* Public bodies are temporarily allowed to meet virtually amid the public health concern related to the COVID-19 virus to preserve public health, safety, and welfare. This step limits the number of people interacting at public gatherings, mitigating the spread of COVID-19, protecting public health, and providing protection to vulnerable citizens. It allows public bodies to continue conducting public business and the general public to continue participating in government decision-making during this emergency. The online link and information to the virtual meeting will be posted on the Water System's webpage the week before the scheduled meeting.
