AGREEMENT

This Agreement is entered into as of this 1st day of July, 2016, between the City of Grand Rapids, hereinafter referred to as "City", and the Grand Rapids Police Officers Association, Crime Scene Technician and Latent Print Examiner Unit and the following addendum for the Police Intern Unit, hereinafter referred to as "Union."

ARTICLE 1. RECOGNITION

Section 1

Pursuant to and in accordance with all applicable provisions of Act 379 of the Public Acts of 1965, Management recognizes the Union as the exclusive collective bargaining representative for those employees in the defined bargaining unit for the purpose of collective bargaining with respect to rate of pay, wages, hours of employment and other conditions of employment.

Section 2

The bargaining unit consists of all employees holding positions in the classifications shown in Appendix A or which may hereafter be added thereto or changes as hereinafter provided, and excludes all supervisors and all other employees not specifically included in Appendix A as it now exists or is changed in accordance with this Agreement.

Section 3

Management shall not enter into any other agreements with employees in this bargaining unit, individually or collectively, or with any other organization which in any way conflicts with the provisions hereof.

ARTICLE 2. UNION SECURITY AND CHECKOFF

Section 1

Management will make available to all employees entering the bargaining unit a copy of this Agreement.

Section 2

In the event that there is a change in existing law that allows an agency shop relationship, the language of Article 2, Section 2, of the July 1, 2016 through June 30, 2019 collective bargaining agreement shall be effective in this agreement.

Section 3

Upon receipt of a written assignment from an employee covered by this Agreement, Management will, every payday, deduct from the employee for Union membership owed to the Union by such employee for Union membership dues, special assessments, initiation fees, or service charges. Management will remit all deductions made to the designated Union official within five (5) days of the time the deductions are made.

Section 4

Any changes in the present Union membership dues rate will be certified to the City Manager by an authorized officer of the Union at least forty-five (45) days in advance of the effective date of such change.

Section 5

The Union will indemnify, defend and hold Management harmless against any claims made and against any suit instituted against it on account of the application of this Article.

Section 6

The Union agrees to refund to Management any amounts paid to it in error on account of the checkoff provision upon presentation of proper evidence thereof.

ARTICLE 3. MANAGEMENT SECURITY

The Union and employees agree that during the life of this Agreement they will not cause, encourage, participate in or support any strike or picketing against Management or any slowdown or other interruption of or interference with the normal functions of Management concerning any matter which is subject to the grievance procedure or to the jurisdiction of the Civil Service Board. Violation of this paragraph shall be grounds for disciplinary action up to and including discharge without recourse to the grievance procedure. However, any employee who is accused of violating this provision and denies such alleged violation may appeal through the grievance procedure. Upon a finding of fact that the employee did violate the provision(s) of this Article, the disciplinary action imposed by the Employer shall not be disturbed.

ARTICLE 4. MANAGEMENT RIGHTS

Section 1

Except as otherwise specifically provided herein, the management of the City and the direction of the work force, including, but not limited to the right to hire, the right to discipline or discharge for just cause, the right to decide job qualifications for hiring, the right to layoff for lack of work or funds, the right to abolish positions, the right to make rules and regulations governing safety, the right to determine schedules of work, the right to subcontract work (when it is not feasible or economical for the City employees to perform such work), together with the right to determine the reasonable methods, processes and manner of performing work, are vested exclusively in Management. Management, in exercising these functions, will not discriminate against any employee because of his or her membership in the Union.

Section 2

Rules of conduct not inconsistent herewith and in effect at the date of this Agreement shall be continued. Management shall have the right to amend, supplement, or add to said rules during the term of this Agreement, provided however, that Management shall first consult with the Union prior to any such amendments. Such rules shall be reasonable and shall relate to the proper performance of duties and shall not be applied in a discriminatory manner.

ARTICLE 5. UNION BARGAINING COMMITTEE

Section 1

The bargaining committee of the Union will include not more than three (3) bargaining unit members and two (2) alternate members employed by the City. It may also include non-employee representatives of the Grand Rapids Police Officers Association, not more than two (2) in number. The Union will give to Management, in writing, the names of the employee representatives on the bargaining committee at least seventy-five (75) days prior to the expiration date of this Agreement.

Section 2

There will be no discrimination against any employee because of his/her duties as a Union official, Union representative or committee member. Management will not discriminate against any employee because of his or her membership in the Union.

Section 3

Employee members of the bargaining committee will be paid by Management for time spent in negotiations with Management, but only for the straight time hours they would otherwise have worked on their regular work schedule. For the purpose of computing overtime, time spent in negotiations shall be considered as hours worked to the extent of the regular work schedule hours which otherwise would have been worked by the committee member.

Section 4

Management will not unreasonably refuse a request by any member of the bargaining committee to be transferred to the day shift for the period of contract negotiations. Any refusal by Management shall be subject to immediate submission to arbitration, Step 2, for the purpose of determining the reasonableness of any refusal.

ARTICLE 6. SPECIAL MEETINGS

Section 1

Management and the Union agree to meet and confer on matters of interest upon the written request of either party. The written request shall state the nature of the matter to be discussed and the reason(s) for requesting the meeting. Discussion shall be limited to matters set forth in the request, but it is understood that these special meetings shall not be used to renegotiate this Agreement. Special meetings shall be held within ten (10) calendar days of the receipt of the written request and shall be held between 8:00 AM and 5:00 PM at a time and place designated by Management. Each party shall be represented by not more than four (4) persons at special meetings.

Section 2

The Union representatives may meet at a place designated by Management, on Management's property, for a period not to exceed one-half (½) hour immediately preceding a meeting for which a written request has been made.

