death.

2. **Employer contribution to health insurance plan.** The City will make a contribution towards the percentage portion of the cost of the service and disability retiree health insurance, prior to becoming eligible for Medicare or similar national health care benefits, not covered by the retiree direct contribution (the “City Contribution”) based upon the number of completed months of credited service the retiree had with the Court as of their date of retirement. The minimum eligibility for any City Contribution towards retiree health insurance costs is 96 months of credited service, with the amount the City will contribute increasing by each complete month of credited service (at .29167% per month) in accordance with the following:

- 96 months of service 23.0%
- 108 months of service 26.5%
- 120 months of service 30.0%
- 132 months of service 33.5%
- 144 months of service 37.0%
- 156 months of service 40.5%
- 168 months of service 44.0%
180 months of service 47.5%
192 months of service 51.0%
204 months of service 54.5%
216 months of service 58.0%
228 months of service 61.5%
240 months of service 65.0%
252 months of service 68.5%
264 months of service 72.0%
276 months of service 75.5%
288 months of service 79.0%
300 months of service 82.5%
312 months of service 86.0%
324 months of service 89.5%
336 months of service 93.0%
348 months of service 96.5%
360 months of service 100%

The amount of their actual months of credited service notwithstanding, the City Contribution for disability retirees and for other than disability or deferred retirees, prior to becoming eligible for Medicare or similar national health benefits, who retire at or after age 62 will be calculated as if the retiree had worked 360 months of credited service. In the event that the retiree does not have sufficient months of credited service to receive a City Contribution equal to 100% of the City’s percentage portion of the retiree health insurance cost, the retiree or the eligible surviving spouse of the deceased eligible retiree, prior to becoming eligible for Medicare or similar national health care benefits, will be required to pay the remainder of the City’s percentage portion of the retiree health insurance cost in addition to the retiree direct contribution amount.

3. **Deferred retirees.** Individuals who at the time of leaving Court employment do not begin to receive a retirement benefit payment from the defined benefit retirement plan are not eligible to continue to participate in the City health care plan except as provided under COBRA and are not eligible for any City contribution towards retiree health care costs. Deferred retirees may not reenter the City health care plan at a later date.

4. **Service and Disability Retirees.** Employees who retire as service retirees or disability retirees, prior to becoming eligible for Medicare or similar national health care benefits, are eligible to continue to participate in the City of Grand Rapids group health care plan. Eligible service or disability retirees who decline to participate in the City’s health care plan shall not be eligible to reenter the City health care plan at a later date. A service retiree is an individual who immediately upon leaving active County employment is eligible for and is receiving a retirement allowance for Age and Service Retirement (Section 1.203), Early Retirement (Section 1.208), or Special Early Retirement (Section 1.209), but does not include an individual receiving a retirement allowance for a Deferred
Retirement (Section 1.209.3). A disability retiree is an individual who immediately upon leaving active Court employment is eligible for and is receiving a retirement allowance for Non-Duty Disability Retirement (Section 1.209.1) or Duty Disability Retirement (Section 1.209.3).

5. **Beginning date for retiree health insurance coverage.** Service retirees can begin retiree health care benefits, prior to becoming eligible for Medicare or similar national health care benefits, at age 50 with 30 years of service or at the applicable City pension system's normal age and service retirement at their earned percentage. Disability retirees can begin receiving retiree health care benefits, prior to becoming eligible for Medicare or similar national health care benefits, when the disability retiree begins to draw a disability pension.

6. **Retiree Health Care Plan prior to becoming eligible for Medicare or similar national health care benefits.** The health care plan for retirees, prior to becoming eligible for Medicare or similar national health care benefits, shall be the same as provided to active employees including deductibles, co-payments, co-insurance, and benefit design changes, as the same may change through negotiations between the parties.

7. **Retiree Health Care Premium Sharing Contribution.** The premium sharing contribution to be paid by age and service and disability retirees, prior to becoming eligible for Medicare or similar national health care benefits, who retire on or after March 24, 2009, shall be the same as paid by active employees, as those benefits may be changed through negotiations between the parties. The retiree health care premium sharing payment would be applied uniformly without regard to the category of coverage (i.e. single retiree, retiree and one dependent, and retiree and two or more dependents, prior to becoming eligible for Medicare or similar national health care benefits.) The cost would be defined as the blended rate for all active employees and retirees, prior to becoming eligible for Medicare or similar national health care benefits.

