• Instituted altered patrol schedule so officers work 84 hours (seven consecutive 12-hour shifts) and then have 14 days off to stop the spread of COVID-19

• All members have N95 masks, eye protection, and latex gloves. Calls assigned to patrol officers are screened with social distancing now a “tactical” decision when approaching complainants, victims, and witnesses; officers are also using cell phones to interview complainants

• GRPD instituted mandatory health screening for all employees/visitors coming into the police department as well as those who are arrested (temperature, coughing, etc)

• Public access is limited with screening of all visitors coming into the lobby through an intercom system

• Dedicating Homeless Outreach Officer
Fire and Police unit to support shelter communication and homeless interactions

- Assisting logistics and procurement with personal protective equipment (PPE)
- Assist with homeless sheltering density reduction and inspections of alternate care facilities
