WHO WE ARE

The Grand Rapids Area Hoarding Taskforce is comprised of a team that aims to help individuals navigate the complex circumstances when living in a cluttered environment. We work on connecting individuals with community-driven resources to assist with the organization and the decluttering of homes. Our goal is to aid individuals improve their living conditions by providing supportive systems to create leverage between the legal consequences of hoarding, the re-establishment of the usefulness of the home environment, and negotiating family and social relationships.

TASKFORCE GOALS

- 1. Raise public awareness and provide education*
- 2. Employ best practices and client-centeredness*
- 3. Maintain a safe minimal standard of living*
- 4. Keep individuals in their homes and prevent displacement*
- 5. Bridge the gap between community resources to aid in the decluttering and organizing process*
