

CONFLICT OF INTEREST STATEMENT

Conflict of Interest

By signing below, the Contractor represents that:

No officer, director, employee, agent, or other Contractor of the City or a member of the immediate family or household of the aforesaid has directly or indirectly received or been promised any form of benefit, payment or compensation, whether tangible or intangible, in connection with the grant of this Agreement.

There are no undisclosed persons or entities interested with the Contractor in this Agreement. This Agreement is entered into by the Contractor without any connection with any other entity or person making a proposal for the same purpose, and without collusion, fraud or conflict of interest. No elected or appointed officer or official, director, employee, agent or other Contractor of the City, or of the State of Michigan (including elected and appointed members of the legislative and executive branches of government), or a member of the immediate family or household of any of the aforesaid:

- a. is interested on behalf of or through the Contractor directly or indirectly in any manner whatsoever in the execution or the performance of this Agreement, or in the services, supplies or work, to which this Agreement relates or in any portion of the revenues; or
- b. is an employee, agent, advisor, or Contractor to the Contractor or to the best of the Contractor's knowledge any subcontractor or supplier to the Contractor.

Neither the Contractor nor any officer, director, employee, agency, parent, subsidiary, or affiliate of the Contractor shall have an interest which is in conflict with the Contractor's faithful performance of its obligation under this Agreement; provided that the City, in its sole discretion, may consent in writing to such a relationship, provided the Contractor provides the City with a written notice, in advance, which identifies all the individuals and entities involved and sets forth in detail the nature of the relationship and why it is in the City's best interest to consent to such relationship.

The provisions of this Article are supplemental to, not in lieu of, all applicable laws with respect to conflict of interest. In the event there is a difference between the standards applicable under this Agreement and those provided by statute, the stricter standard shall apply.

In the event Contractor has no prior knowledge of a conflict of interest as set forth above and acquires information which may indicate that there may be an actual or apparent violation of any of the above, Contractor shall promptly bring such information to the attention of the City's Project Manager. Contractor shall thereafter cooperate with the City's review and investigation of such information, and comply with the instructions Contractor receives from the Project Manager in regard to remedying the situation.