Section 3

Employee representatives of the Union at special meetings will be paid by Management for time spent in special meetings, but only for the straight time hours they would have otherwise worked on their regular work schedule. For the purpose of computing overtime, time spent in special meetings shall be considered as hours worked to the extent of the regular work schedule hours which they otherwise should have worked.

ARTICLE 7. UNION REPRESENTATION

Section 1

Employees within the bargaining unit shall be represented by one (1) Union representative for each work shift. The Union shall furnish Management a list of the Union representatives' names and their assigned areas and shall keep the list current at all times. Alternate Union representatives may be appointed by the local Union President to serve in the absence of the regular Union representative.

Section 2

When requested by an employee, a Union representative may investigate any alleged or actual grievance in his/her assigned work area and assist in its presentation. He/she shall be allowed reasonable time therefore during working hours without loss of time or pay upon notification and approval of his/her immediate supervisor outside the bargaining unit.

Section 3

When an employee without intervention of the Union presents a complaint to Management which alleges a violation of this Agreement, the Union representative shall be given an opportunity to be present and shall be allowed the time therefore, paid at his/her regular wage, upon notification and approval of his/her immediate supervisor outside the bargaining unit. Management may remedy the employee's complaint if such remedy is not inconsistent with the terms of this Collective Bargaining Agreement.

Section 4

Union business, other than that cited above, shall be conducted so as not to interfere with the work assignment of Union representatives or any other employees.

Section 5

The Union Grievance Committee shall have the same privileges as Union representatives, in areas to which assigned, when any grievance has been processed to its level (Step 1), in the grievance procedure.

Section 6

The Crime Scene Technician Steward shall be allowed to select his/her shift assignment during shift preference bidding under the provisions of Article 13-Shift Preference based upon a seniority recognized as being the most senior amongst all other bargaining unit members. If election and appointment to Crime Scene Technician Steward occurs during a shift bid assignment period, the ability to select a preferred shift shall be given to the Crime Scene Technician Steward upon the effective date of appointment to office.

Section 7

Management will continue all current practices regarding Union activities at Police Headquarters throughout the life of this Agreement.

Section 8

For the purposes of Article 8-Grievance Procedure and Article 10-Discharge and Discipline, Union representative may alternatively mean a labor consultant or attorney employed or retained by the Union. When functioning as a Union representative, such individual shall have no greater authority or privileges than any other employee Union representative.

Section 9

Management will continue to make reasonable accommodations which will allow the CST steward to attend to Labor Relations issues relating to the GRPOA CST Unit during working hours during the life of this Agreement.

Section 10

The CST steward shall be allowed reasonable time to attend Union meetings during his/her regular working hours without loss of pay. Such release time with pay shall not exceed six (6) meetings per calendar year.

ARTICLE 8. GRIEVANCE PROCEDURE

Section 1. Grievances

- A. A grievance is any dispute, controversy, or difference between (a) the parties, or (b) Management and an employee or employees, on any issue with respect to, on account of, or concerning the meaning, interpretation, or application of this Agreement or any term or provisions thereof.
- B. A grievance shall refer to the specific provision or provisions of the Agreement alleged to have been violated and shall set forth completely the known facts pertaining to the alleged violation. Any grievance not conforming to the provisions of this Paragraph shall be denied.

Section 2. Time Limits

- A. If Management does not respond within the time limits or procedure required in each step, the grievance shall be considered settled as requested without precedent.
- B. Any grievance not taken to the next step within the time limits specified herein will be considered settled on the basis of the last answer by Management without precedent.
- C. Extensions of the time limits may only be made by a written, signed agreement by a Union representative and a Labor Relations office representative.

Section 3. Election of Remedies

- A. Appeals involving discharge, demotion, reduction in rank or compensation, or suspension may be filed with the Civil Service Board in accordance with Civil Service Board rules. It is expressly agreed that such appeals shall be an election of remedies and a waiver of any right possessed by both the employee and the Union to contest such matter in the arbitration forum provided herein.
- B. It is further expressly agreed that if any proceedings involving any matter which is or might be alleged as a grievance are instituted in any administrative action before a government board or agency, or in any court, whether by an employee or by the Union, then such administrative or judicial proceedings shall be the sole remedy, and grounds for a grievance under this Agreement shall no longer exist. Injunctions, temporary restraining orders or actions under Veteran's Preference shall not be considered part of the grievance procedure.

The parties agree that the phrase "any matter" as used in the paragraph above shall mean the action taken/not taken or discipline imposed by the employer. It is further understood by the parties that any proceeding instituted in another forum challenging the action taken/not taken or discipline imposed by the employer shall automatically result in the withdrawal of any pending grievance related to the action taken/not taken or discipline imposed by the employer. In such case the cancellation fee for the scheduled arbitration date(s), if any, shall be equally split between the parties.

- C. Grievances involving classification disputes may only be presented to the Civil Service Board.
- D. No other disputes subject to the grievance procedure may be submitted to the Civil Service Board.

Section 4

Grievances will be processed in the following manner and within the stated time limits:

A. Step 1

1. The aggrieved employee or group of employees with the Union representative or a representative of the Union shall present the grievance in writing to the employees' immediate supervisor outside the bargaining unit or, in the case of Union grievance, shall be presented to the Chief's office. The grievance must be so presented within ten (10) calendar days after occurrence of the circumstances giving rise to the grievance or ten (10) calendar days from when the grievant should reasonably have known of the occurrence, not including the day of occurrence.
2. Grievance involving discharge, demotion, reduction in rank or compensation or suspension shall be filed at Step 2 within fifteen (15) calendar days after notice thereof is given to the employee.
3. Management will answer the grievance in writing within ten (10) calendar days of the date of the presentation of the grievance not including the date of the presentation.

