GENERAL INSTRUCTIONS FOR ALL FILERS

This section contains general information regarding all returns. Specific instructions are attached for RESIDENT, NON-RESIDENT and PART-YEAR returns.

PLEASE INCLUDE W-2 FORM(S) WITH YOUR RETURN. The processing of your return may be delayed if the W-2 Forms are not attached.

WHO MUST FILE A RETURN

If you had Grand Rapids taxable income greater than the total of your personal and dependency exemptions, you must file a tax return — even if you did not file a federal tax return. See Exemptions Schedule for more information on your allowable exemptions. **You are required to file a tax return and pay tax even if your employer did not withhold Grand Rapids tax from your paycheck.** You will be required to make quarterly estimated income tax payments if you work for an employer not withholding Grand Rapids tax from your wages.

ESTIMATED TAX PAYMENTS

When your total income tax is greater than the amount of tax withheld plus other credits by \$100 or more, you may be required to make quarterly estimated tax payments. File Form GR-1040ES (available on the Grand Rapids website) by April 30 of the tax year and pay at least one-fourth (¼) of the estimated tax. The remaining estimated tax is due in three equal payments on June 30 and September 30 of the tax year and January 31 of the following year. Adjust the remaining quarterly payments if your income increases or decreases during the year.

Failure to make required estimated tax payments or underpayment of estimated tax will result in assessment of penalty and interest.

If you have made estimated tax payments and do not owe additional tax for the year, you still must file a tax return.

DUE DATE AND EXTENSIONS

Returns are due on or before April 30th each year. If a due date falls on a weekend or holiday, the due date becomes the next business day.

The due date of the annual income tax return may be extended for a period not to exceed six months. To apply for an extension, file Form GR-4868, Application for Automatic Extension of Time to File an Individual Income Tax Return. Applying for a federal extension does not satisfy the requirement for filing a Grand Rapids extension. Application for an extension must be made and the tentative tax due must be paid (MCL 141.664). Filing an extension with payment is not a substitute for making estimated tax payments. **An extension does not extend the time for paying the tax due.**

When an extension form is filed and the balance due is paid, it may be assumed that the extension is automatically granted unless otherwise notified. Interest and penalty is charged on taxes paid late even if an extension of time to file is granted. Penalty may be waived by the Income Tax Administrator if the tax paid by the original due date is not understated by more than 5% of tax or the taxpayer is able to show that the failure to pay on time was due to reasonable cause.

CHARGES FOR LATE PAYMENTS

All taxes remaining unpaid after the due date are subject interest at the rate of 1% above the adjusted prime rate on an annual basis and to penalty at a rate of 1% per month, not to exceed a total penalty of 25% of the tax. The minimum charge for interest and penalty is \$2.00.

AMENDED RETURNS

If you have already filed a return and need to make changes, you may file an amended return. If your federal return is adjusted and the change affects your Grand Rapids income, an amended return must be filed and paid within 90 days. You may use the GR-1040X amended form available on our website. If you are writing corrections on a copy of the original tax return, please clearly write AMENDED at the top of the return. **Please be sure to provide an explanation for the amendment.** This information can be provided on page 2 of the 1040X in Part III: Explanation of Changes or by attaching a separate sheet. Amended returns may be mailed to: Grand Rapids Income Tax Dept, PO BOX 347, Grand Rapids, MI 49501-0347. If

applicable, please attach a copy of the amended federal return or the IRS notice detailing why your federal return was adjusted.

DISCLAIMER

These instructions are interpretations of the Grand Rapids Income Tax Ordinance, MCLA 141.601 et seq. The City of Grand Rapids Ordinance will prevail in any disagreement between these instructions and the Ordinance.

Grand Rapids does not tax the following types of income:

1. Social Security, pensions and annuities (including disability pensions), Individual Retirement Account (IRA) distributions received after reaching age 59½.
2. Proceeds of insurance where the taxpayer paid policy premiums. (Payments from a health and accident policy paid by an employer are taxed the same as under the Internal Revenue Code).
3. Welfare relief, unemployment compensation and supplemental unemployment benefits.
4. Interest from obligations of the United States, the states or subordinate units of government of the states and gains or losses on the sales of obligations of the United States.
5. Military pay of members of the armed forces of the United States, including Reserve and National Guard pay.