8. **Retiree Health Care Spousal and Dependent Coverage prior to becoming eligible for Medicare or similar national health care benefits.** Coverage under the City's retiree health care plan, prior to becoming eligible for Medicare or similar national health care benefits, is limited to those individuals who are the spouse and/or qualified dependents of the retiree at the time the retiree began receiving a retirement allowance. In the case of a disability retirement, granted in accordance with the provisions of Section 1.209.1 of the City of Grand Rapids General Retirement System Ordinance, the spouse and qualified dependents of the retiree (at the time the disability retirement is granted by the Board) shall be eligible for retiree health care benefits until the time the retiree reaches or would have reached eligibility for Medicare or similar national health care benefits. If the retiree and the spouse at the time of retirement should have further children after retirement, such children by birth shall be also be considered to be a qualified dependent for the first two (2) of such births and/or adoptions only. No
further qualified dependents may be added due to birth or legal adoption after the retiree reaches age fifty (50).

9. Retiree Health Care for a Spouse and eligible dependents of a deceased Retiree. The spouse and eligible dependents of a deceased retiree continue to be eligible for coverage under the City's retiree health care plan through the time the retiree would have reached eligibility for Medicare or similar national health care benefits, provided that the retiree was participating in the retiree health care plan at the time the retiree died. The surviving spouse shall be eligible for City contributions towards the payment of retiree health care plan premiums on the same basis that the retiree was eligible. Eligibility for continued coverage in the City retiree health care plan, prior to the time the deceased retiree would have become eligible for Medicare or similar national health care benefits, and City contributions towards the payment of retiree health care plan premiums shall end if the former spouse becomes married to another individual or is covered by health insurance coverage under the plan of another employer.

B. Defined Contribution Retiree Health Care Program for employees hired before March 24, 2009 who were not vested in the City's General Pension System on or before June 15, 2009 and for employees who elected to convert from the defined benefit retiree health care program. Employees hired before March 24, 2009 who have not met the vesting requirements for the City defined benefit pension system as of June 15, 2009 and employees who elected to convert from the defined benefit retiree health care program shall be eligible only for a defined-contribution retiree health care savings account. These employees shall receive an Initial City Contribution into their Retiree Health Savings Account. This account will also be funded with ongoing contributions as follows:

(1) The employee will make contributions at the annual rate of $1,000 ($38.46 gross per bi-weekly payroll).

(2) The City shall make contributions at the annual rate of $1,750, payable in bi-weekly pay period increments (i.e. $67.30 gross per payroll).

If these employees separate from Court employment, they shall, in accordance with IRS regulations and plan provisions, be entitled to receive the Initial City Contribution to their defined contribution retiree health care savings account, the annual City contributions, their annual employee contributions, and all investment earnings from their defined contribution retiree health care savings account when they leave City employment.

The administrator of the health savings plan was selected by the City after consultation with GREIU.

C. Defined Contribution Retiree Health Care Program for employees hired on or after March 24, 2009. Employees hired on or after March 24, 2009 shall be eligible only for a defined-contribution retiree health care savings account. To aid new employees in
making their Employee Contribution to their Retiree Health Care Savings Account, their Employee Contribution shall step up their employee’s anniversary date coinciding with their step increases to permit them to provide increasing Employee Contributions in accordance with the following:

(1) After six months of service, new hires shall make contributions at the annual rate of $375 ($14.42 gross per bi-weekly payroll) for six months during which time the City shall make contributions at the annual rate of $750, payable in bi-weekly pay period increments (i.e. $28.85 gross per payroll).

(2) For the next one (1) year of service, the employee shall make contributions at the annual rate of $750 ($28.85 gross per bi-weekly payroll) during which time the City shall make contributions at the annual rate of $1,500, payable in bi-weekly pay period increments (i.e. $57.69 gross per payroll).

(3) For all years thereafter the employee shall make contributions at the annual rate of $1,000 ($38.46 gross per bi-weekly payroll) during which time the City shall make contributions at the annual rate of $1,750, payable in bi-weekly pay period increments (i.e. $67.30 gross per payroll).

Employees hired on or after March 24, 2009 shall vest in the City funded portion of defined contribution retiree health care system upon meeting the vesting requirements for the City defined benefit pension system. If employees hired on or after March 24, 2009 separate from Court employment prior to vesting in a City pension system, they will only be entitled to receive employee contributions and investment earnings on those employee contributions from their defined contribution retiree health care saving account.

