	DEPARTMENT: Engineering		

SUBJECT: STREET LIGHTING ON PUBLIC STREETS IN NEW DEVELOPMENTS

PURPOSE: To establish a uniform procedure for the installation of ornamental-type street lighting with underground wiring in new developments.

POLICY:

It shall be the general policy of the City that street lights on public streets in new developments will be owned by the City. The cost of installation shall be the responsibility of the developer. The City must review and approve the plans and specifications of said lights and installation shall be provided by the City or by the developer at the City's option.