6. Michigan Lottery prizes won on or before December 30, 1988. (Michigan lottery prizes won after December 30, 1988 are taxable to residents.)
7. Sub-chapter S corporation distributions.
8. City, state and federal refunds.

ITEMS NOT DEDUCTIBLE ON THE GRAND RAPIDS RETURN

Grand Rapids does **not** allow deductions for items such as taxes, interest, medical expenses, charitable contributions, casualty and theft losses, etc. In addition, the following federal adjustments are not deductible on the Grand Rapids return: student loan interest, Archer MSA deduction, self-employed health insurance deduction, one-half or self employment tax, and penalty for early withdrawal of savings. Grand Rapids allowable deductions can be found under the DEDUCTIONS SCHEDULE on page 2 of the tax form.

PAGE 1: Page 1 of the tax form has 3 columns. **Column A** should have all income as reported on your federal tax return. **Column B** is where income NOT taxable to Grand Rapids will be reported, such as excludible non-resident wages (see non-resident instructions). **Column C** should contain only the income taxable to Grand Rapids.

Line 22 is where your total taxable income after subtracting applicable deductions and exemptions will be reported. This amount will be multiplied by either the resident rate (.015) or the non-resident rate (.0075) depending on your filing status on **Line 23**. If you were a part-year resident, the tax amount will be carried to Line 23 from the Sch TC (part-year resident schedule).

Line 24. On Line 24, you will report Grand Rapids tax withheld by your employer(s) in Box 24a – **ATTACH W-2 FORMS SHOWING THE GRAND RAPIDS TAX WITHHELD**. Estimated tax paid, tax paid with extension and credits from the previous tax year are reported in Box 24b. Corporate and partnership tax credits are also to be claimed in Box 24b. Credit for tax paid to another city is claimed in Box 24c – **ATTACH PAGE 1 OF THE OTHER CITY'S TAX FORM**. Failure to attach W-2 Forms and other city tax forms may result in a delay in processing your tax return.

Subtract the amount on Line 23b from the amount on Line 24d (or Line 25c if you are factoring in interest and penalty for late payment of tax or non-payment of estimated tax).

Line 26 (TAX DUE). If Line 24d (or 25c) is LESS than Line 23b, you owe tax and will report the amount on Line 26. To pay with a check or money order, please make payable to GRAND RAPIDS CITY TREASURER. Be sure your name and Social Security or account number is on the payment. You may also have the money directly withdrawn from your checking or savings account by filling out the bank account information at the bottom of the form. Additional options for payment are available on our website: grandrapidsmi.gov/Payments/Income-Tax-Payments. If you will be mailing a payment with a payment voucher separately from the tax return, do not provide your bank account on the tax return. **SEE MAILING ADDRESS AT THE BOTTOM OF PAGE.**

Please note the tax is due when you file the tax return. Payment arrangements are available, however your return must be filed and in our system before a plan can be established.

Line 27 (REFUND). If Line 24d (or 25c) is MORE than Line 23b, you are due a refund and will report the amount on Line 27. If you would like the full amount to be refunded, put the amount on **Line 30**. Options for donating all or part of your refund are on **Line 28**. If you would like your refund to be issued as a direct deposit, please fill out the bank account information at the bottom of the form. Please allow 45 days before contacting our office to inquire about refund status. **SEE MAILING ADDRESS AT THE BOTTOM OF PAGE.**

Line 29. If you would like all or part of your refund to be credited to the next year, put the amount on Line 29.

PAGE 2. All taxpayers should complete the **EXEMPTIONS SCHEDULE** at the top of the page. Please note all taxpayers are to claim 1 exemption for self – even if claimed as a dependent on another person's return. Dependents should be the same as reported on your federal tax return – if you cannot claim a dependent on the federal return, you cannot claim them on the Grand Rapids return.

EXCLUDED WAGES AND TAX WITHHELD SCHEDULE (Please attach W-2 Forms even if completing this schedule). All wages of RESIDENTS are taxable – even if earned outside of the Grand Rapids city limits. For NON-RESIDENTS, wages earned outside of the Grand Rapids city limits are not taxable, however documentation from the employer will be required if Grand Rapids tax was withheld on the excluded wages. Additional information can be found with the non-resident instructions.