Section 15.3. Death Benefit and Payment Plan.

a. The Court shall, at its expense, provide a $50,000 cash payment to each employee within the bargaining unit which benefit shall be payable to the beneficiary or beneficiaries of any such employee whose death does not result from an injury arising out of and in the course of his or her employment with the Court. Said benefit shall be payable to the beneficiary or beneficiaries of the employee's choice as designated on the "Designation of Beneficiary" forms which shall be provided by the Court and shall be kept on file in the Court Personnel Office. Employees shall have the right to change the beneficiary or beneficiaries at any time during their employment with the Court by executing a "Change of Beneficiary" form as provided by the Court. In case an employee dies and is not survived by a designated beneficiary, or fails to execute a "Designation of Beneficiary" form, said death benefits shall be payable to the administrator or executor of the estate of the deceased employee.

All rights to such death benefits shall terminate upon termination of employment by reason of discharge, retirement, resignation or layoff. Termination of employment shall be deemed to occur when an employee ceases to be employed by
the Court, except that any employee who is granted a leave of absence because of
disability or an approved maternity leave will nevertheless be considered still
employed. Termination of employment shall not be deemed to include an
employee who is under suspension for disciplinary reasons or an employee who
shall have been unlawfully dismissed.

b. In the event an employee dies and the employee's death occurs as a result of
personal injury arising out of and in the course of his or her employment with the
Court and the amount of benefits which would be payable under the Worker's
Compensation Act would amount to less than $50,000.00, the Court shall make a
lump sum cash payment equal to the difference between the amount of $50,000 and
the total Worker's Compensation benefits, to the employee's beneficiary or
beneficiaries designated on the "Designation of Beneficiary" form provided by the
Court, or in the absence of execution of said form, to the administrator or executor
of the employee's estate.

(1) For the purpose of determining the lump sum cash payment payable under
the provisions of this section, the Court shall compute the "total Worker's
Compensation benefits" as of the date of the employee's injury under the
circumstances and considering the number of dependents at that time. The
"total Worker's Compensation benefits" shall be computed to include (a)
the total weekly benefits provided by the Worker's Compensation Act
multiplied by the number of weeks payable (present 500 weeks), (b)
medical expenses payable, (c) burial expenses payable, and (d) any
disability payments which have been paid or have become due for injury
which is the proximate cause of death.

(2) For the purpose of computing the "total Worker's Compensation benefits,"
the spouse and minor children of the deceased employee and any person or
persons partially dependent upon the deceased employee within the
meaning of the Worker's Compensation Act shall be considered wholly
dependent upon the deceased employee.

(3) Provisions of the Section 2b shall not be affected in any way by an
election by the dependents of a deceased employee to receive Duty
Disability Benefits under the provisions of the City Code in lieu of
benefits under the Worker's Compensation Act.

c. No benefits shall be payable under this section unless written application for such
benefits is filed with the Court by the beneficiary or beneficiaries of the deceased
employee designated on the "Designation of Beneficiary" form or by the
administrator or executor of the estate of the said deceased employee within one (1)
year after the employee's death or within one (1) year after the beneficiary,
beneficiaries, administrator or executor of the estate shall have knowledge or
reasonably should have knowledge of their right to make a claim, whichever occurs
later.
d. In the event that the beneficiary, beneficiaries or the estate of the deceased employee shall be paid benefits under subsection "a" thereof and compensation or benefits are subsequently paid or awarded for the same death to any person or persons under the Duty Disability Provision of the City Code or as a result of any proceeding instituted under the Worker's Compensation Act against the Court, the beneficiary, beneficiaries or estate of the deceased employee, as the case may be, shall be liable and shall repay to the Court the amount equal to the compensation of Duty Disability Benefits which are paid or awarded up to the sum of $20,000.

e. In the event that an employee dies within two (2) years after coverage is extended to the employee under this Section 2, and it is determined that the employee's death was due to suicide, no benefits shall be payable to any party or parties under this Section.

f. No determination, presumption or finding made by the Court in the application of any of the provisions of Section 2 shall be binding upon the Court in any proceeding of the Worker's Compensation Act nor shall the same be an admission of liability under said Act.

g. No action at law or in equity shall be brought by any person or persons to recover any provisions of this Section prior to the expiration of ninety (90) days after application for benefits and proof of death has been filed with the Court pursuant to subsection "c".

Section 15.4. Section 125 Plan. Employees covered by this Agreement may participate in the City's Section 125 Plan, as the same may be changed from time-to-time by the City. The terms of the Section 125 Plan are not incorporated into this Agreement and the City remains able to change the provisions of the Plan in its sole discretion.

Section 15.5. Insurance Carrier. The City reserves the right to select or change the insurance carrier or carriers, or to become a self-insurer, either wholly or partially, and to select the administrator of such self-insurance programs; provided, however, that the benefits provided shall remain substantially equivalent. Prior to changing carriers a special conference with the Union will be called to discuss the changes.

