The City of Grand Rapids Office of Special Events (OSE) is committed to generating year-round, high-quality events and activities that welcome all and display our community’s vibrancy and diversity. The mission of the OSE is to reinforce Grand Rapids’ position as a destination city by providing fun, safe, equitable, and inclusive special events, activities, and experiences for all Grand Rapids residents and visitors to enjoy. We believe that events and activities can bring diverse groups together around a common vision, interest, or goal to share, fellowship, celebrate, raise funds, promote causes, and just have fun. Special events occur in all of our Wards, creating an opportunities for the City to engage neighborhoods and create a sense of community. Events build a social, emotional, and physical connection and engagement between neighborhoods and the community. When events happen, our city is vibrant, tourists visit, and our local economy thrives.

The economic impact of the coronavirus on events has been devastating and the social and emotional impact has been even more damaging. The City Grand Rapids has made a commitment to supporting the events industry to boost the local economy and revitalize the sense of community and hope that attract so many to our town annually. We can accomplish this by providing supportive funding to creative, responsible, and safe events and activities that re-engage our residents and visitors, encourage community unity and pride, and promote equity.

The pandemic has disproportionately affected black and brown communities and exacerbated racial disparities and inequities. Additionally, it has impacted our lower social economic communities that engage in our open and free events. The pandemic, civil unrest, and social injustice issues combined to have a greater impact on those with lesser resources. But now, we are at a moment of opportunity. Collective action that brings together public, private, and social-sector stakeholders is the most hopeful way to create broad, permanent change. In response to this reality, events that directly impact equity as it pertains to location, vendor/artist/entertainer participation, cultural education & relevance, etc. will be given particular consideration.

**Sponsorship Selection Process**

Recipients will be selected by an Evaluation Committee comprised of the Special Events Manager, Mobile GR Representee, Office of Equity and Engagement Representee, and the Assistant City Manager. The selection committee will review the submissions based on the degree to which their impact aligns with the City’s Strategic Plan. The selected events will be recommended to the City Manager’s Office for final approval. Sponsorship awardees will be announced thereafter.

**Use of Sponsorship Funds**

The City of Grand Rapids desires to support activities that promote or bring the community together in its richness and vibrancy. The purpose of the GRSESP is to allow non-profit organizations to apply for funds to help defray the costs of Community level events that are open and free to the public. Typically, these funds pay for City fees related to barricade placement, police services, trash receptacles, permit fees, or facility rental. In other instances, the funds may support children’s activities, educational workshops, advertising, printing, or local entertainment. The funding does not cover wages nor VIP or private events. The sponsorship direct payment or City service credit may be applied towards the following:

- Special event expenses
- On-going program costs/expenses
- Special event application or permit fee
- Reservation fees for facilities and equipment owned by the City of Grand Rapids
- City staff time, if required, including GRPD services
- Liability insurance fees (if acquired from through the City of Grand Rapids)

**Event Sponsorship Criteria**

The City of Grand Rapids receives many requests for financial sponsorships. While supportive in spirit of all approaches, we are limited to providing financial support to events we view as most closely aligned with our core mission as defined in our strategic plan. Organizations that are part of the Grand Rapids Special Event Sponsorship Program (GRSESP) celebrate the unique identity that makes Grand Rapids a destination community. The program is intended to help organizations immediately activate special events and jump-start long-term growth as events become established.

The City of Grand Rapids is committed to supporting special events that strengthen community vitality and foster healthy, enriched lifestyles. Our GRSESP aids not for profit, non-governmental organizations in producing special events that enhance Grand Rapids’ neighborhoods in the following ways:

- Support equitable economic impact through intentionally engaging BIPOC and diverse vendors
- Provide cultural and educational enrichment
- Create ownership and a sense of belonging
- Enhance pride and a sense of community
- Celebrate our unique and diverse history and heritage and promote a positive image of the City
The goal of the GRESP is to reactivate events and re-engage the community, by revitalizing the local economy within the City of Grand Rapids. The GRESP will support events that build the brand and add to the cultural vibrancy of Grand Rapids, as well as elevates community, and engages in economic recovery. Events must be organized by a **not-for-profit or nonprofit entity and open and free for attendees, spectators, and participants**. Organizations that exist primarily for political purposes or for the purpose of providing funding to or managing other groups or entities are not eligible. Eligibility is determined by the criteria listed below; the event must:

- occur during the listed cycle timeframe
- be held on public property within the City of Grand Rapids
- be free and open to the public
- not be political in nature
- align with the City’s mission and values of equity to enhance the Grand Rapids community
- must be in good standing with the City of Grand Rapids. This includes organizers and fiduciaries and is determined in part by the City’s Treasurer department.
- complete the permit process in a timely manner and receive a special event permit from the Office of Special Events
- not have already occurred

The City of Grand Rapids will consider entering into sponsorship agreements that further the City’s mission by providing monetary or in-kind benefits for special events conducted by external, nongovernmental groups in the city. However, the City recognizes that the public trust and perception of its integrity and impartiality may be damaged by sponsorships that: a) establish or are perceived as establishing an inappropriate association; are perceived to be politically oriented; c) are offensive to segments of its residents; or d) are aesthetically displeasing. Therefore, the City will only consider sponsorships in limited circumstances as outlined in this policy. The City may allocate lower levels of funding than requested based on staff review, number of applications received, and total amount of funding available.