B. Step 2

1. The Union may initiate a demand for arbitration by serving written notice to arbitrate a grievance with the City's Labor Relations Office within fifteen (15) calendar days after receipt of Management's answer to Step 1, not including the day of receipt of answer. Upon receipt of the Union's notice of intent to arbitrate, the parties shall meet and attempt to resolve the grievance.
2. In cases involving discharge, demotion, reduction in rank or compensation, or suspension, the Union may at its discretion initiate a demand for arbitration within fifteen (15) calendar days after the employee receives written notice of such disciplinary action from the City Manager, not including the day of receipt of such notice, except that in the event of the employee's election to file an appeal of such disciplinary action with the Civil Service Board, the right of the Union to proceed to arbitration shall be and is waived.
3. The parties agree to utilize the following persons as arbitrators:
Joseph P. Girolamo
Ruth Kahn
Benjamin A. Kerner
Stanley T. Dobry

Cases may be assigned by the parties on a rotating basis. Either party may reject any or all of the listed arbitrators on any particular case. In such event, the parties shall select an arbitrator from a list provided by the Federal Mediation and Conciliation Service. The power of the arbitrator shall be limited to the interpretation and application of the express terms of this Agreement, and the arbitrator shall have no power to alter, add to, subtract from, or otherwise modify the terms of this Agreement as written. Decisions on grievances within the jurisdiction of the arbitrator shall be final and binding on the employee or employees, the Union and Management.

4. The fee and expenses of the arbitrator shall be paid by the Union if the grievance is denied or by the Employer if the grievance is granted, or as the arbitrator directs otherwise. Management shall, upon request, make employees, who are on duty, available as witnesses. Each party shall make arrangements and pay for the expenses of witnesses which are called by them. Each party shall fully bear its costs regarding witnesses and any other persons it

requires or requests to attend the arbitration.

The Union President and the CST steward shall attend all arbitration proceedings without loss of compensation in any manner.

5. It is specifically and expressly understood and agreed that submission of a grievance to arbitration constitutes a waiver of any and all rights by the appealing party and all persons it represents to litigate or otherwise contest the appeal subject matter in any court or other forum, excluding any action properly taken under Title VII of the Civil Rights Act of 1964, as amended.

ARTICLE 9. PAYMENT OF BACK PAY CLAIMS

Section 1

Back wages and/or benefits will be paid to an employee upon a finding that said employee is entitled thereto, in such amounts as may be determined through the grievance procedure. The employer, upon a finding, shall pay the employee within thirty (30) days of receipt of the arbitration decision.

Section 2

No claim for back pay or wages shall exceed the amount of pay or wages the employee would otherwise have earned at his regular wage or pay rate. Any claims for back pay shall be reduced by interim employment earnings and/or unemployment compensation, if directed by the arbitrator or Civil Service Board.

ARTICLE 10. DISCHARGE AND DISCIPLINE

Section 1

In cases of discharge or discipline, a representative of Management shall give prompt notice thereof to the employee and to the Union President. In cases of letters or warning or verbal warning memoranda, such letters shall be given to the employee affected and placed in the employee's personnel file.

Section 2

The affected employee will be allowed to discuss his/her discharge or discipline with his/her steward, or other Union representative, and Management will make available an area where he/she may do so if he/she is required to leave the premises.

Section 3

- A. In imposing any discipline on a current charge, Management will not take into account any prior infractions which occurred more than two (2) years previously nor impose discipline on an employee for falsification of his/her employment application after a period of two (2) years from his/her date of hire. In the event an employee completes two (2) years of service without a disciplinary action, letters of warning and/or suspension over two (2) years old shall be permanently removed from his/her file upon request to the Director of Human Resources.
- B. Every employee shall be entitled to and shall receive a copy of any and all notices, reports, complaints, or other information filed by an employee, supervisor, or any other City Officer or Department or Division Head in the employee's personnel record which relates to, is or may be

made the basis for disciplinary action up to and including the discharge of such employee by the City.

Section 4

If Management has the reason to warn or reprimand an employee, it shall be done in a manner that is consistent with good employee relationship principles.

Section 5

Management shall not discipline or discharge any employee except for just cause.

Section 6

Written notice of disciplinary action or discharge shall cite the specific sections of rules and regulations and/or appropriate law(s) or ordinance(s) which the employee is alleged to have violated.

Section 7

An employee against whom charges have been made by Management may be represented by a Union representative or an attorney upon request of the employee.

Section 8. Investigatory Complaints

In the event a complaint is made against an employee which may result in disciplinary action, the following procedure shall apply:

- A. If, in the investigation of a complaint, an employee is requested to appear before a member of Management, he or she shall be fully advised of the nature of the complaint and that the investigation may result in disciplinary action.
- B. Upon the request of the employee for Union representation, such request shall be granted and the Union shall immediately or within a reasonable time depending on the circumstances provide such representation. When such representation has been requested, no questioning shall commence until the Union representative is present. An employee shall be allowed reasonable time to confer with his/her steward prior to and during an investigatory interview.
- C. An employee shall be required to answer questions relating to his/her performance as an employee of the Police Department as it relates to the complaint. Refusal to answer such questions shall result in disciplinary action up to and including discharge.
- D. A copy of this section shall be presented to any employee subjected to this procedure prior to the start of questioning. Said copy shall be signed by the employee to indicate receipt and shall also indicate his/her waiver of right to Union representation, if any.

ARTICLE 11. SENIORITY

Section 1. Definitions

Seniority shall mean the status attained by length of service in a particular classification.

