

# Special Land Use

Special Land Use review and approval is needed for certain uses of property that have the potential to impact adjacent properties and the neighborhood. The Special Land Use application and review procedure is intended to ensure that the proposed use will be designed, operated, maintained and managed in a way that will be compatible with neighboring properties and will not be detrimental to the City. The application process includes public notice of the proposed use and a public hearing before the Planning Commission. Conditions of approval may be required by the Planning Commission to mitigate potentially adverse effects of the use.

# Application Procedures

## Special Land Use

### 1. General Information

A Special Land Use (SLU) approval is required where the use of land requires an intensive review, often with conditions tied to approval, to ensure compatibility with adjacent properties and the community as a whole. Special Land Uses are identified in Articles 2, 5, 6, 7, 8, and 9 of the Zoning Ordinance and often vary from district to district. The Zoning Ordinance lists application procedures and review standards in Article 12, Section 5.12.09.

### 2. Pre-Application Consultation

A pre-application meeting with Planning staff is recommended prior to the submission of the application. Such a meeting helps ensure a smooth application process.

### 3. Neighborhood Outreach

Neighborhood outreach is strongly recommended for a Special Land Use application. The purpose of neighborhood outreach is to inform nearby stakeholders of the proposed project, receive comments and address concerns about the proposal, and whenever possible resolve conflicts in advance of Planning Commission review. Failure to conduct outreach activities may result in a tabling of the request. Recommended procedures are found in Section 5.12.06. of the Zoning Ordinance.

### 4. Application

An application packet for a Special Land Use is available from the Grand Rapids Planning Department, located on the third floor of 1120 Monroe Avenue NW or at the Planning Department's website [www.grandrapidsmi.gov/planning](http://www.grandrapidsmi.gov/planning) under Forms and Applications. You may also call 616-456-4100.

A complete application must be received at least one (1) month prior to the Planning Commission meeting. See [www.grandrapidsmi.gov/planning](http://www.grandrapidsmi.gov/planning) for a calendar of Planning Commission meetings and application deadlines. The project description is a very important part of the application.

### 5. Beer, Wine or Other Alcoholic Beverages

If the application for a Special Land Use involves the sale or consumption of beer, wine or other alcoholic beverages, a supplemental application form is required to address Alcohol Sale Review Standards under Section 5.9.05. of the Zoning Ordinance. Other information, listed in the Alcohol Sales Supplement Checklist, is also required.

### 6. Staff Review

The application will be reviewed by Planning Department staff prior to submission to the Planning Commission. A Planner may contact the applicant with questions or a request for additional information, or may advise the applicant on recommended changes or revisions to the application and submittals for the purpose of clarity.

### 7. Notice of Public Hearing

Following the staff review, the Special Land Use request is forwarded to the Planning Commission for a public hearing. A notice of the public hearing is published in the Grand Rapids Press 15 days prior to Planning Commission meeting. Property owners and residents within a 300 ft radius of the subject property are notified by post card. Interested persons may submit a letter or speak at the public hearing.

### 8. Planning Commission Meeting

All meetings of the Planning Commission are held in the City Commission Chambers of City Hall on the 9<sup>th</sup> floor of 300 Monroe Avenue NW.

Public hearings begin at 1:00 p.m. The Planning staff introduces and explains the request to the Planning Commission. The applicant is then asked to present information on their proposal. The Planning Commission may ask questions of the staff and/or applicant. The Planning Commission then allows public comment on the application, and a chance for the applicant to respond to any concerns or questions. The public hearing is then closed and the Planning Commission deliberates on the request in open session. The Planning Commission may approve, approve with conditions, deny, or table the SLU application. If approved, the effective date is 16 days following the decision.

### 9. Written Notice

The applicant will be provided with a letter and resolution that documents the decision of the Planning Commission, including any conditions of approval.

### 10. Appeal of Denial

If the Planning Commission denies an application for a Special Land Use, the applicant may appeal the decision to the Board of Zoning Appeals. The appeal must be filed with the Planning Department within 15 days of the decision. Conditions of approval cannot be appealed.