Section 15.6. Employees Not Needing Health Care Insurance. Court employees eligible for coverage under the City of Grand Rapids group health care plan who are also eligible for health care coverage provided by an employer other than the Court or the City of Grand Rapids and can provide proof of such coverage, may elect to opt out of the City of Grand Rapids group health care plan. Participating employees who opt out will receive $150.00 per month. This amount will be deposited in any City authorized deferred compensation programs (ICMA 457 plan). This election shall take place annually. Emergency opt in shall be provided if the employee loses his or her eligibility for the alternate coverage. Upon submitting appropriate proof of loss of coverage, the employee shall be able to resume the City's insurance coverage. Every Court employee must be covered by health insurance.
Section 15.7. Alternative High Deductible Health Care Plan. The City reserves the right to create an alternate high deductible health care plan with a City sponsored Health Savings Account (HSA) and offer that plan on a voluntary basis to active employees after consultation with the GREIU.

MISCELLANEOUS

Section 16.0. Bulletin Boards. The Court shall provide space for bulletin boards in mutually acceptable locations to be used by the Union for posting notices of interest to its members. The Union will supervise the placement of material on the Union bulletin boards. Only material authorized by the Chief Steward will be posted thereon. The Court will call to the attention of the Union any posted material it considers objectionable and it will have the material removed if it is inconsistent with the spirit of this Section.

Section 16.1. No Discrimination. The parties hereto agree that they shall not discriminate contrary to state or federal law. There will be no discrimination against any employee because of his/her duties as a Union official, steward, or committee member. The Court and the Union acknowledge their continuing responsibility to carry on equal employment practices whereby all employees will be given equal opportunity to be employed in positions which provide the greatest opportunity for use of their abilities.

Section 16.2. Maintenance of Standards. The Court agrees that all conditions of employment not otherwise provided for herein relating to wages, hours of work, overtime differentials and general working conditions shall be maintained at the standards in effect at the time of the signing of this Agreement, and the conditions of employment shall be improved wherever specific provisions for improvement are made elsewhere in this Agreement.

Section 16.3. Authorized Representatives. In the absence of the Court or Union representatives who are authorized by this Agreement to take a specified action, such action may be taken by the person whom the Union or the Court authorized in writing to perform such action.

Section 16.4 Supplemental Agreements. All supplemental agreements modifying this Agreement are subject to approval by duly authorized representatives of the Court and the Union.

Section 16.5. Validity. If any portion of this Agreement is found to be illegal, such illegality shall not in any way affect any other parts of this Agreement.
Section 16.6. Safety Committee. The Union and the Court agree to establish a Safety Committee consisting of not more than three (3) members appointed by the Union and three (3) members appointed by the Court. The committee shall meet at reasonable times for the purpose of considering and recommending action on Safety issues that may be of concern to Bargaining Union members or to the Court. Union members shall not lose time or pay for time spent during regular working hours in Safety Committee meetings. The Union and the Court will cooperate in the continuing objective to eliminate accidents and health hazards.

Section 16.7. Intent and Waiver. During negotiations, each party had the right to make proposals with respect to all bargainable matters. This sets forth the basic and full Agreement between the parties. During its life, neither will require the other to engage in further collective bargaining as to any matter whether mentioned herein or not, even though such matter(s) may or may not have been known or contemplated by the parties at the time of negotiations or signing of this Agreement.

Section 16.8. Term of Agreement. This Agreement shall be effective upon ratification and remain in full force and effect through June 30, 2019 at 11:59 p.m. and thereafter for successive periods of one (1) calendar year unless either party shall, on or before the one hundred eightieth (180) calendar day prior to expiration, serve written notice on the other party of a desire to terminate, modify, alter, negotiate change or amend this Agreement. A notice of desire to modify, alter, amend, negotiate or change or any combination thereof shall have the effect of terminating the entire Agreement on the expiration date in the same manner as notice of intent to terminate. The parties agree to meet within a reasonable time after service of the written notice to commence negotiations.

Section 16.9. Notice of Termination or Modification. Notice shall be in writing and shall be sufficient if sent by certified mail, addressed, if to the Union, at its regular address, Grand Rapids, Michigan, and if to the Court, to the 61st Judicial District Court, Grand Rapids, Michigan, or to any such address as the Union or the Court may make available to each other.

Section 16.10. Direct Deposit/Debit Card. All employees will be required to have their paycheck directly deposited into a bank or financial account or to receive their pay by means of a debit card. The Court will not use the disciplinary process to require employees to keep an account open.

IN WITNESS WHEREOF, the parties have caused this Agreement to be executed by their duly authorized representatives this 6th day of October 2016.