Section 2. Accrual of Seniority

- A. Two (2) or more persons having equal seniority shall, when necessary, have their relative seniority determined by their relative score on the Civil Service examination for their present classification. In cases of a tie, seniority shall be determined by the highest total of the digits of the employees' Social Security numbers.
- B. All original appointments of newly-hired employees to positions in the bargaining unit shall be probationary and subject to a probationary period of six (6) months after appointment. At any time during the probationary period, the City Manager may discharge the probationary employee. Any employee so discharged during the probationary period shall have no recourse to the grievance procedure.
- C. All promotional appointments shall be probationary and subject to a probationary period of six (6) months after appointment. At any time during the probationary period, the City Manager may demote an employee whose performance does not meet the required work standards. Any employee on probation in a promotional appointment shall have the right to return to his/her previous appointment upon demotion.

Section 3. Loss of Seniority

Employees shall lose their seniority and their employment shall be terminated for the following reasons:

- A. Discharge, if not reversed.
- B. Resignation: An employee absent for three (3) consecutive normally scheduled work days without notification of valid reason to the City, and who has no legitimate reason for not notifying the City of his/her absence, may be considered as having resigned.
- C. Unexcused failure to return to work when recalled from layoff, as set forth in the recall procedure.
- D. Unexcused failure to return to work after expiration of a formal leave of absence.
- E. Retirement.
- F. Layoff for a continuous period of six (6) months or the length of the employee's total continuous service in the Police Department, whichever is greater.

Section 4. Seniority Lists

Management shall maintain a roster of employees, arranged according to seniority showing name, position class and seniority date, and shall furnish a copy to the Union in March and September of each year.

Section 5. Application of Seniority

Seniority shall apply to shift assignment, vacations, layoff and recall and to promotion as provided in this Agreement.

Section 6. Promotions Promotions shall be subject to the rules and regulations of the Grand Rapids Civil Service Board.

ARTICLE 12. LAYOFF AND RECALL

Section 1. Definition

Layoff shall mean the separation of employees from the active work force due to lack of work or funds or to abolition of positions because of changes in organization.

Section 2. Order of Layoff

- A. No permanent or probationary employee shall be laid off from his/her position in the Police Department while seasonal, temporary, Police Intern, or provisional employees are serving in the same position class in that Department.
- B. Except as provided below, the layoff of probationary or permanent employees in the Police Department shall be in inverse order of seniority in the position classes affected.

Section 3. Demotion in Lieu of Layoff

Except as provided below, an employee subject to layoff who so requests within twenty-four (24) hours after receipt of notice of layoff, shall in lieu of layoff, be demoted to a lower position in the Police Department if he/she has a greater length of total continuous service in the Police Department than another employee in that lower position class. Demotion shall be through those classes in which the employee previously held permanent status, providing that an employee serving a probationary period shall not displace a permanent employee in a class in which he/she has not previously held permanent status.

Section 4. Notice of Layoff

Employees to be laid off indefinitely shall be given at least seven (7) calendar days prior notice.

Section 5. Preferred Eligible Lists

- A. Employees demoted in lieu of layoff shall have their names placed on preferred eligible lists in order of seniority for each class from which displaced within the Police Department. Employees laid off shall have their names placed on preferred eligible lists in order of seniority for each class from which displaced.
- B. Names shall remain on the lists for six (6) months or the length of total continuous service in the Police Department, whichever is greater, unless removed as provided below. Employees shall be recalled from layoff or shall be restored to positions from which demoted in the Police Department before any other persons are selected for employment or promotion in those classes.

Section 6. Recall from Layoff

- A. Employees to be recalled from layoff shall be given a minimum of seven (7) calendar days to respond after notice has been sent by certified mail to their last known address.
- B. Employees who decline recall or who, in absence of extenuating circumstances, fail to respond as directed within the time allowed shall be presumed to have resigned and their names shall be removed from seniority and preferred eligible lists.

Section 7. Restoration to Positions from Which Demoted

Employees to be restored to positions from which they had been demoted in lieu of layoff shall be given three (3) calendar days in which to accept. Names of those who decline shall be removed from the pertinent preferred eligible lists.

Section 8. Promotion Outside of Bargaining Unit

- A. An employee who is promoted to a position in the Police Department which is outside the bargaining unit shall continue to accumulate seniority until his/her promotion becomes permanent, at which time his/her seniority shall be frozen.
- B. If an employee in a position outside the bargaining unit is laid off from such position, he/she may be demoted to the position of Crime Scene Technician or Latent Print Examiner, provided the employee has held prior permanent status in such classification, and there is a vacancy which the Police Department intends to fill.

Section 9

In the event a general layoff becomes necessary, it is agreed that the parties will meet and discuss the question of what, if any, changes in the usual layoff procedure can be made in order to maintain minority representation. Unless the parties mutually agree to the contrary, the usual layoff procedure shall be used.

ARTICLE 13. SHIFT PREFERENCE

Section 1. Definitions

"Needs of the service" for the purpose of this Article shall be defined as a desirable action taken for the good of the department.

Section 2

- A. When the needs of the service permit, seniority shall be recognized as the basis of shift assignment.
- B. Shifts shall be posted in the Forensic Services Unit semi-annually for a period of seven (7) calendar days. Employees assigned to such unit shall indicate their shift preference by bidding in February and August of each year.
- C. An employee reassigned or transferred between shift bid periods shall be allowed to select their shift on a seniority basis, subject to the "needs of service."

Section 3

When the "needs of service" provision is invoked for the purpose of departing from the application of seniority in making shift assignments, the reason shall be reduced to writing and copies given to the affected person and the Union.

Section 4. Shift Adjustment

Management retains the right to adjust the shift hours, however, there will be no partial adjustments, and any change in shift hours will affect the entire shift. At least seven (7) calendar days' notice will be given in the event shift hours are to be altered, except in the case of circumstances beyond the control and knowledge of Management such as acts of God, riots, flood, civil disorder and similar acts.

