Tentative Construction Schedule

2026

Project Details

The project will:

- Place a new 6-inch water main.
- Install a liner inside the existing 24-inch water main.
- Remove the existing road surface and pave a new layer of asphalt, including:
 - Moving curbs at the NE corners of Philadelphia/Adams and Sylvan/Adams intersection to narrow the intersection and shorten the pedestrian crossings.
- Upgrade sidewalks and ramps to meet the Americans with Disabilities Act standards.
- Replace some driveway approaches.
- Plant new street trees.

Persons needing accommodations for effective meeting participation should contact Community Engagement no later than one week in advance to request mobility, visual, hearing, interpretive, or other assistance.