LETTER OF UNDERSTANDING REGARDING COURT RECORDERs AND JUDICIAL CLERKS

The normal work schedule as understood by the Court for Court Recorders and Judicial Clerks follows the hours of Court operation, which is from 8:00 am through 5:00 pm with up to an hour unpaid lunch period. The Court and the Union agree to allow Court Recorders and Judicial Clerks to request flexible work schedules in accordance with the following:

1. The proposed work schedule must be without financial cost to the Court and cannot involve acting assignment pay or scheduled overtime to cover the time that an employee would be off due to a flexible schedule. If the Court’s schedule causes the employee to work past the end of their flexible schedule the employee will be expected to adjust their schedule during the remainder of the work week so as not to exceed 40 for the work week. This can be achieved by the employee reporting to work later, taking a longer lunch or leaving earlier with the approval of their supervisor or the court administrator. The provisions of Section 6.6 shall not be applicable to employees working on a flexible work schedule. Employees on a flexible work schedule who work longer on a particular day than was anticipated when their schedule was approved shall, subject to the needs of the Court, be expected to modify the hours to be worked in a subsequent workday in that workweek to ensure that they do not work more than 40 hours in that workweek. These employees will be paid time and one half their regular rate of pay for all hours worked in excess of 40 in a workweek and for all hours required by the Court to be worked after 5:00 pm that are not part of their approved flexible schedule.

2. The proposed work schedule must not impair the Court’s ability to efficiently function. Employees must be able to cover for each other so that the flexible schedule does not affect judicial case processing.

3. The proposed work schedule cannot create any different work requirements for other Court employees.

4. In weeks when a holiday occurs, the employee’s schedule must be adjusted to insure that the employee works the same number of scheduled hours as full time employees not working a flexible schedule, which can include scheduling vacation.

5. The Court will review all requests for flexible schedules and will endeavor to approve those that satisfy the above criteria. In the event of potential conflict among employees requesting the same time off, the employees will be requested to submit revised work schedules to attempt to eliminate the conflict. The Court will normally resolve conflicts by giving a preference to the senior applicant subject to the needs of the service; but the granting of any flexible work schedule is in the sole discretion of the Court. Upon request, the Court will provide the Union with an explanation of its reasons to give preference to a less senior employee.
6. If the Court approves a flexible schedule, that employee will be provided with a written schedule of their work hours and the employee will be expected to continue on that schedule for a period of six (6) months, provided that the Court may approve change in emergency situations. The Court may modify an approved flexible work schedule on a temporary basis in order to achieve necessary staffing levels due to scheduled vacations or absences of employees due to an illness that lasts a week or longer. In addition, the Court may cancel an employee's previously approved flexible schedule with two weeks advance notification in instances where the Court determines that the flexible schedule is no longer appropriate. The employee within the first thirty (30) days of working a flexible schedule may revert to their previous schedule. The Union will be provided with a copy of the revised work schedule and will be required to agree with the proposed changes if any provisions of the existing Agreement other than Section 6.6 are modified to permit that proposed work schedule.

7. The provisions of this experimental flexible scheduling program may be terminated by either party upon five (5) working days’ notice. In the event of a termination of this experimental program, all employees working on approved flexible schedules will, within two (2) weeks of said notice, return to working the normal hours established by the Court.

LETTER OF UNDERSTANDING REGARDING HOLIDAY ARRAIGNMENT OVERTIME ROTATION

1. The Court has the responsibility to provide overtime to qualified personnel within the Court for the purpose of holiday arraignments. Qualified personnel is defined as an employee who has passed their initial probationary period and has been trained as a criminal clerk and trained with the Initiation Team. The Initiation Team Leader shall sign off and approve whether someone is considered qualified to perform weekend holiday arraignment duty. In the Initiation Team Leader’s absence the Clerk of the Court shall sign off and approve whether someone is considered qualified to perform weekend holiday arraignment duty. Each criminal team member shall be trained with the Initiation Team when the Court determines that there is available time and resources for such training. The Court will provide training for employees from other divisions who desire to volunteer for holiday overtime when the Court determines that there is available time and resources for such training. An employee must be determined qualified at the time the list is passed around before they can sign up for weekend duty. The minimum number of personnel required to cover all holiday arraignments will be three (3) clerks, a possible fourth clerk for extended holidays for the Initiation team. The schedule for holiday assignments for court recorders and judicial clerks will continue as they are currently scheduled.

2. Employees who are interested in working holiday overtime shall express their interest in writing no later than the 1st of December for the holiday group between January 5 and July 10 and no later than the 1st of June for the holiday group between July 11 and January 4. An individual shall indicate the position they wish to work at time of signup.

