

GR HOME SHARE

A SHARED HOUSING PROGRAM

LOOKING TO SHARE YOUR HOME?

Our "providers" share their homes with others for financial support, companionship, personal safety, and/or help with household chores. Providers may be homeowners over the age of 55 who would enjoy and benefit from sharing their home with another.

LOOKING FOR HOUSING?

Our "seekers" find safe, affordable housing in exchange for submarket-rate rent and/or fulfillment agreed upon household chores or support functions. Seekers may be students, young professionals, able-bodied seniors, persons working low-wage jobs, or anyone in need of low cost housing who enjoys living with others.

OUR PROGRAM offers a safe, creative solution to high housing costs and allows senior homeowners to "age in place" with safety and companionship. Let our trained staff match you with a compatible provider or seeker.

SHARE YOUR HOME. SHARE YOUR HELP. SHARE YOUR LIFE.

HOW DO I GET INVOLVED?

Be a provider. Be a seeker. Be a supporter.