ARTICLE 14. OVERTIME

Section 1. Purpose

A normal work week for regular full-time employees shall consist of forty (40) hours, not including meal periods. A normal work day for such employees shall be eight (8) hours, unless regularly scheduled otherwise, not including meal periods for Crime Scene Technicians, Latent Print Examiners and Latent Print Technicians. Overtime shall be computed to the nearest one-quarter ($\frac{1}{4}$) hour (fifteen [15] minutes).

C. All overtime shall be authorized by a responsible supervisor.

D. Time worked in excess of the normal work week for the purpose of adjusting so-called swing shifts in a three-shift operation shall not constitute overtime.

E. Callback

An employee called back to work, other than for court appearances (as defined below), shall have a minimum guarantee of two and one-half ($2\frac{1}{2}$) hours at his/her overtime rate of pay, or with the actual hours worked as his/her overtime rate, whichever is greater, unless such time shall be continuous with his/her normal working hours. In the latter case, he/she shall be paid at his/her overtime rate for the actual hours worked.

An employee called back to work for a court appearance which shall include probate hearings, implied consent hearings, Michigan Liquor Control hearings, or any other administrative hearings shall have a minimum guarantee of three (3) hours at his/her overtime rate of pay or with the actual hours worked at his/her overtime rate, whichever is greater, unless such time shall be continuous with his/her normal working hours. In the latter case, he/she shall be paid at his/her overtime rate for the actual hours worked.

Section 3. Method of Compensating for Overtime Work

A. Overtime shall be paid at one and one-half ($1\frac{1}{2}$) times the employee's hourly rate.

- B. For the purpose of computing overtime, an employee absent on authorized sick leave with pay, jury leave with pay, holiday or on vacation, shall be considered to have worked his/her normal work shifts during such absence. Employees absent on unpaid leave shall not be considered to have worked during such absence.

Section 4. Compensatory Time Off

At the request of any employee eligible for overtime pay, his/her supervisor may provide that in lieu of cash payment for overtime, he/she may be allowed time off with pay at the rate of one and one-half (1½) hours for each hour of overtime worked. Appearances before the Accident Review Board or Internal Affairs Unit or attendance at in-service training classes shall be at the rate of time and one-half (1½) for each hour of overtime worked. Any such time off shall be taken at a time mutually agreed upon by the employee and his/her supervisor during the calendar year or the three (3) months following the end of the calendar year in which the overtime was worked. Further deferment of such time off shall be allowed only if approved by the City Manager. In the event that such time off is not taken by the employee within the limiting time, he/she shall be given cash payment for the overtime hours worked at the overtime rate based on his/her salary at the time of the payment of overtime. During the calendar year in which the overtime was worked, the employee may request cash payment for a portion or all of the available compensatory time.

No employee may accumulate more than 240 hours of compensatory time.

ARTICLE 15. NEW OR CHANGED JOBS

Existing classifications and job descriptions may be amended during the life of this Agreement in a manner consistent with Civil Service Board rules for the maintenance of the classification plan.

The parties will negotiate as to whether a new and/or changed job should be in or out of the bargaining unit. Disputes as to whether a new or changed job should be in or out of the bargaining unit shall be resolved by the Michigan Employment Relations Commission in accordance with their applicable administrative procedures.

The parties will negotiate as to the salary range for all new and/or changed jobs determined to be included in the bargaining unit.

ARTICLE 23. INSURANCE

Section 1: Health Care

The City of Grand Rapids is the plan sponsor of a group health care plan covering certain hospitalization,

surgical, medical, dental, and optical expenses for active City employees and their eligible dependents. Active City employees and their eligible dependents participate in this group health care plan. The coverage available through the City's group health care plan is contained in the Plan Document created by the City, a copy of which is incorporated by reference as part of this collective bargaining agreement. Management shall, at its expense, provide a group hospital, medical, surgical insurance, dental insurance, and optical insurance policies to all employees within the bargaining unit which shall provide coverage for the employee and the employee's dependents as defined in said policy, provided that the coverage of said policy shall not be less than the coverage of the present policy provided by Management to employees.

Employees shall share in the cost of their health care coverage by paying a health care premium contribution each bi-weekly pay period on a pre-tax basis. The employee health care premium contribution payment is 20% of the City's actuarially estimated annual health care cost as applied without regard to the category of coverage (i.e. single employee, employee and one dependent, and employee and two or more dependents) on a pre-tax basis. Effective January 1, 2019 the health care employee premium sharing rates will be based on the categories of single/double/family.

The City's actuarially estimated annual health care cost is based upon the blended rate for all active employees and retirees who have not become eligible for Medicare or similar national health insurance benefits. In the fall of each year, the City receives an actuarial report that contains two separate calculations. The first calculation (which is to be used to set the rate of the active and retiree premium sharing contributions) is the estimated cost to provide health care coverage to its active employees, retirees who have not become eligible for Medicare or similar national health insurance benefits, and their eligible dependents for the upcoming year. The second calculation (which does not affect the rate of the active and retiree premium sharing contribution and is included here solely for reference) is the estimated cost to provide health care coverage to the retirees who are age sixty-five (65) and older, or who have become eligible for Medicare or other similar national health insurance benefits, and their eligible dependents for the upcoming year. These estimated cost figures are utilized for health care contribution purposes effective on the first pay day of or after January 1st of the upcoming calendar year. Employees shall be required to pay 1/26th of their percentage portion of the annual health care cost each bi-weekly pay period.

The City reserves the right to create an alternate high deductible health care plan with a City sponsored Health Savings Account (HSA) and offer that plan on a voluntary basis to active employees after consultation with the Union.