3. First option for holiday overtime will be offered to members of the criminal/initiation division on a seniority basis. The list of holiday slots shall be passed through the criminal/initiation division, starting with the highest seniority employee. An employee may sign up for as many vacancies as they wish at this step.

4. If vacancies remain after the previously described procedure, second option for holiday overtime will be offered to volunteers deemed qualified from outside of the criminal/initiation division on a seniority basis. An employee may sign up for as many vacancies as they wish at this step.

5. If vacancies remain after the previously described procedure, third option for holiday overtime will be offered to unqualified volunteers from outside of the criminal/initiation division. Unqualified volunteers will be offered an opportunity to sign up for vacancies if the court determines that there is available time and resources for such training. Approval of such training and signup shall be granted with due regard for seniority. An employee may sign up for one vacancy at this step.
6. If vacancies remain after the previously described procedure, the list of holiday slots shall be passed through the criminal/initiation division a second time. An employee may sign up for as many vacancies as they wish at this step.

7. If vacancies remain after the previously described procedure, employees within the criminal/initiation division who have not signed up for a holiday slot will be forced to work the vacant holiday slots. If only one employee falls in to this group, the employee will be used to fill all remaining vacant holiday slots that he/she may possibly work. In the event there are more vacancies than the number of employees who have not signed up for a holiday slot, all remaining slots will be filled by this group of employees by rotation, with the higher senior employee receiving first choice. If an employee is unable to sign up for a holiday slot because they are already signed up for the holiday(s), the list shall go to the next person in the rotation. If no employee in the group of employees who did not volunteer is able to fill the holiday slot, the list shall be filled by employees in the criminal/initiation division in inverse of seniority, with the number of employees matching the number of vacant holiday slots. The highest remaining senior employee receiving first choice. If an employee in this group is unable to work a holiday slot, the next most senior employee shall be forced to fill the slot.

8. In the event that all employees of the criminal/initiation division have signed up for a holiday slot, the remaining vacancies shall be filled by a number of employees within the criminal/initiation division matching the number of vacant holiday slots, in inverse order of seniority, with the most senior employee receiving first selection. Should an employee already be scheduled for the holiday(s) they shall be skipped with the next most senior employee forced to fill the slot.

9. No employee shall be forced to work if employee has previously scheduled vacation day before and after date of holiday arraignment. If an employee is unable to work on the day the employee is scheduled to work, the employee must immediately contact the clerk of the court or court administrator. 10. In the event that the employee does not work the holiday arraignment which they are scheduled to work and they did not secure a voluntary replacement to work that day, the employee will be required to fill one of the slots filled in steps 5/6. The slot to be filled shall be that of the most senior volunteer forced to work, if no forced volunteers are in the remaining schedule, then the employee shall fill the slot of the most senior forced non-volunteer. In the event there is no slot filled by an employee forced to work, the employee shall be the first employee to be forced during the next signup period, if necessary.

LETTER OF UNDERSTANDING REGARDING VOLUNTARY LAYOFF PROCEDURE

1. In the event the Court determines that it is necessary to reduce the number of employees within this bargaining unit, the Court will determine which positions will be eliminated and will select the employees for layoff in accordance with Sections 11.0, 11.1 and 11.2 and provide those employees with notice of layoff as required by Section 11.3. The Court will also advise the members of the bargaining unit of the positions to be eliminated and that employees not selected for layoff may volunteer for a temporary layoff. A copy of this notification will also be sent to the GREIU.

2. The employment rights of an employee on a temporary voluntary layoff under the collective bargaining agreement shall be similar to that of an employee on a regular layoff, and those employees will not earn vacation under Section 8.0 during the period of a voluntary temporary layoff, will not accrue paid sick leave under Section 13.0, will not accrue retirement credit and will not be eligible for health insurance paid for by the Court under Section 15.0. Employees on temporary voluntary layoff will however be afforded the following contractual rights that are not afforded to employees on regular layoff:

   (a) The period of the temporary layoff shall be mutually agreed between the employee and the Court, but cannot be for a period shorter than three (3) consecutive months. The Court reserves the right to recall the employee during the period of the voluntary layoff.

   (b) The period of time that an employee is on a temporary voluntary layoff shall not be considered a break in the employee’s length of continuous service with the Court for purposes of anniversary date under Section 6.2(3).

   (c) The period of time that an employee is on a temporary voluntary layoff shall not be considered a break in the employee’s length of continuous service with the Court for purposes of seniority accrual under Section 5.0.