DEDUCTIONS SCHEDULE. Deductions are allowed to the same extent as the federal return, however must be pro-rated if you were a non-resident or part-year resident. For example, if you contributed to an IRA as a non-resident but only 50% of your wages were taxable to Grand Rapids, only 50% of the IRA contribution can be claimed.

Allowable deductions include: **1. Contributions to an Individual Retirement Account (IRA).**

2. Self-Employed SEP, SIMPLE and Qualified Plans.

3. Employee Business Expenses. Employee business expenses are deductible only when incurred in the performance of service for an employer and only to the extent not reimbursed by the employer. Meal expenses are not subject to the reductions and limitations of the Internal Revenue Code. Under the Grand Rapids Income Tax Ordinance, meals must be incurred while away from home overnight on business.

BUSINESS EXPENSES ARE LIMITED TO THE FOLLOWING:

- A. Expenses of transportation, but not to and from work.
- B. Expenses of travel, meals and lodging while away from home overnight on business for an employer.
- C. Expenses incurred as an "outside salesperson" away from the employer's place of business. This does not include driver-salesperson whose primary duty is service and delivery.
- D. Expenses reimbursed by employer from an expense account or other arrangement if included in gross earnings.

NOTE: Business expenses claimed on line 4 of federal Form 2106 are not allowed unless taxpayer qualifies as an outside salesperson.

Please attach federal Form 2106 to support the deduction claimed.

4. Moving Expenses. For tax years after 2017, only members of the military are eligible to claim moving expense. If applicable, attach federal Form 3903.

5. Alimony Paid (do not include child support). Attach the federal return showing the recipient's Social Security number and amount paid.

6. Renaissance Zone Deduction; attach Sch RZ if applicable.

ADDRESS SCHEDULE (Taxpayer, Spouse or Both). Please complete this section with all home addresses for the tax year.

THIRD PARTY DESIGNEE. If you would like to authorize another person to discuss the tax return, check the box for YES and provide their information.

NONRESIDENTS

If you lived outside of the Grand Rapids city limits for the entire year but had income earned inside of the Grand Rapids city limits, you will file a non-resident tax return. If you moved during the year and lived both inside and outside of the Grand Rapids city limits, you will file as a part-year resident. See separate part-year tax form, instructions and Sch TC (part-year resident schedule) if applicable.

For non-residents, only income earned in the city limits is taxable. Alimony received and gambling winnings are not taxable to non-residents.

NONRESIDENT INCOME SUBJECT TO TAX:

1. Compensation for work done or services performed in the Grand Rapids city limits which includes, but is not limited to, the following: bonuses, commissions, fees, tips, incentive payments, severance pay, vacation pay and sick pay.
2. Net profits from the operation of an unincorporated business, profession or other activity attributable to business activity conducted in Grand Rapids, whether or not such business is located in Grand Rapids. This includes business interest income from business activity in Grand Rapids.
3. Gains or losses from the sale or exchange of real or tangible personal property located in the Grand Rapids city limits.
4. Net profits from the rental of real or tangible personal property located in Grand Rapids.
5. Premature distributions from an Individual Retirement Account (IRA) where a deduction was claimed on a current or previous year's Grand Rapids income tax return.
6. Premature distributions from a pension plan attributable to work performed in Grand Rapids.
7. Deferred compensation earned in Grand Rapids.

Wages received while on vacation, holiday and sick pay are taxable at the same percentage as your taxable wages, as is third party sick pay. Severance pay is also taxable at the same percentage as your wages had been taxable. If you allocated wages prior to receiving severance pay, a 3 to 5 year average should be used. This income cannot be excluded merely because it was paid to you after you stopped physically working in the Grand Rapids city limits.

Wage Allocations on Commissions, etc. A nonresident salesperson paid on a commission basis or other results achieved should allocate wages based on commissions received or other results achieved attributable to efforts expended in Grand Rapids. A nonresident insurance salesperson paid sales commissions and renewal commissions should allocate compensation on the following basis: Allocate commissions from life, health, accident and vehicle (auto) insurance based on the location (residence) of the purchaser. Allocate commissions from group insurance based on the location of the group. Allocate commissions from fire and casualty insurance based on the location of the risk insured.

