FORM GR-1120ES-EFT CORPORATION ESTIMATED INCOME TAX PAYMENT FORM - DIRECT DEBIT PAYMENT

A corporation must make estimated income tax payments for 2023 if it paid \$251 or more with its 2022 Grand Rapids corporation income tax return unless 70 percent or more of its 2021 income tax is paid by a credit forward from the previous year or paid by a partnership on behalf of the corporation.

2023 estimated income tax payments may be made by an authorized direct debit withdrawal from the corporation's bank account. To pay the estimated income tax in this manner, use the form below or download Form GR-1120ES-EFT from the Grand Rapids website ([www.grcity.us/income tax](http://www.grcity.us/income%20tax)). Complete the form and mail it to the Income Tax Department, PO Box 109, Grand Rapids, MI 49501-0109.

To make an electronic direct debit payment, enter the corporation's federal employer identification number (FEIN), name and address. Also enter the bank account information (a, b and c below), and the quarterly payment information for the quarter(s) to be paid. If a fiscal year taxpayer, also mark (X) the box to the right of the corporation name, enter the start date of the fiscal or short tax year, and enter the due date of the estimated payment(s) to be paid. Complete the payment amount, the effective date for each payment and sign the form. You may provide information for payments to be withdrawn for one or more quarters. The payment date for each payment is the effective date entered. Generally, payments will be withdrawn within five business days of the effective date entered.