   (d) The provisions of Section 6.3 shall not be applicable to a period of voluntary temporary layoff, and an employee’s continuous service shall not be considered broken for purposes of longevity payments.

   (e) The continuous service of an employee on a voluntary temporary layoff shall not be considered broken for purposes of determining advancement under the vacation accrual schedule under Section 8.0. An employee on a voluntary temporary layoff shall not be considered terminated for purposes of Section 8.2 and will not be eligible for a payoff of accrued but unused vacation.

   (f) An employee on a voluntary temporary layoff shall be considered to be an employee for the purposes of the death payments under Section 15.2.

3. Employees willing to volunteer for a voluntary layoff are required to advise the Court Administrator of this intent within five (5) working days of the notice requesting potential volunteers. If there are no volunteers, the layoffs shall be implemented as previously scheduled.

4. The Court will evaluate the qualifications of the employees selected for layoff to perform on a temporary basis the position held by the employee volunteering for the temporary
layoff. In the event that the Court determines that one or more of the employees selected for layoff is qualified to perform on a temporary basis the position held by the employee volunteering for the temporary layoff, the Court will discuss with the potential volunteer the period of time that that the temporary voluntary layoff will be in effect. In the event that mutual agreement is reached on the length of temporary voluntary layoff, an agreement will be executed by the Court, the employee involved and the Union memorializing the period and the terms of the temporary voluntary layoff, provided, however, that the Court will offer the position by seniority in the event that there are more qualified volunteers than temporary layoff positions. The Court reserves the right not to accept the offer of an employee to volunteer for a temporary layoff.

5. If the Court determines to accept the offer of an employee for a temporary voluntary layoff, the most senior employee (with reasonable training if necessary) scheduled for layoff shall be transferred to that position on a temporary basis. In the event that more than one of the employees selected for layoff are determined by the Court to be qualified to perform the position held by the employee volunteering for the temporary layoff, the Court shall have the discretion to determine the employee to be temporarily transferred to that position; provided, however, that the Court will offer the temporary transfer by seniority in the event that there are fewer qualified volunteers than employees to be laid off. In the event that it is necessary to transfer other employees in order to accomplish a voluntary layoff, the Court will follow the contractual provisions regarding acting assignments. An employee temporarily transferred under this provision shall be paid the lower of the rate of the transferred position or at the rate of their former position during the period of the temporary transfer. Upon completion of the period of the temporary voluntary layoff, the individual who volunteered for the layoff will be returned to their former position and the Court will lay off the individual temporarily transferred to that position.

6. In the event that the Court determines it necessary to implement additional layoffs while an employee is on a temporary voluntary layoff that would impact that employee through elimination of their position or by another employee bumping into their position, the temporary voluntary layoff shall be converted to a regular layoff from that date forward.

7. The Court reserves the right to terminate the voluntary layoff of any employee if it determines that the employee scheduled for layoff who was selected to perform on a temporary basis the duties of the employee volunteering for the layoff is unable to perform the duties in a satisfactory manner or if the Court determines for other reasons that this particular voluntary layoff should end. In that event, the employee who volunteered for the temporary voluntary layoff will be recalled to their former position and the Court will lay off the individual temporarily transferred to that position in accordance with the notification provisions of Section 11.3.

8. In the event that there are disputes regarding the implementation of this Voluntary Layoff Procedure, the parties agree to meet and discuss the matters in dispute.
9. The provisions of this voluntary layoff procedure may be terminated by either party upon five (5) working days' notice. In the event of a termination of this voluntary layoff program, all voluntary temporary layoffs will be terminated and the layoffs of employees that were avoided by the volunteers shall be immediately implemented in accordance with the notification provisions of Section 11.3.

(h) **Specialty Drugs.** The Court and the GREIU agree to incorporate by reference the Supplemental Agreement (Specialty Drug Utilization and Approval Process) between the GREIU and the City of Grand Rapids signed on September 4, 2013, as the same may be changed from time to time by the GREIU and the City of Grand Rapids.

4. **Employee Health Care Contribution.** The provisions of Section 15.1 notwithstanding, for plan years beginning on January 1, 2017 and January 1, 2018, the employee health care premium contribution payment will continue to be 20% of the City’s actuarially estimated annual health care cost as applied without regard to the category of coverage (i.e. single employee, employee and one dependent, and employee and two or more dependents) on a pretax basis. The change set forth in Section 15.1 to have the City’s actuarially estimated health care cost as applied with regard to the category of coverage (i.e. single employee, employee and one dependent, and employee and two or more dependents) will be effective with the plan year beginning on January 1, 2019.