Line 1 – Taxable wages. In Column A, you will report 100% of your wages as shown on the federal return. In Column B, you will report wages earned outside of the Grand Rapids city limits. If excluding wages in Column B, you will need to attach the WAGES AND EXCLUDIBLE WAGES SCHEDULE (Attachment 2-1, typically found on page 3 of the tax form). Box 7 asks for the address of your actual work location – this is not always the same as the address on the W-2 form. In Box 7 you should provide the location where you actually physically report to in order to perform your work duties. If you work in multiple locations for an employer, mark (x) the box on Line 6 and provide as much detail as possible.

Please note that if you exclude 100% of your wages from an employer that withheld tax for Grand Rapids, you will be asked to provide a statement from the employer that no work duties were done in the Grand Rapids city limits. If you will not be working in the city limits for the employer, we also ask for the date that they stopped withholding tax for Grand Rapids. Grand Rapids tax should not be withheld on wages earned outside of the Grand Rapids city limits by non-residents. You may need to file an updated W-4 Form with your payroll department to indicate you do not live or work in the Grand Rapids city limits. Employer verification may also be requested if you indicate a large percentage of your time was spent working outside of the Grand Rapids city limits.

Wages earned while working from home. The same verification from the employer will be requested if you exclude wages earned while working at home when Grand Rapids tax was withheld. If you are permanently working remotely and will not be returning to a Grand Rapids work location, withholding for Grand Rapids should be ceased. **Starting with tax year 2022, the CF-COV Covid work allocation worksheet will not be accepted as mandatory government stay home orders were no longer in place.** The Grand Rapids Income Tax Ordinance (Sec. 141.613, Reg. 13.2) states the following: the mere fact that a nonresident employee takes work home with them and performs such work at their home does not permit for the allocation of compensation. If an office or other work space is maintained for you in the city limits and you choose to work from home, this compensation cannot be allocated/excluded.

Wages are only to be taken from Box 1 of the W-2 form. Wages are not to be taken from Box 18. If you are allocating wages and Box 18 is the correct taxable amount, you are still required to fill out WAGES AND EXCLUDIBLE WAGES SCHEDULE.

Line 2 – Taxable interest. In general, interest income is not taxable to non-residents unless related to business income. For example, if you own commercial property in the Grand Rapids city limits and receive income (such as interest paid on land contract) the interest is taxable.

Lines 3 and 5 – Dividends and Alimony. Neither item is taxable to non-residents.

Line 6 – Business income (or loss) – PLEASE ATTACH FEDERAL SCH C. Any business income earned in the Grand Rapids city limits is taxable to non-residents. If you are claiming a loss, please be sure the actual address of the business is provided so we may verify it was in the Grand Rapids city limits or the loss may be disallowed.

Line 7 – Capital Gains (or Losses). Capital gains or losses of a nonresident are included in taxable income to the extent the gains or losses are from property located in Grand Rapids. Capital losses from property located in Grand Rapids are allowed to the same extent they are allowed under the Internal Revenue Code. Unused capital losses may be carried over to future tax years. The capital loss carryover for Grand Rapids may be different than the carryover for federal income tax purposes. Deferred capital gain income from installment sales and like-kind exchange of property located in Grand Rapids are taxable in the year recognized on the taxpayer's federal income tax return. Flow through income or loss from an S corporation reported on a nonresident's federal Schedule D is excluded on the Exclusions and Adjustments to Capital Gains or (Losses) schedule. Attach copies of federal Schedule K-1 (Form 1120S). Use the Exclusions and Adjustments to Capital Gains or (Losses) schedule to compute exclusions and adjustments to capital gains. NOTE: A common error on a nonresident return is failure to complete the Exclusions and Adjustments schedule to exclude the capital loss carryover reported on the taxpayer's federal income tax return.

