

# Boston Street (Fuller Avenue to Plymouth Avenue) Road Design and Construction

Address block here

A street reconstruction project is coming to your neighborhood next year on the street listed above. You are invited to an upcoming meeting to learn about the proposed design.

Prior to the start of the project, we'll send out another mailer to share construction preparation information. You received this letter because you are within 350 feet of the project.

## Concept Design Meeting

*Date & Time:* Tuesday, June 18, 2024 from 6 to 7 p.m.

*Location:* Grand Rapids Christian Elementary School, Evergreen Campus  
1630 Griggs St SE Grand Rapids, MI 49506

## Contact Information

311 or 616-456-3000

## Survey

Please take our quick project survey to share your thoughts on the proposed preferred design as well as inform us about any flooding, water pressure, or sanitary sewer backup issues. To take the survey, you can:

1. Visit [gr.publicinput.com](http://gr.publicinput.com) and search for *Boston*
2. Text *Boston* to 73224
3. Scan the QR code to the right with your smartphone camera
4. Call 311 or 616-456-3000

## Tentative Construction Schedule

2025

## Concept Design

Streets account for the biggest percentage of public space in our City and construction presents an opportunity to change a street's design to serve all users.

The design described below was decided upon based on the guidance and recommendations in the City's Vital Streets Plan and Design Guidelines and Bicycle Action Plan.

The project will:

- Place new water main in Boston from Calvin to Plymouth.
- Replace existing lead water services.
- Reconstruct the street, curb, and gutter, including:
  - Installing curb extensions at intersections to shorten pedestrian crossings, better define the parking lanes, and help slow traffic speeds.
  - Upgrading sidewalks and ramps to meet the Americans with Disabilities Act standards.
  - Moving curbs two and half feet on both sides to widen the street between Fuller and Rosewood.
- Install neighborhood roundabouts on Boston Street at the Calvin, Rossman, Sylvan, and Rosewood intersections to improve safety for all roadway users and help slow traffic.
- Remove the parking lane on the north side of the street.
- Maintain the parking lane on the south side of the street from Fuller to Rosewood.
- Remove parking from both sides of the street between Rosewood and Plymouth to save mature trees.
- Install bicycle lanes on both sides of the street.
- Replace all driveway approaches.

**Curb Extension Example**
