COURT OF RAPPORTS REQUIRED TO FILE
Every corporation “doing business” in the city, whether or not it has
an office or place of business in the city, is required to file an annual
City of Grand Rapids Corporation Income Tax Return, Form GR-
1120. Attach a copy of federal Form 1120, 1120-A, 1120S, or
other corporate return form along with Schedule K and all
ancillary schedules filed with the IRS to the Grand Rapids return.

corporation.

financial institutions from taxation. “Financial institutions” are
defined as state and national banks, trust companies, building and
loan associations, savings and loan associations, credit unions,
safety and collateral deposit companies, and any other association,
joint stock company or corporation at least 90% of whose assets
consist of intangible personal property and at least 90% of whose
gross income consists of dividends, interest or other charges
resulting from the use of money or credit.

RENAISSANCE ZONE DEDUCTION
TOOL AND DIE RECOVERY ZONE DEDUCTION
A qualified corporation located and “doing business” in a Grand
Rapids Renaissance Zone or Tool or Die Recovery Zone may be
eligible to claim the Renaissance Zone deduction. This deduction
allows the corporation to deduct the portion of its income earned in
a Grand Rapids Renaissance Zone from income subject to Grand
Rapids income tax. A taxpayer is not qualified to claim the deduction
if the corporation is delinquent for any Michigan or local taxes. A
Grand Rapids income tax return must be filed to claim this
deduction. Schedule RZ of GR-1120 is required to be attached to
the corporation return when claiming the Renaissance Zone
deduction.

A taxpayer claiming the RZ deduction uses Schedule RZ to compute
the deduction. Schedule RZ of GR-1120 is designed to handle all
calculations relative to the deduction. The calculation is complicated
by the fact that the RZ deduction is reduced in each of the last three
years of the zones existence and the fact that the reduction factors
are based on a calendar year. See the instructions for Schedule RZ
of GR-1120 and the form for additional information.

TAX RATE
The tax rate for 2020 is 1.5%.

FILING DATE
Taxpayers on a calendar year are required to file by April 30, 2017.
Those on a fiscal year must file by the last day of the fourth month
following the end of the fiscal year. Returns shall be for the same
calendar year, fiscal year or other accounting period as the taxpayer
uses for federal income tax purposes.

EXTENSIONS
A six month extension is automatically granted without a request if
all tax has been paid by the due date of the return.

Upon filing an APPLICATION FOR EXTENSION OF TIME TO FILE
GRAND RAPIDS INCOME TAX RETURN, Form GR-7004, on or
before the due date for filing a return, the Income Tax Administrator
may extend the time for filing up to six months. When an extension
is requested, the tentative tax must be paid.

An extension is automatically granted upon payment of the balance
due (Form GR-7004, line 3). Failure to pay the balance due
invalidates the extension request. An extension filed without a
payment will not be accepted. Interest and penalty will be assessed
on taxes paid late even if an extension of time to file is granted.

REMITTANCE
The tax due must be paid when filing the return. Make check or
money order payable to:

Line 1b. Enter in column 1 the gross annual rent multiplied by 8 for all rented real property regardless of location. Generally, a corporation that is unitary in nature (i.e., has central management, purchasing, warehousing, advertising, etc.) cannot use separate accounting. Taxpayers allocating on any basis other than separate accounting shall include all interest, dividends and other non-operating income to arrive at the total income subject to the allocation percentage.

This type of income is apportioned to Grand Rapids activity on the same basis as general administrative and overhead costs are apportioned.

Net capital losses sustained by a corporation may be carried forward in the same manner as under the federal Internal Revenue Code.
