2. When prompted, enter the webinar number 2345 990 8342 and password vitalstreets.

To join via a telephone (audio only):

1. Please call: 1-408-418-9388
2. When prompted, enter the access code 2345 990 8342.

Tentative Construction Schedule

2023

Design

The project will install sidewalk on the north side of Ken-O-Sha Industrial Park Drive from Eastern Avenue to the east end and on the west side of Covell Avenue from Lake Michigan Drive to Bridge Street to fill in gaps in the sidewalk network to provide transportation choices for people.

After the project is complete, property owners are required to:

- Clear sidewalks within 24 hours from the time it stops snowing.
- Maintain the parkway. The parkway is the area between the sidewalks and curb.

Prior to construction starting, we will send another mailer with construction details and the project schedule. Please visit our website above and search *Ken-O-Sha* or *Covell* for more information.

Persons needing accommodations for effective meeting participation should contact Community Engagement no later than one week in advance to request mobility, visual, hearing, interpretive, or other assistance.
