Subject: Medical marihuana in Grand Rapids - 10/9/18 City Commission work session

Good morning,

I'm including you on this email because you have contacted me or another Planning staff member at some point about medical marijuana. If you no longer want to be on this list, please respond to let me know. If there are others that you think might want to be on the list, please forward this to them and have them contact me directly with questions or to be added to the list. Thank you.

As many of you are aware, the Grand Rapids City Commission will be meeting this afternoon, October 9, 2018 (1:30 – 4:00 PM) for a work session to discuss several topics related to the City's marihuana ordinance. **I have recently learned that the work session will be livestreamed on the City's Facebook page (<https://www.facebook.com/CityofGrandRapids/>).** The work session is a public meeting and you can attend in person, but we hope that the livestream will be helpful.

If you do choose to attend, the work session will be in City Commission Chambers, located on the 9th floor of Grand Rapids City Hall (300 Monroe Ave NW, Grand Rapids MI 49503). Pay parking is available in a garage under the government complex.

As always, I encourage you to visit the City's medical marihuana webpage (<https://www.grandrapidsmi.gov/MedicalMarihuana>). I am certainly happy to answer your questions as I am able, but I am often not readily available and often the answers you are looking for can be found on that webpage. I expect to post several updates to the webpage following today's work session.

Best wishes,
