

Pedestrian Crossing Beacon Installation Bridge Street and Winter Avenue

Address block here

A pedestrian crossing improvement project is coming to your neighborhood. You are receiving this postcard because this work is occurring near you. We invite you to attend an upcoming meeting to learn more about the proposed improvements.

Virtual Meeting Information

Date & Time: Wednesday, January 31, 2024, from 2 to 3 p.m.

We recommend using a computer or smartphone to join this meeting if you are able. You may call the number below to join the meeting via phone only, but you will not be able to see the presentation.

To register for this meeting:

1. Visit grandrapidsmi.gov/roadconstruction and search for *Bridge* or *Winter*.
2. Scan the QR code to the right with your smartphone camera.

To join via a telephone (audio only):

1. Please call: 1-616-258-6791
2. When prompted, enter the access code 675 230 210#.

Pedestrian Crossing Beacon Installation

The City of Grand Rapids will install a pedestrian-activated crossing beacon on Bridge St NW at Winter Ave.

This project will also:

- Change Winter Ave from Douglas St to Bridge St from a one-way to two-way traffic.
- Widen the sidewalk west and south of O'Toole's.
- Remove existing street trees and install new trees.

Please visit our website and search for *Bridge* or *Winter* for a visual of the improvements and more project details.

Persons needing accommodations for effective meeting participation should contact Community Engagement no later than one week in advance to request mobility, visual, hearing, interpretive, or other assistance.
