

WHAT'S YOUR PRIORITY?

If you had \$2 million to invest in Grand Rapids, where would it go?
YOU CAN HELP DECIDE!

This fall, Participatory Budgeting Grand Rapids gives you an opportunity to offer ideas on how to invest \$2 million in your neighborhoods. Participatory budgeting allows you to submit your project ideas, and then you and your neighbors vote on the projects you'd like to see get done!

To sign up for notifications and updates, and to learn more about submitting project ideas, go to **pbgr.org**.

If you'd like to contribute your talents to help with outreach, education, voting efforts or project development, send us an e-mail at **pb@grcity.us**.

Go to pbgr.org to get involved!
