

## Voluntary Surveillance Camera Registration Program

The Grand Rapids Police Department is partnering with businesses and residents of Grand Rapids in a voluntary program to register security camera systems located within the city. The registration of the cameras will assist the police department in investigation of crime within the city.

<a href="https://www.grandrapidsmi.gov/Services-Directory/Register-a-Security-Camera-System">https://www.grandrapidsmi.gov/Services-Directory/Register-a-Security-Camera-System</a>	Businesses may register their surveillance cameras on line by going to the web site. The on line registration will include the same information as on this form as well as a place to add images that show what the camera covers. If assistance is needed in registering on line please call 456-4684 or email <a href="mailto:pporter@grcity.us">pporter@grcity.us</a> with any questions.	Businesses may fill out the form with the information requested. An officer may contact you in the future to collect images for the camera views to be added to the data base.
The GRPD may contact you if we need to review video from your security system. We may use this as evidence in a criminal case.	Business/Resident Name:	Estimated number of days video is saved:
The GRPD will only obtain video with your direct involvement. No one from the GRPD will actively monitor your security camera system.	Business/Resident Address:	<b>Camera 1 View:</b>
We only use the video we collect for official purposes, we won't make it public unless required by law.	Contact Name:	<b>Camera 2 View:</b>
Registering your security cameras system does not make you an agent or employee of the Grand Rapids Police Department. You should not investigate crime on your own.	Contact Address:	<b>Camera 3 View:</b>
