

**Contract – Landfill Use
Bid Document
Grand Valley Regional Biosolids**

The Grand Valley Regional Biosolids Authority (the “Authority”) seeks qualified firms with proven experience who can successfully provide landfill space. Bids are requested for the final use of the biosolids produced at the Dewatering Facility (DF) owned by the Authority, consisting of the partners the City of Grand Rapids, Michigan and City of Wyoming, Michigan. The contract shall be for an initial three (3) year term which may be terminated by the Authority on reasonable notice without penalty or cause after the end of the second year. The Authority reserves the right to negotiate an extension to the contract for two (2) additional three (3) year terms, each of which may also be terminated by the Authority on reasonable notice.

All quantities herein shall be for cost analysis and project sizing only and are not a guarantee of minimum or maximum quantities.

Submission of bids:

The manner in which bids are submitted is important and may affect if the bid is responsive and considered a valid bid.

Bids are due no later than **June 7, 2022 1 pm. EST.** Late bids will not be accepted.

Bids shall be delivered to:

Grand Valley Regional Biosolids Authority
Sealed Bid Transportation – Attn: William Kaiser
1300 Market Ave.
Grand Rapids, Mi. 49503
