

Clean-Up Plan

Event Name: Soul League Basketball League

Location: Garfield Park, Grand Rapids, MI

Organizer: Soul League Management Team

Point of Contact: Name, Mobile, Email

CLEAN-UP PLAN

Soul League is committed to respecting the community and leaving the park better than we found it.

A. Vendor: Waste Management:

- Trash Stations:
 - One dumpster, 4 trash bins, and 2 recycling bins will be placed strategically around the court and seating area. See site map for placement.
 - Each bin will be clearly labeled and checked by event volunteers every hour.

B. Staff/Volunteers:

- A dedicated Clean-Up Crew of 4 volunteers will:
 - Patrol during games to empty bins if full.
 - Conduct a full sweep of the park post-event to collect litter, check restroom areas, and return the site to original condition.

C. Supplies:

- Trash bags, gloves, brooms, dustpans, and disinfectants will be supplied by the event team.
- Refuse and recycling carts, plus one dumpster will be supplied by the vendor.
- All trash will be disposed of in the designated event dumpster and hauled away by the vendor to an approved facility.

D. Timeline:

- Clean-up will begin immediately after the final game and be completed within 2 hours post-event.
- A final inspection by the Soul League coordinator will confirm that the park is clean and undamaged. (City staff will inspect the area post event)

E. Restroom Maintenance:

- If using city-provided restrooms, Soul League volunteers will check and clean restrooms hourly.
- If portable toilets supplied by a vendor, the rental company will be scheduled to service as needed.
