City of Grand Rapids Strategic Planning Workshop

March 15, 2019
Continued from February 26, 2019
Agenda

• City Manager Mark Washington kickoff
• Work completed since January 22, 2019 Strategic Planning Workshop
• Overview and discussion of each strategic priority
• Wrap-up and next steps
Values

**Accountability**  Always acting with integrity and transparency and being responsible for what you do and say.

**Collaboration**  Working together in partnership with others; teamwork.

**Customer Service**  Professionally taking care of those that live, work or visit the City. Providing respectful, excellent, high quality service and assistance before, during and after the person's interactions with the City.

**Equity**  Leveraging City influence to intentionally remove and prevent barriers created by systemic and institutional injustice.

**Innovation**  Challenging how things have been done before. Fulfilling customer needs by offering new ways of making lives better and operations more successful. Being nimble, self-aware and open to feedback.

**Sustainability**  The ability to be maintained; making decisions with an understanding of how those decisions will impact the environment, people and communities in addition to finances.
Vision

Grand Rapids will be nationally recognized as equitable, welcoming, innovative and collaborative with a robust economy, safe and healthy community, and the opportunity for a high quality of life for all.