6. **FMLA.** The Court FMLA policy will require that paid leave be utilized in the order of paid sick leave (only if available under the sick leave policy for that type of absence) and compensatory time. Vacation time will not be required to be utilized. The issue of mandatory concurrent use is not addressed by the addition of this language.

7. **Arbitrator Selection.** The parties set forth this understanding of the procedure which may be used to mutually select an arbitrator under the provisions of Section 9.2, Step 3. Either party may advance the names of up to three (3) proposed arbitrators. The other party may designate one of the proposed arbitrators as the mutual selection. The arbitrator shall be contacted and asked if he/she would be willing to accept the appointment. If the arbitrator declines the appointment, the procedure may be repeated. This Memorandum shall not serve to prevent either party from rejecting all proposed names and proceeding with or insisting on the filing with the Federal Mediation and Conciliation Service (FMCS).
8. **Part-time employees.** Part-time employees are excluded from all fringe benefits provided under the Master Agreement, unless specifically stated to the contrary.

9. **Reorganization.** The Court continues its ongoing reorganization into the Departments of Judicial, Administration, Probation and Clerk’s Office. For purposes of the promotion, transfer, layoff and recall provisions of this Agreement, the Court will recognize Judicial, Probation, Criminal/Traffic, Financial Management/Civil and Administration.

10. **Weekend Work.** In the event that the Court determines to implement regular work on weekends, the Court will provide the GREIU with at least fourteen (14) days advance notification of the implementation of regular weekend work and this Agreement shall be reopened for negotiations upon the request of either the Court or the GREIU to negotiate changes that either party believes appropriate to address the assignment of work on the weekends.

11. **Change in Existing Law.** The provisions of Section 16.7 and 16.8 notwithstanding, in the event that there is a change in existing law that allows an agency shop relationship, the Union has the right to reopen this agreement to bargain regarding modifications to the agreement on that topic rather than waiting to the end of the existing contractual period.

12. **Judicial Clerk and Court recorder Acting Assignment.** The provisions of Section 5.5 and 6.2 notwithstanding, the Court will offer Judicial Clerk and Court Recorder acting assignments to qualified individuals on a rotation basis and is not required to offer these acting assignments on the basis of seniority.

13. **Health care Plan Opt Out.** Section 15.6 Employees Not Needing Health Care Insurance will continue unless prohibited by the ACA or it would create a financial penalty to the City under the terms of the ACA. If eliminated, the affected employees will be allowed an opportunity to enroll in the City health care plan.

14. **Reopening of Negotiations.** In the event that the GREIU properly reopens the provisions of its collective bargaining agreement with the City of Grand Rapids pursuant to the provisions of Article 40, Section 2 of that agreement, the GREIU may reopen this agreement to request to bargain over the same topics as are raised in their negotiations with the City.

15. **Health & Wellness Incentive Program.** The parties recognize that in order to have a comprehensive city wide Health and Wellness Program it is necessary to establish a unified approach which all employees and their covered spouse can access and understand. The parties believe that a good program will provide behavior change tools and skills for leading healthy lifestyles and environmental wellness initiatives that build a healthy workplace culture. The attached document represents a wellness initiative that is coordinated by the City. Since the goal of the Health & Wellness program is to encourage all members of the Health Plan to lead and maintain a healthy lifestyle and to access the wellness activities and programs offered by the City, the parties believe that offering a stipend payment for participation in this voluntary program will incent healthier lifestyles. The five (5) year pilot program is to commence in October of 2016,
and participation shall be on a voluntary basis. A joint labor/management committee composed of a representative from each bargaining unit, HR Benefits staff, and other management staff shall meet on a periodic basis to monitor the performance and progress of the incentive program as well as make recommended adjustments to improve the program. The committee will also assist with marketing and communications ideas for the program.

16. **High Deductible Health Care Plan.** Under the Affordable Care Act (ACA) employers are required to provide affordable health care coverage for all employees. Given the cost of the 20% employee premium sharing for the City’s current health care plan which is mandated by State law there could be occasions where the City’s plan is deemed unaffordable for certain employees. The City and the Unions recognize and agree that it is in the best interest of the parties to comply with the ACA therefore, the parties agree to the following:

1. The City will create and offer (on a voluntary basis) a high deductible health care plan that is affordable for all employees which will also include a Health Savings Account (HSA) option available to employees.

2. This high deductible plan will be administered by Priority Health and offered to qualifying non-permanent employees (in accordance with the ACA) as soon as administratively possible upon the execution of this agreement.

3. While this high deductible plan is intended for use by qualified non-permanent employees, it will also be made available to all employees upon the next open enrollment period on a voluntary basis only.
