Economic Development Office at 616-456-3431.**

*Public bodies are temporarily allowed to meet virtually amid the public health concern related to the COVID-19 virus in order to preserve public health, safety, and welfare. This step limits the number of people interacting at public gatherings, which mitigates the spread of COVID-19, protects public health, and provides protections to vulnerable citizens. It allows public bodies to continue conducting public business and the general public to continue participating in government decision-making during this emergency.
