2020 INSTRUCTIONS FOR FILING FORM GR-1120, CORPORATION INCOME TAX RETURN

CORPORATIONS REQUIRED TO FILE

Every corporation "doing business" in the city, whether or not it has an office or place of business in the city, is required to file an annual City of Grand Rapids Corporation Income Tax Return, Form GR-1120. **Attach a copy of federal Form 1120, 1120-A, 1120S, or other corporate return form along with Schedule K and all ancillary schedules filed with the IRS** to the Grand Rapids return.

Corporations cannot elect to file and be taxed as partnerships. A tax option corporation (S corporation, REIT, etc.) is treated as a C corporation.

The Grand Rapids Income Tax Ordinance specifically exempts financial institutions from taxation. "Financial institutions" are defined as state and national banks, trust companies, building and loan associations, savings and loan associations, credit unions, safety and collateral deposit companies, and any other association, joint stock company or corporation at least 90% of whose assets consist of intangible personal property and at least 90% of whose gross income consists of dividends, interest or other charges resulting from the use of money or credit.

OBTAINING RETURN FORMS

All Grand Rapids income tax forms are available on the City's website, www.grandrapidsmi.gov/Government/Departments/Income-Tax-Department, menu item, Corporation and Partnership Tax Forms. Request for tax forms may be e-mailed to: GR1120TAX@GRCITY.US.

RENAISSANCE ZONE DEDUCTION

TOOL AND DIE RECOVERY ZONE DEDUCTION

A qualified corporation located and "doing business" in a Grand Rapids Renaissance Zone or Tool or Die Recovery Zone may be eligible to claim the Renaissance Zone deduction. This deduction allows the corporation to deduct the portion of its income earned in a Grand Rapids Renaissance Zone from income subject to Grand Rapids income tax. A taxpayer is not qualified to claim the deduction if the corporation is delinquent for any Michigan or local taxes. A Grand Rapids income tax return must be filed to claim this deduction. Schedule RZ of GR-1120 is required to be attached to the corporation return when claiming the Renaissance Zone deduction.

A taxpayer claiming the RZ deduction uses Schedule RZ to compute the deduction. Schedule RZ of GR-1120 is designed to handle all calculations relative to the deduction. The calculation is complicated by the fact that the RZ deduction is reduced in each of the last three years of the zones existence and the fact that the reduction factors are based on a calendar year. See the instructions for Schedule RZ of GR-1120 and the form for additional information.

TAX RATE

The tax rate for 2020 is 1.5%.

FILING DATE

Taxpayers on a calendar year are required to file by April 30, 2017. Those on a fiscal year must file by the last day of the fourth month following the end of the fiscal year. Returns shall be for the same calendar year, fiscal year or other accounting period as the taxpayer uses for federal income tax purposes.

EXTENSIONS

A six month extension is automatically granted without a request if all tax has been paid by the due date of the return.

Upon filing an APPLICATION FOR EXTENSION OF TIME TO FILE GRAND RAPIDS INCOME TAX RETURN, Form GR-7004, on or before the due date for filing a return, the Income Tax Administrator may extend the time for filing up to six months. When an extension is requested, the tentative tax must be paid.

An extension is automatically granted upon payment of the balance due (Form GR-7004, line 3). Failure to pay the balance due invalidates the extension request. An extension filed without a payment will not be accepted. Interest and penalty will be assessed on taxes paid late even if an extension of time to file is granted.

REMITTANCE

The tax due must be paid when filing the return. Make check or money order payable to:

Generally, a corporation that is unitary in nature (i.e., has central management, purchasing, warehousing, advertising, etc.) cannot use separate accounting. Taxpayers allocating on any basis other than separate accounting shall include all interest, dividends and other non-operating income to arrive at the total income subject to the allocation percentage.