Line 8 – Other Gains (or Losses). A nonresident's other gains and losses are included in taxable income to the extent the gains or losses are from property located in Grand Rapids. Deferred other gains and losses from installment sales and like-kind exchanges of property located in Grand Rapids are taxable in the year recognized on the taxpayer's federal income tax return. Deferred other gains must be supported by attaching a copy of federal Form 6252 and/or Form 8824. Flow through income or loss from an S corporation reported on federal Form 4797 is excluded on the Exclusions and Adjustments to Other Gains and (Losses) schedule. Attach copies of federal Schedule K-1 (Form 1120S). Nonresidents reporting other gains and losses must attach a copy of federal Form 4797. Use the Exclusions and Adjustments to Other Gains and Losses schedule to compute exclusions and adjustments to other gains and losses reported on the federal income tax return. On line 4 of the schedule enter the total excluded other gains or losses and also enter this total on page 1, line 8, column B.

Line 9 – IRA Distributions. That portion of a premature IRA distribution that was deducted from Grand Rapids taxable income in the current or a prior tax year (reported on Form 1099-R, box 7, distribution code 1) are taxable to a nonresident. IRA distributions received after age 59 ½ or described by Section 72(t)(2)(A)(iv) of the IRC are not taxable.

NONRESIDENTS (Continued)

Line 10- Taxable Pensions and Annuities. Premature pension plan distributions (those received by a nonresident prior to qualifying for retirement) are taxable to the same extent the normal wages from the employer are taxable. A nonresident remaining employed by the particular employer in Grand Rapids may not exclude amounts received from deferred compensation plans that let the employee set the amount to be put aside and do not set retirement age or requirements for years of service. These plans include, but are not limited to, plans under Sections 401(k), 457 and 403(b) of the Internal Revenue Code (IRC): Amounts received before the recipient could retire under the plan provisions, including amounts paid on separation, withdrawal or discontinuance of the plan. Amounts received as early retirement incentives unless the incentives were paid from a pension trust. Form 1099-R, box 7, code 8, Excess contributions or excess deferrals taxable in current tax year are taxable to a nonresident to the same extent and on the same basis as the normal earnings from the specific employer are taxable. Note: Form 1099-R, box 7, code P, reports excess contributions or excess deferrals taxable in the prior tax year and may require a nonresident to file an amended return for the prior tax year. See Line 10 under "Residents" for additional information on nontaxable pension and retirement benefits.

Line 11 – Rental real estate, royalties, partnerships, S Corporations, trusts, etc. – PLEASE ATTACH FEDERAL SCHEDULE E. All income reported on the federal Schedule E that comes from business activity in Grand Rapids or property located in Grand Rapids is taxable to nonresidents. When an estate or trust has taxable income in Grand Rapids, the estate or trust must file a return and pay tax on distributions to nonresidents and on undistributed taxable income. The following income reported on federal Schedule E is excludable: income from business activity or property outside Grand Rapids including royalty income upon which Michigan severance tax was paid; S corporation flow through income or loss reported on Schedule E; and income from estates and trusts. Explain all exclusions on the Exclusions and Adjustments to Income from Rental Real Estate, Royalties, Partnerships, S Corporations, Trusts, Etc. schedule. On line 6 of this schedule enter the total exclusions and adjustments; enter also on page 1, line 11, column C.

Line 13 – Farm Income (or Loss). A nonresident's profit or loss from a farm are included in Grand Rapids income to the extent the profit or loss results from work done, services rendered or other activities conducted in Grand Rapids. The portion of the profit or loss reported on the Grand Rapids return is determined by use of the three factor Farm Allocation Percentage formula. Sales of crops at the produce market, any of the farmer's markets or a produce stand located in the city is Grand Rapids business activity and subjects the farm to Grand Rapids income tax.

Line 16 – Other Income. Any other income earned in the Grand Rapids city limits for which there is not a specific line is reported here. Gambling income is not taxable to non-residents of Grand Rapids.

Line 19 – Total Deductions. A nonresident's deductions are limited by the extent they relate to income taxable under the Grand Rapids Income Tax Ordinance. Nonresidents must allocate deductions the same way related income is allocated. For example, if you contributed to an Individual Retirement Account (IRA) but only 50% of your wages are taxable to Grand Rapids, only 50% of the IRA deduction can be claimed.
