

**Neighborhood Investment Plan,  
HOME-American Rescue Plan (HOME-ARP) Allocation Plan, and  
Economic Resiliency and Recovery Investment Strategy (ERRIS)**

This document contains details about the plans and strategy to be supported with resources available for allocation during the fiscal year 2024 funding round.

Neighborhood Investment (NI) Plan. The NI Plan is the outcomes framework used to invest funds from the Community Development Block Grant (CDBG), HOME Investment Partnerships (HOME), Emergency Solutions Grants (ESG), and Justice Assistance Grant (JAG) programs. Proposed projects must achieve at least one of the following outcomes:

- Prevent and resolve episodes of homelessness
- Improve access to and stability of affordable housing
- Increase the supply of affordable housing
- Improve the condition of existing housing
- Foster engaged, connected and resilient neighborhoods
- Improve community safety
- Improve economic opportunity
- Enhance neighborhood infrastructure

HOME-American Rescue Plan (HOME-ARP) Allocation Plan. The HOME-ARP Allocation Plan outlines the planned use of supplemental funding for affordable housing and supportive services primarily for the benefit of individuals and families experiencing homelessness. The HOME-ARP Allocation Plan is available at [www.grcd.info](http://www.grcd.info).

Economic Resiliency and Recovery Investment Strategy (ERRIS). The ERRIS is the framework used to allocate supplemental funds authorized by the Coronavirus Aid, Relief, and Economic Security Act (CARES Act). These Community Development Block Grant - Coronavirus (CDBG-CV) and Emergency Solutions Grants – Coronavirus (ESG-CV) funds are used to prevent, prepare for, and respond to the coronavirus (COVID-19) pandemic and support low-income families and vulnerable populations, including homeless persons.