Health Care Plan:

- A. The office visit co-pay shall be \$20 which shall be applied to doctor's office visits, chiropractic services (consultations and subsequent adjustments and treatments), and behavioral health (mental health) office visits.
- B. Employee dependent coverage shall comply with the age provisions of the Affordable Care Act (ACA) or whatever coverage is negotiated between the parties.
- C. When using prescription drug benefits for which there is an alternative over-the-counter substitute for proton pump inhibitors (PPI drugs), H2 blockers (h2 receptor antagonists), non-sedating antihistamines, and/or non-steroidal anti-inflammatory drugs (NSAID), an over-the-counter alternative drug must first be prescribed and utilized. If the over-the-counter prescription is determined to be ineffective by the prescribing physician and the physician prescribes the brand name or generic drug as Dispense As Written, then the coverage will provide the drug with the appropriate generic or brand name co-payment.

- D. Employee's dependent coverage shall require that if a working spouse has health care coverage through his/her employer, then coverage provided by his/her employer would be primary for him/her while the City's plan would be secondary.
- E. There shall be an annual \$600 cap on proton pump inhibitor (PPI) drugs. The over-the-counter program, as agreed to by the parties, shall remain in effect and no employee co-payments shall be required for the over-the-counter PPI drugs dispensed under that program. However, if the annual \$600 cap on PPI drugs dispensed in a manner other than under the over-the-counter program is reached, the applicable co-pay shall thereafter be doubled (i.e. the \$20 co-pay for brand name drugs shall be increased to \$40 and the \$10 co-pay for generic drugs shall be increased to \$20) during the remaining annual period. The City shall continue to pay its portion of the cost for the PPI drug prescription less the increased co-payment by the employee.

Effective January 1, 2015 the following changes will be made to the health care plan:

Annual Deductible	\$150
Co-insurance	80%/20%
Maximum out of pocket	\$850
Emergency room co-pay	\$100

Multi-Tiered prescription drug plan as follows:

Tier One	\$10 mandatory generic with a retail 90 day supply
Tier Two	\$20 brand
Specialty Drugs	As outlined in the supplemental agreement.
Mail Order Maintenance	\$50 Brand only with a 90 day supply

Usual, Customary, and Reasonable (UCR) charges. Usual, Customary, and reasonable shall be determined by FAIR Health Inc., or the successor industry standard. Usual, customary, and reasonable provisions will apply to non-hospital services. The City agrees to work with the Union on addressing the issue of usual, customary and reasonable with members who receive services out of state and are unable to find any in-network providers in their area. In-network is already deemed to be UCR.

Section 2: Death Benefit

- A. Management shall, at its expense, provide a \$40,000 cash payment to each employee within the bargaining unit which benefit shall be payable to the beneficiary or beneficiaries of any such employee whose death does not result from an injury arising out of and in the course of his/her employment with the City. Said benefit shall be payable to the beneficiary or beneficiaries of the employee's choice as designated on the "Designation of Beneficiary" forms which shall be provided by Management and shall be kept on file in the City's Personnel Office. Employees shall have the right to change the beneficiary or beneficiaries at any time during their employment with the City by executing a "Change of Beneficiary" form as provided by Management. In case an employee dies and is not survived by a designated beneficiary or fails to execute a "Designation of Beneficiary" form, said death benefits shall be payable to the administrator or executor of the estate of the deceased employee.

All rights to such death benefits shall terminate upon termination of employment by reason of discharge, retirement, resignation, or layoff. Termination of employment shall be deemed to occur

when an employee ceases to be employed by management, except that any employee who is granted a leave of absence because of disability or an approved maternity leave, will nevertheless be considered still employed. Termination of employment shall not be deemed to include an employee who is under suspension for disciplinary reasons or an employee who shall have been unlawfully dismissed.

- B. In the event an employee dies and the employee's death occurs as a result of personal injury arising out of and in the course of his/her employment with Management and the amount of benefits which would be payable under the Workers' Compensation Act would amount to less than \$80,000, Management shall make a lump sum cash payment equal to the difference between the amount of \$80,000 and the total Workers' Compensation benefits, to the employee's beneficiary or beneficiaries designated on the "Designation of Beneficiary" form provided by Management, or in the absence of execution of said form, to the administrator or executor of the employee's estate.
1. For the purpose of determining the lump sum cash payment payable under the provisions of this section, Management shall compute the "total Workers' Compensation benefits" as of the date of the employee's injury under the circumstances and considering the number of dependents at that time. The "total Workers' Compensation benefits" shall be computed to include the following: (a) the total weekly benefits provided by the Workers' Compensation Act multiplied by the number of weeks payable (presently 500 weeks); (b) medical expenses payable; (c) burial expenses payable; and (d) any disability payments which have been paid or have become due for injury which is the proximate cause of death.
 2. For the purpose of computing the "total Workers' Compensation benefits," the spouse and minor children of the deceased employee and any person or persons partially dependent upon the deceased employee within the meaning of the Workers' Compensation Act shall be considered wholly dependent upon the deceased employee.
 3. Provisions of this Section 2B shall not be affected in any way by an election by the dependents of a deceased employee to receive Duty Disability Benefits under the provisions of the City Code in lieu of benefits under the Workers' Compensation Act.
- C. In the event a person covered by this Agreement dies prior to retirement, Management will pay the hospitalization insurance premium for the person's spouse and dependents until such time as the covered person would have reached age 65. If, however, the spouse remarries or the spouse is covered by another health insurance policy, this provision shall not apply.
- D. No benefits shall be payable under this Section unless written application for such benefits is filed with Management by the beneficiary or beneficiaries of the deceased employee designated on the "Designation of Beneficiary" form or by the administrator or executor of the estate of the said deceased employee's death or within one (1) year after the beneficiary, beneficiaries, administrator or executor of the estate shall have knowledge or reasonably should have knowledge of their right to make such a claim, whichever occurs later.
- E. In the event that the beneficiary, beneficiaries, or the estate of the deceased employee shall be paid benefits under subsection "A" hereof and compensation or benefits are subsequently paid or awarded for the same death to any person or persons under the Duty Disability Provision of the City Code or as a result of any proceeding instituted under the Workers' Compensation Act against the City, the beneficiary, beneficiaries, or estate of the deceased employee as the case may be shall be liable and shall repay to Management the amount equal to the compensation or Duty Disability Benefits which are paid or awarded up to the sum of \$40,000.

- F. In the event that an employee dies within two (2) years after coverage is extended to the employee under this Section 2, and it is determined that the employee's death was due to suicide, no benefits shall be payable to any party or parties under this Section.
- G. No determination, presumption or findings made by Management in the application of any of the provisions of Section 2 shall be binding upon Management in any proceeding of the Workers' Compensation Act, nor shall the same be an admission of liability under said Act.
- H. No action at law or in equity shall be brought by any person or persons to recover under any provision of this Section prior to the expiration of ninety (90) days after application for benefits and proof of death has been filed with Management pursuant to Subsection "D".

Section 3: Retiree Health Care

- A. The City of Grand Rapids is the plan sponsor of a group health care plan covering certain hospitalization, surgical, medical, dental, and optical expenses for retired City employees and their eligible dependents. Retired City employees and their eligible dependents participate in this group health care plan. The coverage available through the City's group health care plan is contained in the Plan Document created by the City, a copy of which is incorporated by reference as part of this collective bargaining agreement. It is agreed that Management will pay the hospitalization insurance premium for the retiree and his/her dependents from the time the employee retires and until the time such retiree becomes eligible for Medicare or similar national health insurance benefits provided that: (1) the employee retires with 30 years of service and is at least 50 years old; or (2) the employee is at least 62 years old and has 8 years of service; or (3) the employee is disabled pursuant to the provisions of the pension ordinance.

 1. For the next one (1) year of service, the employee shall make contributions at the annual rate of \$750 (\$28.85 gross per bi-weekly payroll) during which time the City shall make contributions at the annual rate of \$1,500, payable in bi-weekly pay period increments (i.e. \$57.69 gross per payroll).
 3. For all years thereafter the employee shall make contributions at the annual rate of \$1,000 (\$38.46 gross per bi-weekly payroll) during which time the City shall make contributions at the annual rate of \$1,750, payable in bi-weekly pay period increments (i.e. \$67.30 gross per payroll).

Employees hired on or after May 12, 2009 shall vest in the City funded portion of defined contribution

retiree health care system upon meeting the vesting requirements for the City defined benefit pension system. If employees hired on or after May 12, 2009 separate from City employment prior to vesting in a City pension system, they will only be entitled to receive employee contributions and investment earnings on those employee contributions from their defined contribution retiree health care savings account.

The administrator of the health savings plan was mutually agreed upon by the City and the Union after consultation with the Grand Rapids Police Officers Association.

1. The City will make a contribution towards the percentage portion of the cost of the service and disability retiree health insurance, prior to becoming eligible for Medicare or similar national health care benefits, not covered by the retiree direct contribution (the “City contribution”) based upon the number of completed months of credited service the retiree had with the City as of his/her date of retirement. The minimum eligibility for any City contribution towards retiree health insurance costs is ninety-six (96) months of credited service with the amount the City will contribute increasing by each additional complete month of credited service (at .29167% per month) as follows:

The amount of their actual months of credited service notwithstanding, the City contribution for disability retirees, and for all other retirees except for those who are deferred who retire at or after age 62, will be calculated as if the retiree had 360 months of credited service to receive a City contribution equal to 100% of the City’s portion of the retiree health insurance cost. In the event the retiree has insufficient months of credited service to receive 100% of the City’s portion of the retiree health insurance cost, the retiree or eligible surviving spouse of the deceased eligible retiree will be required to pay the remainder of the City’s portion of the retiree health insurance cost in addition to the retiree direct contribution amount. ARTICLE 45. WORK/LIFE POLICY

ARTICLE 46. LETTERS OF UNDERSTANDING

1. **ALTERNATIVE PARKING LOCATION**

In accordance with Article 32-Supplemental Agreements, the parties mutually agree and stipulate to the following terms and conditions regarding alternative parking to the current designated parking spaces provided for bargaining unit employees in a surface lot south of the Van Andel Arena (Area 4) under the provisions of Article 40-Parking:

- A. Due to the availability of parking spaces in the parking structure at the corner of Louis and Ionia (Monroe Center), bargaining unit members' cards shall be programmed for access to that structure until such time as the Parking Services Department projects rental of parking spaces in that structure will prohibit further use of that alternative structure. Programming of cards shall be initially for twenty-four (24) hour access; however, with notice as provided in item B below, access may be restricted to the hours of 4:00 PM until 9:30 AM.
- B. Within two (2) weeks written notice (14 calendar days), the City may cease providing such alternative parking spaces to all bargaining unit members or those assigned to a particular shift.
- C. Upon such written notice, the parties may agree to meet and confer to see if acceptable alternatives may be available other than the primary surface lot south of the Van Andel Arena.

2. **LATENT PRINT TECHNICIAN**

During negotiations in 2002, the parties agree to establish a Latent Print Technician classification which would be placed in the Crime Scene Technician and Latent Print Examiner bargaining unit. In accordance with understandings reached in subsequent discussions, the parties mutually agree and stipulate to the following:

- A. All Crime Scene Technicians (CST) with five (5) or more years of experience in that classification shall be eligible to apply to take the Civil Service examination for the Latent Print Technician (LPT) classification. Those individuals who qualify on a pass/fail basis will be placed in an eligible pool that will be in effect for a minimum of six (6) months. Extensions of such lists shall be subject to the rules of the Civil Service Board. It is understood that the city may elect to give a concurrent entrance examination for the classification of LPT. Successful bargaining unit candidates shall have priority of appointment over candidates on an entrance eligible list.
- B. If promoted to LPT, the employee selected shall be subject to an evaluation period within the first six (6) months of a two (2) year probationary period. During the evaluation period, the employee or Management may decide that the employee is not suited for the classification of LPT. In such case the employee shall be returned to the classification of CST if promoted from that classification. An employee selected for LPT is intended to remain in that classification until a Latent Print Examiner (LPE) vacancy occurs and will be paid at a rate of pay equivalent to the E step of the LPE pay range (the F step of the LPT pay range). Entrance eligible employees who fail probation within the two (2) year probationary period shall be discharged as provided in Article 11-Seniority, Section 2B.
- C. When an LPE vacancy which is intended to be filled by Management occurs, the vacancy shall be filled by the employee who has passed probation in the LPT classification. If promoted, the employee shall be placed at the F step of the LPE pay range (range 04J). The employee shall be subject to a two (2) year probationary period during which time he/she must complete all required Automated Fingerprint Identification System (AFIS) certification as a Latent Print Operator. If the employee fails to complete certifications within the two (2) year probationary period, he/she shall be demoted to the classification of CST. If no vacancy exists in the CST classification, the employee shall be allowed to replace the least senior employee in that classification based on his/her bargaining unit seniority. An employee who is demoted to the CST classification during the two (2) year probationary period shall be ineligible to apply to take the LPT examination for a period of one (1) year.
- D. When an employee is promoted to the LPE classification and the promotion results in an LPT vacancy, the vacancy shall be filled through the procedure outlined in items A, B, and C above.

When first utilized between 2004 and 2008, the promotion of two (2) Crime Scene Technicians prompted concerns by the Union in the areas of staffing, work load distribution, and forced shift and schedule changes. The parties discussed these issues during negotiations in 2009 and have agreed that the Union shall be provided advance notice when the classification of Latent Print Technician is next to be used, and the parties (upon request of the Union) shall meet and discuss the impacts which are anticipated and may explore alternatives. These alternatives may include but are not limited to actions by the City such as utilization of a seasonal Crime Scene Technician(s) or succession planning by first hiring a permanent Crime Scene Technician(s) before the promotions and training/evaluation of the Latent Print Technician(s).

The following provisions shall apply only to the bargaining unit employees holding the classification of Police Intern employed by the Grand Rapids Police Department.

1. Terms of Employment

Employees shall comply with all department prerequisites for appointment and continued employment in the Police Intern Program. Failure to comply with such prerequisites shall be considered by all parties as just cause to terminate employment.

2. Probationary Period

All persons appointed to the position of Police Intern shall successfully complete an initial probationary period of twelve (12) months of continuous employment following the effective date of appointment. At any time during the probationary period, the City Manager may discharge a probationary employee. Any employee so discharged during the probationary period shall have no recourse to grievance or Civil Service Board appeal procedure.

3. Appeal Procedure

Any employee who has successfully completed the initial probationary period may appeal a disciplinary discharge, reduction in pay, or a suspension, to the City Civil Service Board. Such appeal shall be in accordance with the provisions of Civil Service Rules. It is expressly agreed that such appeals shall be an election of remedies and a waiver of any right possessed by both the employee and the Union to contest such matter in any other forum. The decision of the Civil Service Board shall be considered final and binding on all parties.

4. Uniforms

The City will furnish, at its expense, a uniform to be determined by management.

5. Overtime Work

Work, authorized by management, performed in excess of 40 hours per week shall be compensated at the rate of one and one-half (1½) times the employee's regular straight time rate of pay. In cases where a Police Intern has a required court appearance outside his/her regularly scheduled work hours, he/she shall receive a minimum of two (2) hours regular pay, unless such hours worked when added to the regular hours worked in the work week exceed forty (40) hours. Only the actual hours spent in court, when paid such two (2) hour minimum regular pay, shall be counted toward the FLSA overtime threshold of forty (40) hours per week.

6. Work Hours

A. Work Week: During the school term, an employee may be assigned a schedule of up to 24 hours per week; otherwise the schedule may consist of 40 hours per week.

B. Work Day: During the school term, an employee may be assigned to an irregular schedule of hours; otherwise the work day shall consist of eight (8) hours, excluding lunch periods, as assigned by management. Subject to the needs of the service, management will develop a

rotating shift schedule. The intent of this provision is to attempt to provide employees with a stable work schedule.

7. Seniority - Layoff

- A. Definition: Seniority shall mean the status attained by length of continuous service in the classification of Police Intern.
- B. Layoff: In the event of a reduction in the work force, employees shall be laid off in inverse order of their seniority.

8. Holidays

An employee who is scheduled to work on any of the recognized, designated holidays (listed in Article 20, Section 2 of the basic labor agreement including the employee's birthday when worked on the actual date) shall be paid at the rate of time and one-half (1½) for all hours worked on the holiday. An employee who is not scheduled to work on one of the above holidays (excluding the employee's birthday) which would normally fall in his/her 24 hour work schedule shall be paid for eight (8) hours at the straight time rate for that holiday.

The employee's birthday holiday is only intended to apply to Police Interns as provided herein. It is further the intent of the parties that normal work schedules shall not be changed for the purpose of having a Police Intern work on his/her birthday in order to receive overtime pay.

In addition to the above provisions, the following indicated articles of the basic labor agreement shall apply to employees holding the classification of Police Intern. Any article not specifically listed shall have no application to the employees in such classification.
